

A photograph of a woman and a bishop standing together in a church. The woman on the left is wearing a white cassock with a black stole and a black collar, and glasses. The bishop on the right is wearing a white mitre, a white cassock with a purple collar, a gold and green patterned stole, and a gold cross pendant. He is holding a crozier. They are standing in front of a church altar with a cross and candles.

Rev Becca's licensing was the first to be conducted by Revd Canon Phillip Mountstephen since his appointment as the new Bishop of Truro. Revd Becca is already Priest in Charge of Pensilva and St Cleer and this is the first time for fifteen years that St Ive and Pensilva have had the same Priest in Charge. Revd Becca said it will be quite a challenge looking after six Churches, but she is looking forward to it and knows that she will enjoy the help and support of all the congregations.

From the Editor

I am writing this on a beautiful Spring day in late February, confident in the expectation that, this time next month, I will be writing something similar on a bitterly cold Winter day in late March.

This month's edition is up to 60 pages, from 52 last month and 48 in January. This suggests that there is a lot going on in our Parish, and there is! See for yourselves.

Lastly, my apologies for a small error in my editorial last month. The Yn Poynt Da review is on Saturday March **9th**. See you there!

Are you having problems with low water pressure?

We are experiencing a drop in water pressure in the Gooseberry Lane / Quarry Road area. South West Water have been contacted and the visiting engineer stated that it's because a pressure-reducing valve was fitted in the latter part of last year; unfortunately, without notifying the residents. He suggested that we contact South West Water - the more complaints, the more likely they are to correct this.

CHAIRMAN'S COLUMN

I will start this month with some good news, we have filled our vacancy on the Parish Council. We welcome Samantha Reilly to our ranks, its nice to have a full council once again and to welcome another younger member to the Council. While I am talking of good news. I must say a big thankyou to Keith Mutton and his friends from Bond Agriculture, at St Ive, who turned out with their tractors etc, to keep the traffic moving on the main road through St Ive during the recent snow. Well done Keith and all who helped in St Ive. On the subject of the bad weather, it was disappointing to hear that after much trouble getting Cornwall Council to fill the salt bins throughout the Parish, several of them were emptied before the snow came. They are not there to provide salt reserves for individuals to use on their drives. They are placed in places around the Parish, where snow and ice are likely to cause safety problems on the roads. If salt is needed for driveways it is available in most D.I.Y. stores and even supermarkets.

Don't forget the theatre is coming to Millennium House on the 9th of March, with Yn Poynt Da's comedy revue. Also on the 15th of March you can enjoy a night with the stars, Caradon observatory team will be giving a (free) presentation on the night sky with (weather permitting) a chance to look at the stars and galaxy's through telescopes set up on the recreation ground. Finally on March 27th, 7-00pm till 10-00pm, we will be having a bar sports evening at the Mel bar, to include darts, dominos, euchre and, for any interested Navy types, uckers. Come and try the games, we would like to make Wednesday nights pub games nights, and hopefully get some league teams playing from the Mel. See adverts elsewhere in the Pump for details. Pete Haimes.

From our Cornwall Councillor Sharon Daw

Tolls on the Tamar Bridge . Living in East Cornwall I feel we should have the tolls removed as they have in Scotland and Wales and funded by central government.... continually raising the tolls for the daily use is unfair to the people who rely on it....The tolls should give choice of routes like the M6 toll road you choose to avoid it or pay 6.50 The Dartford tunnel and QE Bridge in East London is 2.50 and have used the QE Bridge a few times. The new toll bridge over the Mersey is impressive too but does allow a choice....One of the issues on the Tamar are the ferries which are supported by the tolls..... these ferries are not the most reliable and maybe they should be separated and self supporting, who knows?

The snow caused chaos but feel after last year's Beast from the East we should have been better prepared... I raised this issue in 2017 and everyone laughed at me..... never underestimate the power of the unknown yes we have been snow free for several years but as in life everything is circular... It's a shame I missed the members briefing Friday of the snow but what an amazing group of people we have in Cornwall opening doors to strangers stranded.... but the message still is do not travel unless absolutely necessary ...

Trees causing problems on the A390 and highways have been informed constantly... meeting again on 13th February but it is up the Landowners to assess and remove dangerous trees.... If there is a highways problem do contact me but also report it online via Cornwall Council ... the more complaints the better.

Litter picking. It's great to hear people keen to pick up litter and am happy to join groups to do so.... Please do contact me so we can arrange bright jackets and long handled pickers ... your safety is paramount

Can I remind people that I can be contacted by phone, email, text or pigeon. It has been very tedious with such a lack of internet in our area and two weeks of EE disruption did not help.... I have several people contact me about internet in areas around Cornwall which, believe it or not, is very sporadic ... After contacting Open Reach for the 6th time in 18 months.... If anyone else is having difficulties like us I suggest emailing or writing to the CEO of Open Reach who by the way speaks of rolling out super fast broad band everywhere?????

CC Daw

Liskeard and Looe Foodbank are very appreciative of the continued and generous support from the people of St Ive Parish. In 2018 donations via the churches and the school totalled 878kg.

The donations of food and finance are more necessary than ever. Records show a 25% increase in demand, with the introduction of Universal Credit accounting for much of this. Over the whole area we cover, across Liskeard, Looe, Torpoint and the villages from Polruan to Cawsand, Downderry to Colliford Lake, referrals last year rose from 1784 to 2230.

The increase in emergency food boxes distributed to those in need showed a 50% rise in Pensilva to a total of 98, requiring 1.25 tonnes of supplies. Collection points locally are open every day in St John's Church and St Ive Church where donations can be left between 10am and 4pm. Alternatively, donations can be made on line via the website <https://liskeardlooe.foodbank.org.uk/> or by a visit to Unit One, Barras Place, Liskeard PL14 6AY. Tel. 07512 011452 or 01579 343742. Email: liskeard.foodbank@gmail.com.

Foodbank opening hours at Liskeard are Mon/Wed/Fri 09:30 to 12:30 (excluding Bank Holidays).

PENSILVA WI FEBRUARY MEETING

Bloomers!! What do you think of when you read that? A lovely crispy baked loaf or a pair of old undergarments? Well, it wasn't just bloomers that Mary Cole was showing the Pensilva WI's meeting, but knickers through the ages and corsets, liberty bodices and other vintage underwear. There was much hilarity as each garment was produced and Mary gave us the history of the era in which they were worn. Not many of us knew that ladies did not actually wear underwear until the 1800's! She even brought a parachute along so we could see what parachute silk felt like, as if you could get hold of some during WW2 it was ideal for making camisoles and cami-knickers. The hand-sewing of some of the older items was exquisite – no sewing machines then. Frances Vernon thanked Mary for her interesting and humorous talk and all members enthusiastically concurred.

Following the normal monthly meeting, the AGM was held when the new President was elected and prizes for the competitions held throughout the year were presented. Flower competition: 1st Jill Pascoe, 2nd Jean Hoare and joint 3rd were Cherry Woodhouse, Verna Dawe, Mary Yates and Frances Tucker. Monthly competition: 1st Verna Dawe, 2nd Jean Hoare, 3rd Cherry Woodhouse.

Birthday girls this month were Rosemary Farley, Julie Thorpe and Jacqueline Olver who received a card and spray of flowers.

Monthly competition: Flower of the month 1st Alison Willis, 2nd Mary Yates, 3rd Irene Elliot. A 'hand-made garter' 1st Verna Dawe, 2nd Janet Butcher.

Dates for your diary:

Friday 15th March Centenary Tea Dance, 2pm. Newquay.

Saturday 16th March – Marie Curie Tea, 2.30pm Village Hall, Pensilva.

Next month's meeting will be held on Wednesday 13th March at 7.30pm in Millennium House, Pensilva when representatives from the Fire Brigade will be telling us how to stay safe in the home. Come along, have a great time and meet new friends. See you then.

THE Growing Project PENSILVA

Spring is very much in the air as I write this on an amazing hot sunny Sunday in February!

We have been able to open our polytunnels daily which is unheard of for the time of year and we are able to get airflow in the tunnels to improve the health of our plants and let the bees in to pollinate which is all good news. The sunshine has certainly helped everything to grow and in addition to last months chard, kale and purple sprouting broccoli we are now picking salad and herbs and we do have a few cauliflowers although we only seem to have 1 or 2 at a time.

Our young aubergine plants are coming along nicely and will be ready to go in our polytunnels once all danger of frost has passed, however our sweet potato slips have failed dismally but we are starting again with them and still have plenty of time to start with a new batch. We also have tomato, bell peppers and chilli peppers being propagated by project volunteers and friends, if anyone has a spare windowsill and would like to help with propagation please do get in touch!

Many of our volunteers have been busy barrowing our own compost and also manure that had been delivered by Callington young farmers around our site and have been spreading it onto our raised beds to rejuvenate them. We would like our next major task to be building more raised boxes in our polytunnels to grow sweet potatoes and other root vegetables and we would be very grateful for any surplus plywood that could be donated.

We are currently running 2 volunteer days each week, on Wednesday 10-2pm and Thursday 12-3pm and would be delighted to see any new faces. As spring has sprung, we have a good variety of our own vegetables on our purple roadside stalls alongside additions from local organic growers and also Riverford.

Our contact details are: Email growingprojectpensilva@gmail.com

Phone 07398 828783 for details of our vegetable box scheme and 07854 353865 for project admin

Safer Internet Day at Pensilva Primary School

On Tuesday 5th February it was national Safer Internet Day and all classes in our school took part in a variety of activities linked to being 'safe and secure online'.

Daymer class looked at the story 'Chicken Clicking', while Polzeath class looked at how to stay safe online through a writing task. Holywell class did some drama activities linked to scenarios that they could face while online and Harlyn carried out a whole school survey, which highlighted that the children all know who to talk to if they have a concern while online.

Year 5 and 6 also had a visit from local PCSO Bex Steed to discuss issues about age appropriate gaming and activities online. At the end of the day the whole school had an assembly to share what they had learnt from the day's activities.

'All our children had a great day focusing on issues of how to stay safe and secure while online, through a creative and cross-curricular way.'

St Ive and District Gardening Association

“Crossing the Tamar”, the talk at our last meeting, proved very interesting thanks to the vast knowledge and enthusiasm of our speaker, Les Deering, a Tamar AONB guide. From its source in Devon to Plymouth Sound the Tamar has 31 crossings, some ferries and some bridges, several noted in the Domesday Book. Les has visited them all and gave us some surprising details about the ones we are familiar with.

At our next meeting, on 4th March, Dorothy Kirk will give us her account of “Walking in the footsteps of Turner in Cornwall”.

Meetings are held in St Ive village hall at 7.30pm and visitors are always welcome to join us. For more information contact 01579 382762 or 382512.

This meeting will follow our AGM which will be held at 7.00pm.

THE LAST TUESDAY OF EACH MONTH

**for sewing, knitting or just for a chat and a

We meet at ST JOHN'S CHURCH, PENSILVA from 2pm to 4pm.

**ARE YOU CONCERNED ABOUT DEBTS?
DO YOU KNOW ANYONE WHO IS CONCERNED ABOUT
THEIR DEBTS?**

**CHRISTIANS AGAINST POVERTY
is coming to the Liskeard area**

Christians Against Poverty is an organisation run by Christians for all who are worried about their debts. It was started by a single man who had been in debt (so he knew what it felt like). After extricating himself it became his mission in life to help others who were suffering due to debt.

At first, he worked alone from his own front room, but after a while he had so many clients, he had to employ other Christians to help him. At times he did not have the money to pay them at the end of the month, but they all trusted that God would provide the money soon - and he always did have the money by the middle of the next month.

This man went to extraordinary lengths to raise money to continue helping the more and more people who were turning to him for help. He started to run sponsored marathons (he did not class himself as an athlete!), and then committed himself to run several marathons one after the other on different continents!

**THE SERVICE IS COMPLETELY FREE TO USERS AND CAN BE
PROVIDED IN YOUR OWN HOME.**

The organisation receives no help from the government, so all the funds needed for what has now become a very large organisation have to come from other Christians and from fundraising.

Please look out for our fund-raising ventures in Pensilva and support them.

If you need a referral for help for yourself, please ring Geoff or Carolyn on 01579 362698 and it will be arranged.
