St Ive Parish Council would like to point out that the articles appearing in this magazine do not necessarily reflect the views of the Parish Council.

Hello Everyone.

Have we had our summer? Was 10 days all we are going to get this year?

I understand the "All Being Well" gym has now been granted charitable status, that is good news. Hopefully this will help to ease their financial pressures.

The Park Project is coming on leaps and bounds. All the old play equipment has been removed thanks to volunteers from the village. It was a joy to behold, seeing such a community spirit, which I would assume saved a lot of costs to the Project and ultimately the Parish coffers. I can't wait to see what the finished project will look like. I believe there is to be a grand opening on Gala Day. Speaking of which I have heard a rumour that there are plans afoot to resurrect a Carnival Committee. How good would that be? Over the years a lot of hard work has been put into running carnivals in the village, it would be great to see those days again. I wish you every success, whoever you are.

That's it for this month. Take care and enjoy your holidays

From Cllr. Steph McWilliam

Well, it feels as though nothing much has happened since last month. Most of my time has still been taken up with induction sessions but this should ease up in the next week or two and then I hope to be quicker at responding to those of you who have been in touch.

The new Council is still finding its feet but it does feel as though the new cabinet is doing its best to ensure all Councillors are able to contribute to future decisions. Where possible we will all be trying to find ways to provide the best front line services without increasing council tax to a level that adds to people's financial difficulties. However, none of us is under any illusion that there are really tough decisions ahead. I will do my best to keep you informed as these occur and hope you will help by letting me know your views as these arise.

Finally, I have been asking other Councillors about the practicalities and benefits of holding surgeries. It seems that they work well in towns but not so well in more rural areas. This is partly because we are advised not to put ourselves at risk by seeing people alone, which means arranging a venue where there are other people around. This isn't as easy as it sounds. For the time being therefore, I am not setting any up but please let me know if you wish me to do so and how often, where and what time of day and day of the week would work best. If you have any other suggestions about how I can make myself available (e.g. attending regular local events where you can come and find me) please let me know. My contact details are now on the Cornwall Council website but you can also ring me on 362037 and leave a message if I'm not here.

I look forward to meeting more of you in the months to come but in the meantime, thank you again for placing your trust in me and I hope that next month I will have more news of the way Cornwall Council is heading.

FRIENDS OF PENSILVA HEALTH CENTRE A.G.M.

The 2013 Annual General Meeting of the Friends of Pensilva was held on Tuesday 21st May in Millennium House and was very well attended. Jean Connor, Chairman, welcomed Jody Chan-Penney who had offered to take on the role of Treasurer from Mike Jackson. She also thanked the Friends for their ongoing help in fund raising. In his report Mike said that despite the purchase of the new Dopplex machine at a cost of £3627.00, the funds continued to maintain a healthy balance thanks to the generosity of donors and supporters.

Dr Ronchetti gave more details about the new piece of equipment, saying that it was in use several times a day and had already contributed to the saving of a patient's leg. Dr Ronchetti then took the Chair for the election of officers. He thanked Mike for his work over the past nine years as the Friends' Treasurer and welcomed Jody. Jane Mann proposed Jody Chan-Penney as Treasurer, seconded by Liz Clayton. As Jean Connor, Chairman, and Helen Jackson, Secretary, were willing to stand again, Dr Ronchetti proposed all three be elected 'en bloc' and this was unanimously carried by a show of hands.

The **Christmas Tea** will be held on **Friday 6th December, 2-4 p.m.** in Millennium House and our **next meeting**, also in Millennium House, will be on **Tuesday 17th September at 2.00 p.m.**

All are welcome to attend these events.

VILLAGE HISTORY GROUP

The Group met on Wednesday 29th May in Millennium House at 7.30pm.

The Chairman reported that 'Put On/Take Off' stones at St Ive would now come under the care of the Caradon Monument Watch Group and would be kept an eye on and maintained. An article about these most interesting objects appears on the History Group website (www.pensilvahistorygroup.org). The Group was hoping to be able to visit Trebeigh Manor after the meeting however due to work being undertaken this was not possible at the moment. We hope to be able to visit sometime in the future.

There is a meeting on 18th June regarding the future after the Caradon Hill Area Heritage Project is disbanded at the end of 2013. The Chairman will be attending and will report to the Group. A conducted tour of St Ive Church has been arranged for 26th June and in response to a request by a local university student a guided walk to Gonamena Mine will be organised for the end of July. This will be publicised and will be open to all who wish to attend.

After the meeting the Group took a walk (on a very pleasant evening) around the interesting old part of Pensilva Cemetery.

All Being Well - Monthly Newsletter

Fantastic news this month! All Being Well is now a charity! We have been entered in the Register of Charities with effect from June 1st. It is great that the Charities Commissioners have recognised the work that we do to improve the health and fitness of the local community. We hope that charitable status will also bring some economic benefits because lack of cash has held us back over recent years and has definitely prevented us from delivering an even better service.

We were delighted to join the Pensilva Health Centre's PPG Carers Group meeting on June 11th to talk about how All Being Well can help full-time carers and the recently bereaved. All too often caring for somebody else means not looking after yourself properly. Penny, a long-time ABW member, spoke eloquently about her experiences caring for her parents. She found that snatching an hour away to try to keep herself healthy brought not only physical but psychological rewards because it not only gets you out of the house but makes you feel that at least for that time you are doing something for yourself. As someone else said, it's a chance to break out of the prison of your own home and your own mind. On the subject of cost, we were able to confirm that full-time carers will qualify for a 40% discount and if this is combined with attending "off-peak" then the cost could be less than £2.50 per session for Pay as You Go. Many thanks to Jean Connor and the Carers Group for inviting us along and we hope to see lots of you in the gym very soon!

In the gym, the May challenge was the battle of the sexes. This was very closely contested and the women claimed victory, but then again, so did the men. In other words, everyone was a winner! The June challenge is the annual triathlon which often inspires people to achieve great things!

Apologies to our quizzers that the May quiz had to be cancelled due to illness. Upcoming quizzes are on Saturday July 6th, Tuesday August 6th (Gala Week), Saturday September 21st, Saturday November 9th and Saturday December 14th. Keep well.

BEAN CUISINE ANOTHER exciting new development that the Growing Project will soon be bringing to you is the delivery of organic products such as rice, beans, pulses, flours and other dried goods with our veg boxes. To celebrate these new products, we are giving a FREE cookery demonstration at the Project premises on Saturday July 27th. Titled Bean Cuisine, the demonstration starts at 4 pm and will be followed by a feast of organic, freshly prepared food for just £5 per person and kids eat free! So if you want to learn more about cooking delicious, budget-friendly, healthy, low-fat food and relish the chance to chill out and catch up with your neighbours, join us! There will also be guided tours of the Project – so come and learn more about volunteering with us, booking a fantastic value weekly box and collect money off coupons. To book for the feast, call us on 01579 363684 or email thegrowingproject@orangehome.co.uk. No need to book to attend the demonstration only.

INCREDIBLE EDIBLE PENSILVA we attended the Parish Council Annual Meeting earlier this month to talk about our ideas and see whether we could get support from the Parish Council. The meeting felt that the idea had merit and the councillors present asked us for a plan to 'green up' the area in front of Millennium House and have some attractive spaces for growing food. We would love to get your ideas and propose that, if we have sufficient interest, we meet to map something out together for presentation to the Council.

COMPANION GROWERS we are very happy with our present supplier of wholesale veg, which we use in the boxes to supplement our own produce. However, we would prefer to support and be supported by other growers, helping us meet that need more locally. If you presently grow bulk crops organically (carrots, potatoes, onions) or if you would like to, or have extra produce from your allotments or gardens, please get in touch: we would love to know whether we can work together to build a robust local producers network here.

VEG BOXES we can still accept more orders for veg boxes...peas and strawberries are in now, with beans due soon. We are buying our organic milk, butter and yoghurt from Riverford now and would be happy to order more for you; the price is comparable to the supermarket, but the quality is better.

FENCING many thanks to Cray Kent and his team, who did a great job.

PENSILVA W.I. JUNE MEETING REPORT

The confessions of a Press Photographer were the subject of the talk given by Mr Andrew Besley. Andrew was brought up in Paington and had been a keen photographer from a young age. He started his working life as a freelance photographer, taking mostly photos for women's magazines, this leading on to work for the national newspapers. As a very young cub reporter and keen to get a good story, a visit to a pub in the East End of London led to him being given the address of the Kray twins. Taking his camera he climbed the stairs to their flat only to be met a big burly chap who broke his camera and threw him down the stairs. He very quickly learnt to be more careful. Once taking photos of a visit to the West Country by Margaret Thatcher, eggs that were thrown at her, missed and hit him. She never forgot and they became good friends and quite often giving him the opportunity to take exclusive photos of her visits. Although he didn't always agree with her politics he had a lot of respect for her. His fascinating talk gave a surprising insight into what goes on behind the scenes of how the photos and reports are obtained and reported. He became very disillusioned with London and the national press. Reports that were submitted were changed and lies written using his name. Moving to St Ives with his family he became involved with Culdrose and the fishing industry, taking dramatic photos of sea rescues and we were able to see a selection of his brilliant work. He was warmly thanked by Yvonne Gilbert.

Jean Hoare thanked everyone for their magnificent support for the coffee and cake morning held at her home for The Chernoble Children's Holiday Project. £283.00 was raised. 12 children are staying with local families. Jill Pascoe reported that the schedules for the Horticultural Show are now available from Millennium House, so please start thinking about your entrees for this year's show. Frances Tucker president reminded us of the boat trip from Looe to Polerro on Sunday 7th July leaving from Looe Harbour at 2pm. Cost £15.00. Names and payment to Verna Dawe as soon as possible please. Also of a visit to Sterts on the 26th July to see "The Sound of Music".

Two members, Doreen Jeffrey and Elsie Borsby received cards and birthday posies this month.

Competition: a Limerick about the Press. 1st Jill Pascoe, 2nd Belinda Smith, 3rd Elaine Burdon.

Flower of the month. 1st Belinda Smith, 2nd Mary Gilbert, 3rd Verna Dawe.

The next meeting: Wednesday 10th July: Millennium House at 7.15pm. Chris Rounsevell will give a Talk and Demonstration on Sausage making. Competition: 4 Sausage Rolls.

Visitors and new members are very welcome.

Hi everyone,

At the time of writing this, the park installation team have arrived so we now wait in anticipation to see the end result! The immediate plan with our current funds is to ensure the park is fully installed, re-turfed and inspected by 1st August. This will mean the park will be open for Gala Day and can be enjoyed throughout the majority of the summer holidays. Please could I kindly request that no one is to attempt accessing the park during installation even when it appears to be

complete due to allowing turf to take etc.

We are currently looking into building a path around the perimeter of the park which will give access from the car park to School Road and will also act as a scooter/cycle path for younger children. This, along with fencing and benches will be dependent on cost and funds available so we will keep you updated on this.

There are a large number of people we have to thank for ensuring the park was demolished and cleared ready for the installers.

On Sunday 26th May, a group of male volunteers arrived at the park at 8 am to start the demolition. They worked extremely hard in the heat and thanks to them we were able to complete the work all in one day. It was another display of fantastic community spirit with refreshments provided by a dedicated group of ladies! We are very grateful to all the men who worked so hard but in particular there are 2 people who without them, the whole day would not have been possible – Rich Rendle and Trevor Webb – thank you both so much !! Also, thanks to CBL Ltd, Steve Hoskin Construction Ltd and Charles Wadge from The Victoria Inn for their contributions.

There is still lots to do to see this project through, so if anyone would like to get involved, please contact either myself, Vicki Payne or Keira Rendle. Alternatively, you can contact us at pensilvaparkproject@hotmail.co.uk

Hear to Help – 1 Year on:

Hello Everyone – I find it hard to believe that we have been running our hearing aid support drop-in service at Millennium House for a whole year now, how the time has flown! I just wanted to take this opportunity to say thank you to all those who have come along and made use of our service and to remind those of you who haven't yet paid us a visit that we are still there.

The drop-in is on the 1st Wednesday of the month between 10.00 and 12.30pm and you can find us upstairs just by the gym. We can clean, re-tube and provide you with batteries, unfortunately we cannot repair or re-tune the hearing aid.

Nick and Liz are the regular volunteers who run the drop-in and they can also provide you with information and advice on getting the best out of your aids and other useful equipment. If you haven't got hearing aids but have concerns about your hearing drop-in for a chat and take away some free information.

Other local Drop In service :-

Liskeard. Oak Tree Surgery (2nd Thurs 2.00 – 4.30pm)

Launceston Medical Centre (2nd Friday 2.00 - 4.30pm)

Torpoint. Chatlink, Old School House (4th Thurs 10.00 12.00noon)

Callington Surgery, Tamar Valley Health Centre. 4th Fri 10.00 - 12.00noon)

If you want to know more about the service or maybe even fancy joining our friendly group of volunteers please feel free to contact me:

Lasting Power of Attorney

Lasting Power of Attorney is the only method of giving authority to deal with your affairs if you are unable to. Separate documents are needed in respect of Property & Financial Affairs and for Health & Welfare. You can only appoint whilst you have sufficient capacity, so we all need to act as soon as possible. If we don't, it could be too late.

Save your home from being sold should the unexpected happen

A Will would not fully protect your property during your life because its terms do not come into effect until you've died. It would be too late then. Marriage, Divorce, Re-marriage, Insolvency, Bankruptcy and Poor Health are just a few of life's eventualities that can lead to the loss of inheritance. Professional advice needs to be sought in order to **ensure** your estate will pass to your loved ones.

Planning for the Future

It is not surprising that our own mortality is not high on the list of our favourite topics of conversation. Very few take the common sense step of making a Will, yet if a little preparation is made you can provide for your family and loved ones and ensure your wishes are carried out after you've passed away.

Have you appointed **Lasting Power of Attorney**?

Have you **protected your property** by placing it in a **Trust**?

Do you have a pre-paid **funeral plan**?

Would **equity release** be of benefit or consideration?

Have you written a **Will**?

Kilmar House Residential Care Home

**We pride ourselves on being different!
01579 343066**

Kilmar House is the smallest elderly residential home in Liskeard and the personal touch really shows. Each resident is treated as an individual who is free to spend their days as they wish.

We have no rigid routine or schedule that you need to fit into, you tell us your schedule and that is what we work towards!

We maybe the smallest home but have a very large house with lots of rooms for residents to spend their time how they wish. We have all the required facilities and activities to make your stay very comfortable as well as a large and productive garden to enjoy.

Please come and visit our beautiful Jacobean home which has been lovingly restored and maintained. You do not need to make an appointment to come and look around, we will always be pleased to welcome you.

We are pleased to offer permanent placements in some of our most beautiful rooms, some with en-suite facilities as well as respite and day care to whatever suits your needs.
