St Ive Parish Council would like to point out that the articles appearing in this magazine do not necessarily reflect the views of the Parish Council.

Hello Everyone.

I hope you remembered to put your clocks back last month. I always think there is something nice about winter evenings, sitting in front of the fire watching a bit of telly with a glass of something, the wind and rain battering the windows. Oh sorry, I was having one of my fantasy moments. Please be careful during the darker nights when driving around the parish and be aware of pedestrians and cyclists.

The Pensilva Wildlife group are holding a Barn Owl nest box workshop on Nov 3rd. I am looking forward to attending with my tea chest and making one of these. (See page 15 for more info)

Ruth Hicks is taking voluntary redundancy from Millennium House after 15 years. She is bound to be missed by the staff, volunteers and patrons. I would like to thank her for all the hard work she has done for Millennium House and especially the help she has given me since I took over as editor of the Parish Pump. I understand she will still be holding the monthly bingo with Colleen. Best wishes for the future Ruth.

A presentation by the St Ive Parish – Neighbourhood Development Plan – Working Group
with questions and answers.

From Cllr Steph McWilliam – October 2013

Thank you so much to those people who contacted me with their thoughts on the most appropriate rise in council tax. The responses were pretty closely split between those who don't want to see a rise (or only a modest one) and those who want to see services protected. It is difficult in the current climate. People on low incomes struggling to pay their bills are worried about any increases, whilst those depending on those services are worried that help won't be there. I will keep you posted on future developments.

I attended an event on Neighbourhood Development Plans at Bodmin, which was very well supported. There is certainly a lot of interest in this at the moment. There were two speakers from the Department for Communities and Local Government (DCLG) who answered many questions from the audience and cleared up a few points that had been causing concern.

At another meeting there was discussion about the management of the animals on the moor. Many people may still be unaware that there is a vet who monitors their welfare and acts when required. The message is still not to feed the animals please. It may be well meaning but it does more harm than good.

Finally, Cornwall Councillors are being asked to discuss with our parishes the need for an emergency plan. This doesn't need to involve a huge amount of work but, should there be a serious incident in your area, it can be a big help to have that local knowledge stored somewhere accessible. It isn't about trying to think about and plan for every possible type of disaster, which would be impossible. It is just to have a record of names and contact numbers of builders, electricians, plumbers, medical personnel, vets, possible emergency accommodation and other help that might be available locally. I will be talking to parish councils about this but, if you think you have skills that might be useful, please look out for requests for help and be ready to volunteer.

Thank you.

Letter received from Ruth Hicks via email

If you don't know already I am leaving Millennium House on the 8th November. This will be quite a sad day for me as I have enjoyed most of my time here, meeting lots of different people from all sorts of groups in the village and also from outside. Some of these people have become friends through work and visiting the centre. There are too many people to thank individually but to all the people that I have worked along side in any way at all I thank you for all of your support. This is becoming difficult for me to find the right words now and I am feeling rather emotional so must end while the paper is still dry. All my love to you Ruth

The Latest from Your Parish Councillor - Martin Corney

By the time this goes to press the window of opportunity to make representations to Cornwall Council about the Neighbourhood Area for the St Ive Parish Neighbourhood Development Plan will be closed – it ends 25th October. No other parish has had a single comment at this stage in the process, so I expect that we will be made an approved area this month. So now that that bit of bureaucracy is out of the way, we can get on with finding out what you want the future of the parish to be, and making it happen.

It's not straightforward looking at the future of the parish. Three hundred people in St Ive right on the A390, so good communications, but with few facilities. Then we have two thousand people in Pensilva, with the school, surgery and industrial estate, but at the end of narrow lanes. The trend shows an increasing number of retirees joining the community, while the lack of jobs for the young drives them away. This skews the population towards the elderly, with a surprisingly large number of single occupancy dwellings. I'm working on the Community Profile document which shows the current state of the parish, which is why I see these issues which our Neighbourhood Plan will need to address.

The Neighbourhood Development Plan Working Group has now been given Terms of Reference by the Parish Council, which at least gives us all an idea of what we are supposed to be doing. We will be looking to include "local members of the community who can bring value to the project" in the working group, so keep a look out for forthcoming events.

The Facebook Page "St Ive Parish Council" (which non-Facebook users can view at www.facebook.com/stiveparishcouncil) is being updated regularly with local news items. Tell me if you want different items, or join in and be an editor/contributor. Maybe your group wants some internet visibility for your events – just ask.

The parish web site is still very much a "work in progress". I'm still looking for contributions – background information about the parish would be good. Also, if you want to learn and join in creating the web site, I'm still looking for volunteers.

Phone me, email me on martin.corney@btinternet.com or "martin corney blog st ive" in search engines will find my blogs for you to comment on.

PENSILVA HISTORY GROUP

The History Group held their monthly meeting on Wednesday evening 25th September at 7.30pm in Millennium House. Since this was the Group's first meeting since June, the chairman took the opportunity to catch up with business and happenings through the summer.

The visit to St Ive Church in June was very interesting. The Group were made very welcome and given an informative tour followed by a very hospitable tea and biscuits. The chairman read out a letter of thanks from Mr Ken Wilcock for a small donation the Group had made to the church funds. In July the Group had organised a walk around South Caradon Mine and the Gonamena valley. The walk was led by Mr John Manley who is a member of the Trevithick Society and an expert on the local mines. The walk was well attended and the evening mist that came down heightened the moorland atmosphere.

The Group had received several enquiries on their website (www.pensilvahistorygroup.org) over the summer and had answered them as best they could. One enquiry regarding a hanging in Goodman's Lane brought to light a sad tale of a suicide there in the 1930s that none of the Group were previously aware of. The chairman has also been in contact with a Mr Paul Tregilgas in New Zealand. Paul's ancestors are from Pensilva and the surrounding area.

BOOKING ESSENTIAL - DON'T MISS OUT!

PENSILVA VILLAGE HALL

Pensilva Village Hall collects paper for recycling newspapers, junk mail, catalogues and telephone directories.

These can be dropped off at the Village Hall.

Thank you to everyone who left paper in the last month but please note we can not recycle brown paper, brown envelopes or window envelopes unless the window has been torn out.

We have been paid for January's paper collection which generated £177 which has paid for the annual fire safety inspection, this included replacing one of the fire extinguishers. Now that we have been paid we can send off the next load hopefully to be paid a bit quicker.

Any one wishing to book the hall for Meetings, Birthday Parties or Fund Raisers please contact Peter or Jackie Browning on

DONATION Clair and Jonathon Poole in the village have kindly donated over £100 to the project, after Jon's mum Margaret died recently. We are very grateful and this is what they said about her:

Margaret took over her husband Harry's vegetable garden after he suffered a stroke and always grew runner beans and Ailsa Craig tomatoes. Every Spring the house was filled with seedlings on every available surface: she has passed on all her recipes in a family cookbook.

When she died we knew she wouldn't want flowers as she preferred growing plants to cut flowers and the family wanted to know who to make donations to. The Growing Project was ideal. She would have appreciated the aims of the project and at her funeral everybody agreed it was the perfect choice. She and Harry are now buried in Tokenbury Cemetery.

PENSILVA WI

Carol Horsington inspired us with her talk and demonstration on Basketry at the October meeting of Pensilva W.I. She brought along a selection of some of her work and explained the different uses for the baskets, including a cherry basket which she had copied from an old photograph. These baskets were used by the market gardeners in the Tamer Valley to harvest cherries, also a small boat shaped basket which the travellers use to make and sold from door to door. Carol explained that baskets can be woven from almost anything. As well as the usual willow, different woods such as ash, dogwood even wild rose vines and brambles with the thorns removed are used. With Christmas not too far away she showed us how to make a willow wreath which could be kept from year to year, and decorated with holly etc. A workshop is planned for 21st November when Carol will show us how to make decorations for Christmas, including little willow Christmas trees. Frances Tucker our president gave the vote of thanks and said how much we are all looking forward to her workshop.

Horticultural Show: This was another successful show with entries up on last year. Frances thanked all who had worked so hard on the day and throughout the year, especially Jill Pascoe show secretary and Belinda Smith.

Macmillan Coffee Morning: £306.00 was the magnificent final total. A big thank you to all those who supported this event.

Diary dates: Wednesday 20th Nov. A coach trip to Truro for shopping and the City of Lights Parade. This is open to all. To book ring Normer Brice 362607.

3rd Dec. Christmas Ideas with Jo Colwill at Cowslip Workshop, Launceston.

8th Dec. Lunch at Lanhydrock Hotel and Golf Club.

Competition winners: Foliage Arrangement. 1st Gillian Pankhurst. 2nd Verna Dawe. 3rd

Sue Turpin. Flower of the Month. 1st Gillian Pankhurst. 2nd Jill Pascoe. 3rd Mary Gilbert.

Plants and cards were presented to four birthday girls this month, Pat Anderson, Liz Clayton, Verna Dawe, and Mary Gilbert.

Next Meeting: Wednesday 13th Nov at 7.15pm at Millennium House, when Peter Larvis will talk and show slides on The Lost Gardens of Heligan. Competition: An Old Garden Tool.

Visitors and new members welcome.

Any enquires ring Frances 363718 or Jean 362531.

Incredible Edible Pensilva

HOW TO ADD YOUR VIEWS TO THE PLAN

The Parish Council, The Growing Project, Pentiddy Woods, Pensilva Wildlife Project and Caradon Hill Area Heritage Project are working together to improve the grounds at the front of the Millennium House.

The idea is to make an attractive and productive garden, which supports wildlife, grows food and brings the community together in the centre of the village. We want smell and year-round colour, education and fun, community involvement and co-operation.

We want to hear from young people, older people, people with mobility and sight impairments, families, school groups and growers...and others in between.

In the lobby of Millennium House, there is an outline plan of the grounds: we think most of the present shrubs will go and that we will put in some native and fruit trees, bird boxes, raised veg beds and wildlife planting. If there is something that you think would make this development more attractive, or that would tempt you to spend time here, working alongside others or just hanging out, please write it on the plan.

On 19th November, we will have a day to pull all of this together into a design we can work to: that will be an exciting day, so please come and let us know to expect you.

The ideal place to find Christmas Presents

Every Monday and Wednesday, if you're in the vicinity of the Co-op car park in New Road, Callington around 5.30pm, you may be surprised to hear roars coming from the Scout HQ. That will be the Little Dragons practicing their lion press-ups!

Brit Spirit's Little Dragons is a programme of Martial Arts based FUN for 4 to 6 year olds. These unique classes follow a tried and tested formula designed to cater specifically for the needs of this age group, giving them the very best start in life. The classes are 30 or 35 minutes long, as this is the optimum attention span for younger children and are designed to challenge, motivate and develop their life skills. Our key objectives are to instil confidence, discipline, fitness, focus and FUN!

Brit Spirit is a Martial Arts club with a difference. While we have some very successful champion athletes, we don't believe Martial Arts should be limited to the young and super fit. We make our classes accessible for all. We welcome absolute beginners and advanced students of all ages and abilities.

For the bigger people, we have Taekwon-Do (age 6 to adult) and Kickboxing (age 12 to adult) classes at the same local venue. Our credentials are second-to-none, with verifiable lineage and affiliations to world class organisations and world champion athletes, all brought to you in Callington, at a local club level.

The first two weeks training are completely free and without any obligation. Visit our website at www.britspirit.co.uk, call us on 07934 767427 or pop in and see us any Monday or Wednesday. And don't be scared by the roaring... it's only the Little Dragons doing their thing!

Kilmar House Residential Care Home

We pride ourselves on being different!
01579 343066

Kilmar House is the smallest elderly residential home in Liskeard and the personal touch really shows. Each resident is treated as an individual who is free to spend their days as they wish.

We have no rigid routine or schedule that you need to fit into, you tell us your schedule and that is what we work towards!

We maybe the smallest home but have a very large house with lots of rooms for residents to spend their time how they wish. We have all the required facilities and activities to make your stay very comfortable as well as a large and productive garden to enjoy.

Please come and visit our beautiful Jacobean home which has been lovingly restored and maintained. You do not need to make an appointment to come and look around, we will always be pleased to welcome you.

We are pleased to offer permanent placements in some of our most beautiful rooms, some with en-suite facilities as well as respite and day care to whatever suits your needs.
