St Ive Parish Council would like to point out that the articles appearing in this magazine do not necessarily reflect the views of the Parish Council.

Hello Everyone.

Don't forget to use your vote on May 2nd, for a new county councillor. I would like to wish John Turner all the best for the future, and thank him for his monthly contributions to the Parish Pump over the past ten years or so. I hope his successor has as much patience and energy.

It seems there will be no need to hold an election for parish councillors as there were only 6 nominations allegedly, all existing councillors.

I must say the Victoria Inn is having a massive facelift by the look of things. It is nice to see someone bringing it back to its former glory. If as much work is going on inside as outside, I can't wait to pop in for a peek and a couple of pints. Good luck with your venture.

I wonder what the proposed Traffic Management Plan for Pensilva is? I may pop along to the Annual Parish Meeting on May 20th to find out. With any luck we will see an end to the horrible humps that seem to do nothing more than put the tracking out on our vehicles.

Thank you to everyone who came along and supported the charity quiz on April 13th. See separate notice in this edition for winners etc.

According to the news recently, Foodbanks throughout the country were extremely busy during the Easter school holidays. I think this charity is very important in the present economic climate, and with the summer school holidays looming they will be even busier. If you can, please spare a thought when you do your weekly shop and pop an extra tin or jar of something into your basket. Like a certain supermarket keeps telling us "every little helps". Items can be dropped off at St Johns Church every Thursday morning, You never know what's around the corner in your life and when you may need some help.

When is the summer coming? I can't remember the last time there were no leaves on the trees by mid April. I'm sure we must be due a good one soon. Let's hope it's this year.

As promised I am writing some recollections of my ten years as a Councillor. It has been a busy time particularly since Cornwall became a Unitary Authority and I must start by wishing my successor the very best for the future. It has been both rewarding and frustrating and inevitably, those people who I have been able to help are balanced by those who feel let down. All I can say is that I have done my best to be honest and open in what I have done and have given the reasons when my decision has been contrary to that which some might have expected.

I didn't anticipate standing for election in 2003 after I retired from Caradon D.C. but, almost by default, did so after my wife said 'Can't you find something to do as you are getting under my feet'. This led me to being elected by the voters of St. Ive & Menheniot alongside Bernie Ellis (it was a two member ward) and we hit it off immediately although representing different parties.

A period as the Cabinet Member responsible for housing was followed by my appointment to Leader of the Council for the last 18 months of its existence. As we looked to the future in 2002 I said at the time that the new structure would be too big and would become 'Trurocentric' which I think has been proved right. An east and west split i.e. two unitary's was something I could have supported. Hey ho, what will be will be and we are where we are.

Among the highlights of my time at Caradon were the introduction of low parking charges for the first hour (10p you may remember) which increased footfall in the town and also, towards the end, the setting up of the Caradon Area Community Fund which has helped many small local organisations over the four plus years that it has existed. The MD of Ginsters and General Manager of St. Mellion have both contributed significantly through their support. Also the world accolade awarded to Caradon and Ginsters by the international leisure industry was something I will always remember as I believe it was the first time that a local authority had been so honoured.

Personally I have been gratified by the little published success of the Caradon Observatory. Whilst not being in the public limelight, the work there has led to one of 30 photographs or so (out of some 40,000 submitted) being featured on 'Stargazing Live' on the BBC and it becoming the first accredited site in the UK for remote access imaging for GCSE coursework. Who would have thought that a photograph of an identifiable galaxy, 490 million light years away could be possible in Cornwall?

The Caradon Hill Area Heritage Project has developed significantly with some £2.5 million being invested. It has led to greater interest in mining history with increased visitors. What a shame that we are still fighting for the retention of the toilets at Minions. Without them school parties will no longer be able to visit and there will be no facilities for visitors. Short sighted you may ask and I would reply with an emphatic YES. My successor will have to take up the cudgels on this issue.

Lastly, but not least and not picking out individuals, may I thank everyone for their support over the years both through the good times and the bad ones and in particular the Parish Councils who I have been privileged to work with.

As I sign off for the last time I wish you all the very best for the future

John Turner

SPRING IS IN THE AIR at last we can start planting, even if it is under fleece. This week we put in our early potatoes, broad beans, onions, garlic and broad beans: it will be peas, main crop potatoes, kale and cabbages next week. Meanwhile, we are cropping coriander, radishes and salad leaves from the tunnel, with baby beets not far behind. The strawberries in the tunnel are flowering, so we'll get our first crop from them before long.

FENCING if anyone knows a fencing contractor that might be able to help erect our fence and gates at a very good price, it would be good to hear from you. It would transform the land to have a clear boundary and we really need to keep the dogs off the crops.

RHUBARB FARM AND INCREDIBLE EDIBLE TODMORDEN the Board of Directors headed north recently for a study visit to two very different community growing schemes. First we went to Rhubarb Farm near Sheffield, which is an 8 acre farm with a 2 acre plot set aside for therapeutic horticulture. It was totally inspiring to see what they were producing and the people who were able to transform their lives through their involvement with the project. We were exhausted but buzzing after a long day finding out how it all worked and thinking about what we could do here in the village with more land.

The next day we went to Todmorden, just outside Manchester, to admire the many areas of public land that have been planted with vegetables, herbs, fruit trees and shrubs. The health centre, police and train stations and the canal path all have raised beds providing free food for local people to harvest and eat. I can't help but notice all the areas of grass in Pensilva's public places, which could be turned over to food production for the benefit of local people. AND we were on the Simon Mayo Show this Friday talking about our trip on the long drive home, so Pensilva was in the news again.

Veg Boxes we are planning a price increase soon to apply to all new customers. So, order your veg box now before that happens, to get a box at our present prices of £6 for 1-2 people and £10 for 3 - 4 people. We are assessing whether there is a market for other things to be delivered to your door with your veg, so if you are interested in buying wholefoods, or other organic produce through us please let us know on 01579 363684 or thegrowingproject@orangehome.co.uk

Upton Cross and St. Kew C.P. Schools are consulting about forming a Federation

The Governors of both schools are determined to:

Improve their schools' educational standards.

Secure long-term financial sustainability.

Enhance the learning and life skill opportunities for our current and future pupils.

Since September 2012, we have successfully been in an informal federation with an Executive Head Teacher. The Governors would now like to formalise this arrangement for the benefit of both schools.

Benefits of a Federation

- Stronger leadership in both schools
- Enhanced opportunities for pupils to work together
- Access to specialist teaching
- Access to a wider range of staff and resources
- Stronger professional development for staff in both schools
- Decreased costs for administration as resources can be shared

A federation has a stronger voice than separate schools

The Governing Bodies of both schools have concluded, after careful consideration, that the current and future interests of the two schools will be best served by entering into a Federation. This is not an amalgamation of the schools. They will remain separate in many ways.

What would change and when?

There would still be two separate schools. Each school would continue with its own identity and characteristics. The Executive Head Teacher would have overall

leadership of Upton Cross and St. Kew Schools. Mr Clutsom would normally continue to spend the equivalent of two and a half days in both schools.

What is a Federation?

A Federation is formed when two or more schools agree to work together through a single Governing Body running both schools.

The schools remain separate, with separate budgets and separate OFSTED inspections. They also report their results separately.

The Federation we are recommending would have an Executive Headteacher, Mark Clutsom, who will be responsible for the performance of both schools. He would continue to be supported by a Senior Leadership Team in both schools. The Federation would have one Governing Body to oversee the two schools. The Governing Body, as now, would consist of parents, staff and representatives of the Local Authority and the Community.

Want to know more?

The consultation document can viewed on www.upton-cross.cornwall.sch.uk or call the school on 01579 362519 to request a copy.

The schools are a central part of each community; we want to hear your views, so we are holding public meetings at both schools. If you would like to ask questions or find out more, please pop along to Upton Cross on the 7th May or St. Kew on the 9th May. Both meetings start at 6pm.

If you are unable to attend, but would like to give your views, please e-mail or write to one of the Chairs of Governors at the schools:

Either: Mr Peter Woodward, Chair of Governors, Upton Cross Primary School Upton Cross Liskeard, PL14 5AX or to chair@upton-cross.cornwall.sch.uk

Or: Mrs Lianne Sproull, Chair of Governors, St Kew Community Primary School, St. Kew, Bodmin PL30 3ER or to lianne@sproulls.co.uk

**Please note that responses must be in by 3pm on
Monday 10th June 2013.**

Letter received by post

I am writing in response to the article in last month's Parish Pump about the Valentine Disco.

I appreciate that a lot of time and effort went into organising this event, but to say that "nobody from the school bothered to come" has really angered me!

For a start, tickets were £7.50 each, so that is £15 per couple already. No children were allowed, so parents would then have to pay for a babysitter, another £20, and then drinks on top another £20 - £30.

Many parents in the school, village, could not afford or indeed justify spending this amount on a night out, and quite soon after Christmas as well.

Maybe future fundraising events could involve the whole family, not just the adults.

Name & Address supplied.

On Friday, 21st June Pensilva W.I. are organising a trip to Barnstaple. We shall call at the Brook Garden Centre for coffee and then continue on to Barnstaple (it is Market Day).

Leave Millennium House at 9.00am and Barnstaple at 4.30pm.
Cost £9.50 per person.

Ring Yvonne on 01579/363231 to book (payment on booking essential).

Hear to Help – 1 Year on:

Hello Everyone – I find it hard to believe that we have been running our hearing aid support drop-in service at Millennium

House for a whole year now, how the time has flown! I just wanted to take this opportunity to say thank you to all those who have come along and made use of our service and to remind those of you who haven't yet paid us a visit that we are still there.

The drop-in is on the 1st Wednesday of the month between 10.00 and 12.30pm and you can find us upstairs just by the gym. We can clean, re-tube and provide you with batteries, unfortunately we cannot repair or re-tune the hearing aid.

Nick and Liz are the regular volunteers who run the drop-in and they can also provide you with information and advice on getting the best out of your aids and other useful equipment. If you haven't got hearing aids but have concerns about your hearing drop-in for a chat and take away some free information.

Other local Drop In service :-

PENSILVA W.I. REPORT FOR APRIL.

The brilliant work done by the St Petroc's Society for the homeless in Cornwall was the subject of the talk by Corinna Langford. She has worked for the society for 9 years and said we have one of the highest numbers of homeless people in the country. A lot of young people come here to work in the hotel industry and at the end of the season have nowhere to go. Also drink and drugs were a major problem. The society provides food; bedding and clothing were needed, and link them to the appropriate support services. Due to the chaotic lifestyle of the clients, the Outreach team work flexible hours in order to reach the more socially excluded individuals. Corinna was thanked by Elsie Borsby for giving such an enlighten talk. Most of us were unaware that there were so many homeless people living in Cornwall.

Frances Tucker our president reported that the Porcelain Primrose workshop with Jenny Robinson was very successful as was the Box Making class with Audrey Fanning and Anita Taylor. Thanks were given to them for two very enjoyable workshops. Frances and Jill Pascoe had attended the Spring Council meeting at Truro, and Gill in her report said how much she had enjoyed the talk about The Eden Project by Tim Smit. Birthday posies were then presented to two birthday girls, Gillian Dinnis and Sue Turpin.

We were reminded of the coach trip to Barnstaple and Brook Garden Centre on 21st June leaving Millennium House at 9am, the cost £9.50. This is open to all. Sat. 11th May will be our 65th Anniversary dinner at Trelaske. Tuesday 30th April. Sew Knit and Natter 2 pm, Millennium House. Non W.I members are very welcome to join us the last Tuesday of every month. Also to join us for our Village Litter Pick on Monday 20th May at 7pm. Millennium House. Please bring gloves. 29th May. Photography Group meets.

Competition results. 1st Dorothy Upton. 2nd Verna Dawe. 3rd Liz Clayton. Flower of the month. 1st Cherry Woodhouse. 2nd Jill Pascoe. 3rd Gillian Dinnis. The next meeting on Wednesday 8th May will be the 65th Anniversary of the formation of our W.I. Barbara Smetherham will give a flower demonstration with "Celebration" as the theme. This will be followed by a Bring and Share supper. David Hambly will attend to take a group photo.

CHEMOTHERAPY OUTREACH SUPPORT SERVICES

A total of £225 was raised for the Chemotherapy Support Services through the Quiz & Pasty supper and very generous donations.

Thank you everyone

Bev Casban

The Chemotherapy Outreach Project is a local project which helps cancer patients to receive cancer care closer to home. Specifically, at present many patients can receive their chemotherapy, cancer information and support at community hospitals in Liskeard, Tavistock and Kingsbridge, rather than have to go to Derriford.

You can find out more here: <http://www.chemooutreachproject.co.uk/>

April Charity Quiz

12 teams entered the Charity Quiz which, considering the weather on the night was a great turn out.

Only 7 points separated the top 5 teams with the eventual winners being MANK, 2nd was 3 Miles Apart and equal 3rd were JFK & Marilyn and 3's a Crowd.

A total of £140 was raised which was shared between the Chemotherapy Outreach Support Services and the All Being Well gym.

The pasty supper seemed to be enjoyed by all.

I hope everyone who came had a good fun evening.

Thanks must go to Bev, Nicky, Sue, Mel & Vicky for their help on the night.

A big thank you to everyone who generously donated raffle prizes.

I hope to run a similar event later in the year.

All Being Well - Monthly Newsletter

The March challenge was to “climb” the highest peaks on seven continents (including Antarctica) on the Cross-Trainers and Tread-mills. Thirty people took part of whom nine completed all seven peaks. Top performers were Michelle Furneaux, Ted Whiting and Sue Turpin.

Shaun Prout continues his astonishing output on the indoor rower. He passed 32 million metres on April 10th. To put it in perspective, this is about four fifths of the circumference of the Earth! Keep going Shaun.

Nick Horler is writing a separate report on the April quiz. Many thanks to Nick and to Bev for their efforts in organising the quiz and for the donation to All Being Well. The next quiz will be on May 25th. That's all for this month. Keep well everybody.

CARADON HILL AREA HERITAGE PROJECT

ALIEN INVADERS!

Is Himalayan Balsam invading your territory?

Caradon Hill Area Heritage Project are holding a Himalayan Balsam "Alien Invaders" information launch day on:

Tuesday 14th May 2013, 11:00 – 15:00
Siblyback Lake, Commonmoor, Liskeard.

Anyone interested is welcome to come along for the launch by South West Lakes Trust. You will be able to chat to representatives from South West Lakes Trust; Westcountry Rivers Trust; Environment Agency; Cornwall Wildlife Trust and Cornwall Council, for information and advice on how we are able to work together to tackle this menace.

Himalayan Balsam, although very pretty, is a growing problem in the area. Our native flora is being lost, especially along the river banks, and the lack of winter vegetation is causing soil erosion and increasing the risk of flooding.

This is a free event supported by the Heritage Lottery Fund. Lunch time refreshments will be provided.
