St Ive Parish Council would like to point out that the articles appearing in this magazine do not necessarily reflect the views of the Parish Council.

Hello Everyone.

It would appear summer has arrived with a vengeance, not that I'm complaining. Let's hope it stays around for the children's school holidays, and beyond.

The newly refurbished play park is looking good. I expect the youngsters can't wait to use the new equipment. I understand the Park Project Group are planning a grand opening on Gala Day. Speaking of which there is lots planned for that week with what seems to be something for everyone to enjoy. It will be nice to see a fancy dress parade through the village, it will be like old times.

Space is getting limited in the Pump, so could I please ask that if your articles are sold through the "Free Ads" page, please let me know.

I was sorry to hear the sad news that Megerry Shilton from St Ive had passed away. She was a lovely lady with a clear view on life. The St Ive chapel was packed for her funeral, which was nice to see.

From Cllr. Steph McWilliam

Well, at last I feel I am starting to actually **be** a Councillor, rather than just learning about it. Some problems I have managed to resolve, which is gratifying, some I haven't, which is frustrating and some are on-going.

Cornwall Council is starting to look at options for the budget, now that the Comprehensive Spending Review has taken place. As ever, it makes depressing reading but we have to work with the situation we have, rather than the one we would like. The main issues we are considering is which services are a priority for you (e.g. adult social care, education, fixing potholes etc) and which do we feel could be reduced or even stopped? We are also looking at whether the Council is getting the best value from some of the contracts it has with private companies. If you have any strong views on this, do please let me know but bear in mind that some are a statutory requirement so our options are limited.

We have a new Community Network Manager, Esther Richmond, and I took her on a drive around the Lynher Division to explain the issues we are currently facing. This included (but was not limited to) the planned closure of the toilets at Minions, the problems with noise at the solar farm at Trefinnick and the financial pressures on St Ive Parish Council of maintaining Millennium House.

We have now had confirmation that Cornwall Councillors have a community chest of £3,000 each to spend on supporting projects that benefit their local communities but this has to be spent in year. It cannot be carried over. Next year it is likely to reduce to just over £2,000 as it was before. I would be grateful if you would try and make sure your local groups know about this and get in touch with me if they are interested in applying. Grants can be for anywhere between £100 and £1,000 and cannot be used for any on-going costs. However, these grants can help secure match funding from other sources. I would like to have applications in before Christmas so that there is time to work through the process and make sure this money doesn't go to waste. It isn't difficult so please let me know about worthwhile projects that need a little funding to progress.

Finally wind turbine applications continue to feature strongly. These are obviously causing feelings to run high so it is really important that you let me know your views, both for and against. I represent you and I answer to you so I do need to know what you think. In the meantime, can I make a plea that you don't allow this issue to cause rifts in your community? Please keep the debate focused on the matter in hand and don't allow the argument to become personal.

Thank you.

An Introduction From Your New Councillor Martin Corney

I've just been co-opted on to your Parish Council, so I thought I'd tell you something about myself. I've lived in St Ive for the last 25 years, and for 22 of those years I worked in Devonport Royal Dockyard in the computer department. I took early retirement three years ago, which has given me more time to spend on my interest in wildlife, as well as gardening. Think about it – how would you balance those two conflicting interests? Well I've had to think up a few new ideas of how to grow vegetables while letting the wildlife thrive in my garden. The ideas don't all work, but I learn.

I volunteered my name for the council because I wanted the drain gulleys in my area cleared out properly, and thought, "Don't just moan about it, get involved and do something". So when I saw that the Parish Council was short in numbers, I stuck my head above the parapet.

Because of my background in computing, the first thing that the Parish Council asked me to do, was to look at how we can improve our internet services. I'm still at the stage of gathering information. So if you have any ideas about how we can use the internet to help share useful information about things that are happening locally, please contact me. I can be emailed, martincorney@btinternet.com, or ring me on 382450 (leave a message if I'm not in), and I'm even on Facebook. I've created a group "St Ive Area Internet Ideas" on Facebook where your ideas can be shared.

I'm sure we'll be seeing a lot more of each other over the coming months, and I still want to sort out the drains. Don't let me forget.

St. Ive Parish Council Traffic Survey

At this year's Parish Meeting some thoughts and ideas were displayed, by way of plans and photographs, for revisions to the traffic management arrangements in Pensilva and St Ive. The display was left in place for a few weeks afterwards and a number of residents (about 25) completed the questionnaires which were provided for comment on the ideas put forward. We have to be aware that Cornwall Council funds for making or amending traffic orders and conducting associated works are currently somewhat limited. Therefore we may not be able to do everything residents would like to see done.

Although it would have been a more reliable result if there had been a greater number of responses there does seem to be some agreement between those who did so.

Removal of the speed humps between Pensilva Stores and East Park and those between the entrance to Millennium House and the Victoria Inn seem to come highest on the list. Bearing in mind that the last quote given for the removal of one speed cushion and reinstatement of the carriageway was £2000 it is unlikely that we will be able to achieve much more than that. Of the fifteen people who commented eleven supported the proposal to re-site the priority signs near Amanda Way.

It was also clear that something needs to be done to make the road junction at St Ive Cross safer.

Representatives of the Parish Council will now discuss these ideas with Cornwall Council Highways Department

Anti-social behaviour

On Monday 8th July a child was seen climbing on to the roof of Millennium House by a passing motorist who came into reception to report the incident. This is **extremely dangerous behaviour**; parents must ensure their children are aware of the danger from falling through the roof or from the roof.

One of the signs has been broken and the wooden pergola at the front of the building has been damaged by this action.

Malicious damage has been caused to the trees at the front of Millennium House by local minors; this has incurred costs to the Parish as we have had to have the large branches removed.

Litter bins by the skate park which were bolted into the concrete have been pulled up from the base and damaged beyond repair.

These all belong to the Community – if you witness any anti-social behaviour please report it to the receptionist at Millennium House if open, or report to the local Police on the non-emergency number 01579 325454.

Thank you

MEMORY CAFÉ

The Pensilva Memory Café has now been running at St. John's Church since April this year. The Memory cafe is a meeting place which offers, in an informal setting, help and support to people affected by memory problems. The invitation extends to carers, family and friends, as everyone is 'affected'.

Operating on a 'drop-in' basis, it gives participants the chance to exchange experiences and information, receive practical information and emotional support. One of our aims is to help participants put together a 'Memory Book' to help to stir up past and present memories, with photographs, articles and letters that help tell that persons' life story. We hope to invite people to come and talk about different aspects of living with memory problems and we will be asking participants to give us some ideas of how they would like to see the Memory Café develop. We hope that this informal setting provides emotional support and reduces the isolation often felt by people with dementia, their carers and families.

Please do come along, and bring those you care for. Carers will all be very welcome, as well as those of us who need prompting to remember what day it is! See you on the fourth Thursday of each month at 2pm in St. John's Church, Pensilva.

We would still welcome more volunteers to help in the Café. If you are interested and would like to volunteer please come along to the Café or ring Carolyn on 362698.

Headteacher: Mrs Becky Crispin B.Ed. M.Ed

At the end of the summer term, we said goodbye to Mrs Louise Halliday. We thank her for all that she has done for us and we wish her every happiness in her new teaching post in Bodmin. We also said goodbye to Kay Barriball who has been our Parent Support Adviser. We wish her well in her new job. We have welcomed Chris Hale as our new secretary and Mrs Gilbert as our cleaner, who replaces Hannah Nettleingame.

We said goodbye to our Year Six children. We are very proud of all that they have achieved at Pensilva and we wish them every happiness and success as they move on to Callington College.

We welcomed our new children into Reception during our transition weeks – we hope that their time at Pensilva will be happy and full of excitement about learning. All our children have spent two weeks in their new year group – they have settled in well and will be ready to settle down and continue their learning effectively in September as a result.

We are continuing to raise money for rebuilding our new swimming pool for the school and for our community. A very sincere thank you to everyone who has helped this year. We will continue to work towards our goal in the new school year – our journey may take time but we don't intend to give up!

Our Centenary Garden Party was a lovely time with fun and memories.

Thank you to everyone who has helped this year – governors, parents and friends. We really do appreciate it and it does make a difference for our children. We have big plans for the future. If you would like to be part of them, we would love to hear from you - could you help by running an after-school club? Hearing children read? Doing some painting? Gardening? Sharing a skill?

I wish all our children, staff, governors, volunteers and friends a wonderful summer.

Best wishes, Becky Crispin

Armed Forces Day
28th June

Thank you to all who supported the tea at The Victoria Inn on Armed Forces Day, raising funds for Help for Heroes. The tea and raffle raised £110 and I had further donations of £12 after the event. The first hour was attended just by 7 village stalwarts - didn't the tea appeal to many of you? Fortunately my 3 days of baking proved worthwhile when a walking group of 16 people came into the pub at £3 a head and were happy to win half the raffle prizes. Thanks to all the local "regulars" who also enjoyed the tea and supported the raffle.

PENSILVA W.I. JULY MEETING REPORT

Chris Rounsevell our local butcher was the speaker at the July meeting of Pensilva W.I. and making sausages the theme of his talk and demonstration. It is quite a complicated procedure with ingredients having to be mixed in the right order, and Chris uses only the best ingredients including natural skins not synthetic ones. A few brave members had a go at filling the skins, twisting and tying them into what should look like an even bunch of sausages. This was not always achieved. After a very enjoyable and hilarious evening Chris was warmly thanked by Frances Tucker our president.

Frances reported that the two day flower arranging classes with Barbara Smetherham had been well supported and enjoyed by all, as was the boat trip from Looe to Polperro organized by Verna Dawe. Yvonne Gilbert's trip to Barnstaple and The Brook Garden Centre proved to be another enjoyable day.

Frances also thanked everyone who helped in any way with the tea and games afternoon held for the 12 children from Chernobyl. They were staying for four weeks with local families including two of our members. Special thanks were given to Doreen Jeffrey for the use of her home and lovely garden.

We were reminded of the Gala Day on Saturday 10th August and it was decided to do our usual tombola stall again this year. Tuesday 3rd September St Neot W.I are organizing an evening walk and Saturday 7th September we shall visit Sterts for the Last Night of the Proms. Saturday 14th September will be our Horticultural Show. This is open to all, so lots of entries please. Schedules are available from Millennium House or members. Six members had birthdays this month and were presented with cards and posies. Competition winners: 4 Sausage Rolls, 1st Gillian Pankhurst. 2nd Frances Tucker. 3rd Cherry Woodhouse.

Flower of the Month. 1st Jackie Burrell. 2nd Normer Brice. 3rd Ann Robinson.

The next meeting 14th August at 7.15pm. This will be a farm walk and social evening at France's home Penharget.

Any enquiries to Frances 363718 or Jean 362531.

Coffee Morning for Next Generation Nepal at The Hen House Studio, Pasadena, Attwood Lane, Pensilva 10.30 am on Wednesday 28th August.

In Nepal there are many children living in homes for orphans yet they are not orphans. Their parents, because of poverty, have been persuaded to give them up to unscrupulous men who say they will take them and give them an education. Some parents have even paid what they could for this. The children then become virtual slaves/prostitutes. A young man named Conor Grennan discovered this while travelling in Nepal and began to rescue these children and take them to safe homes.

He also tries to find their families, and some children can be returned to them. Please help this work to continue.

Hear to Help – 1 Year on:

Hello Everyone – I find it hard to believe that we have been running our hearing aid support drop-in service at Millennium House for a whole year now, how the time has flown! I just wanted to take this opportunity to say thank you to all those who have come along and made use of our service and to remind those of you who haven't yet paid us a visit that we are still there.

The drop-in is on the 1st Wednesday of the month between 10.00 and 12.30pm and you can find us upstairs just by the gym. We can clean, re-tube and provide you with batteries, unfortunately we cannot repair or re-tune the hearing aid.

Nick and Liz are the regular volunteers who run the drop-in and they can also provide you with information and advice on getting the best out of your aids and other useful equipment. If you haven't got hearing aids but have concerns about your hearing drop-in for a chat and take away some free information.

Other local Drop In service :-

Liskeard. Oak Tree Surgery (2nd Thurs 2.00 – 4.30pm)

Launceston Medical Centre (2nd Friday 2.00 - 4.30pm)

Torpoint. Chatlink, Old School House (4th Thurs 10.00 12.00noon)

Callington Surgery, Tamar Valley Health Centre. 4th Fri 10.00 - 12.00noon)

If you want to know more about the service or maybe even fancy joining our friendly group of volunteers please feel free to contact me:

Hi everyone,

At the time of writing this, the installation of the park equipment is complete and we are waiting for the surfacing companies to arrive to lay wetpour, grass matting and turf. Once this is complete we then have to keep the park closed to allow the turf to take. I thank you for your patience with this and remind you all again the importance of keeping our children and teenagers away from the park to allow this project to become a success. Over the next few weeks, our committee will be spending a great deal of time watering the turf and seed

to ensure the area will look great for our grand opening on gala day!

The park will be officially opened on Saturday 10th August 2013 @ 1.30pm following the gala walking procession. It will be great to see as many of the community there who have supported us along the way! We have been very lucky to have the support of Sam Joseph who has been organising the PR for the park – thanks Sam! The cutting of the ribbon will be carried out by Nyah Rendle who won our competition for designing the “Sunflower Park” logo! The last few weeks have been very hard work ensuring the whole project comes together. The PPP committee have been fantastic as always but I would like to especially thank Keira Rendle for being by my side every step of the way. I could not manage without her!

I would also like to mention that our secretary, Vicki Payne is due to have a baby in 1 month's time so we have appointed Marita Mitchell as vice secretary should Vicki be otherwise engaged! I would like to thank Vicki for her hard work, commitment and attention to detail over the last few months. She puts in many hours behind the scenes and we are very lucky to have her. Vicki, we all wish you good luck for the new baby but I know you will be taking our minutes and seeking funding again very soon!

The “Taste of Thailand” cookbooks are now for sale at Pensilva Stores for £5 each. They contain over 20 recipes and would make a lovely gift. Thanks again to Marita and Tida for their hard work on these!

Please could I also thank Andy Collins for the donation of many items to sell in aid of both the primary school and the park project.

As previously mentioned, we do have plans to further improve the park by installing a fence and pedestrian/scooter path around the perimeter. Because of VAT and other compulsory costs we do not have enough funds to do this at the standard we would like but we are working on it. After a few much needed weeks off over the summer, we will be back in full force in September to make this happen!

All Being Well - Monthly Newsletter

Congratulations to Michelle Furneaux on winning the June triathlon challenge.

We had a decent turnout for the July quiz. The Quiet Ones entered two teams, the Quiets and the Ones. The Ones were quiet but the Quiets were the ones who won the big prize! Well done to them.

Gala week coming up. The grand Gala Week quiz is on Tuesday, August 6th (see separate notice). On Gala Day itself we will be running our normal tombola and cakes stalls, and Shaun Prout will be rowing a marathon in the gym during the afternoon. Please pop in and support him if you can!

Keep well.

Lasting Power of Attorney

Lasting Power of Attorney is the only method of giving authority to deal with your affairs if you are unable to. Separate documents are needed in respect of Property & Financial Affairs and for Health & Welfare. You can only appoint whilst you have sufficient capacity, so we all need to act as soon as possible. If we don't, it could be too late.

Save your home from being sold should the unexpected happen

A Will would not fully protect your property during your life because its terms do not come into effect until you've died. It would be too late then. Marriage, Divorce, Re-marriage, Insolvency, Bankruptcy and Poor Health are just a few of life's eventualities that can lead to the loss of inheritance. Professional advice needs to be sought in order to **ensure** your estate will pass to your loved ones.

Planning for the Future

It is not surprising that our own mortality is not high on the list of our favourite topics of conversation. Very few take the common sense step of making a Will, yet if a little preparation is made you can provide for your family and loved ones and ensure your wishes are carried out after you've passed away.

Have you appointed **Lasting Power of Attorney**?

Have you **protected your property** by placing it in a **Trust**?

Do you have a pre-paid **funeral plan**?

Would **equity release** be of benefit or consideration?

Have you written a **Will**?

CARADON HILL AREA HERITAGE PROJECT

Mapping The Sun – The Hurlers Revealed!

Join us on a weeklong exploration of the world famous Hurlers scheduled ancient monument and the geographic location in which it sits. Including daily experimental archaeology, astronomy and craft workshops; geophysical and landscape surveying; astronomical and solar alignment research and hopefully a fully fledged re-excavation of the quartz pavement uncovered in the excavation & restoration work carried out here in the 1930's.

This event will run from Monday 16th to Saturday 21st September and is open for all to attend and participate.

This event will also see the long awaited launch of the CHAHP Minions & Hurlers Mobile Phone Apps.

For full details go to: www.caradonhill.org.uk

Training for you?

During September CHAHP will be running a range of free courses for those who live, work or volunteer in the project area, from stone-walling to outdoor first aid.

Please keep an eye on our website or contact Jane Uglow for more details:

Kilmar House Residential Care Home

**We pride ourselves on being different!
01579 343066**

Kilmar House is the smallest elderly residential home in Liskeard and the personal touch really shows. Each resident is treated as an individual who is free to spend their days as they

wish. We have no rigid routine or schedule that you need to fit into, you tell us your schedule and that is what we work towards!

We maybe the smallest home but have a very large house with lots of rooms for residents to spend their time how they wish. We have all the required facilities and activities to make your stay very comfortable as well as a large and productive garden to enjoy.

Please come and visit our beautiful Jacobean home which has been lovingly restored and maintained. You do not need to make an appointment to come and look around, we will always be pleased to welcome you.

We are pleased to offer permanent placements in some of our most beautiful rooms, some with en-suite facilities as well as respite and day care to whatever suits your needs.
