Disclaimer

St Ive Parish Council would like to point out that the articles appearing in this magazine do not necessarily reflect the views of the Parish Council.

Hello Everyone.

How wonderful it was to see so many of you on the playing field on Gala Day. The fancy dress procession brought back memories of former carnival days. Well done to the organisers. Everyone seemed to be enjoying the different entertainment on the field. The climbing wall, crazy carts and bouncy castle looked busy and the "Arrowbarrows" were very entertaining. It was a shame the weather closed in midway through the afternoon.

The new play park was also officially opened on Gala Day. This proved a big hit with the youngsters. We had young children staying with us the following weekend and they thoroughly enjoyed playing on the equipment. They thought our village children were extremely lucky to have such a "cool" park.

I am receiving more "free ads" every month. I may have to take some of the older ones out to make space. If you find your advert has disappeared and you would like it replaced, please let me know.

Enjoy the rest of the summer.

2nd Monday monthly: Parish Council Meeting, alternating between St Ive Village Hall and Millennium House (please refer to notice boards for the agenda showing start time and venue each month). Any changes to the regular dates (i.e. Bank Holidays etc.) will be publicised accordingly.

4th Tuesday Monthly: Parish Council Planning Committee Meeting, 7 pm at Millennium House Pensilva, followed by the Parish Council Finance & Administration Committee Meeting commencing at 7.30 in the same venue.

From Cllr Steph McWilliam – August 2013

There is little to report this month. Although there is work going on in the background, there are fewer meetings, with people being on holiday or having family and friends visiting. However, it is all discussion at this stage rather than any decisions being made.

Neighbourhood Development Plans are still being considered by parish councils and communities. The dilemma is that they are time consuming, expensive and quite complicated but they are the best chance of local people having some say over housing, business premises, renewable energy projects and other developments in their area. If you hear of anything going on locally, do please get involved.

I'm sure in a couple of month's time I will have difficulty keeping these reports from Cornwall Council down to a reasonable length but, for now, there is little else to say.

In the meantime, what a wonderful gala we enjoyed this year. The opening of the new Sunflower Park, the restoration of the procession and the 'Arrow Barrows' were enjoyed by all, whilst the climbing wall proved a great hit with our younger or more adventurous parishioners. The tried and tested favourites, such as the stalls, fancy dress and beautiful baby competition, plus the Tavistock Twirlers, Crazy Karts and 'It's a Knockout' were as popular as ever and I can't remember seeing so many people coming together to have fun for many years. It was also great to see people who grew up here coming back for the event. Congratulations to Ruth and all concerned. I am very proud to live in such a vibrant community.

I do hope you enjoy the summer and make the most of living in such a beautiful part of the world.

Thank you.

Road Naming

We have had a request from Ferndale Developers for suggestions for a road name for the new site in Fore Street, Pensilva.

Please contact the Parish Clerk, Angela Fisher by email on stiveparish@btconnect.com or 01579 363096 with any suggestions.

Thank you.

The Latest From Your Parish Councillor - Martin Corney

Well I did enjoy Pensilva Gala Day, I saw the young and adventurous resolutely facing the challenge of Pam's Climbing Wall, I manned the Pensilva Wildlife Group stand briefly, and had difficulty holding my camera steady, I was laughing so much at the Arrow Barrows. The light summer mist then drove us indoors, where I helped Steph and Ruth draw raffle tickets. Some of those prizes were still in the office, waiting to be claimed, last time I looked. Anyway, a really great day was had by all. So many thanks to all those who organised it so brilliantly, especially Ruth. After the fun, now back to the serious stuff.

For my own personal use, I've created a few interconnected blogs on Blogspot, so that you can send me comments. Most search engines will find them if you enter "martin corney blog st ive", and I promise to publish all polite comments. This is a chance for you to tell me what you think. Blogs so far cover; my Parish Pump contributions, internet for the parish, the parish Neighbourhood Development Plan, and my Green thoughts.

The Parish Council have asked me to lead a steering group looking at how we can best use the internet for the benefit of the community. I've created a Facebook Page "St Ive Parish Council" which non Facebook users can view at www.facebook.com/stiveparishcouncil. We will keep this page updated with parish news items such as road closures, and parish council meeting agendas and minutes. Facebook users can "Like" the page and automatically receive these news items in their news feed. The Facebook news feed is a bit like creating your own personal newspaper with articles from just the sources you are interested in. I think this has real potential.

In order to keep improving how we use the internet my next project will be sorting out the parish web sites. I'd like to get a group of us involved. If enough people are interested in volunteering for work experience, I'd really like to form a Community Interest Company based around internet services. I think there are lots of local groups and businesses that would like a web site. Please check out my blog for more details.

Finally the Parish Council have asked me to lead a working group for creating a Neighbourhood Development Plan. (If you want something done fast, give the job to someone who's busy.) A Neighbourhood Development Plan is our chance to decide how new building projects and other developments happen in the future. The whole community can be involved in this. There will be a need to gather your views, and at the end we all get to vote in a referendum, which gives the Neighbourhood Development Plan legal weight. My blog has links to more information I've found on the internet, but remember that it's not the official way to feed back opinion to the Parish Council. We are still working on that.

MEMORY CAFÉ

The Pensilva Memory Café has now been running at St. John's Church since April this year. The Memory cafe is a meeting place which offers, in an informal setting, help and support to people affected by memory problems. The invitation extends to carers, family and friends, as everyone is 'affected'.

Operating on a 'drop-in' basis, it gives participants the chance to exchange experiences and information, receive practical information and emotional support. One of our aims is to help participants put together a 'Memory Book' to help to stir up past and present memories, with photographs, articles and letters that help tell that persons' life story.

We hope to invite people to come and talk about different aspects of living with memory problems and we will be asking participants to give us some ideas of how they would like to see the Memory Café develop. We hope that this informal setting provides emotional support and reduces the isolation often felt by people with dementia, their carers and families.

Please do come along, and bring those you care for. Carers will all be very welcome, as well as those of us who need prompting to remember what day it is! See you on the fourth Thursday of each month at 2pm in St. John's Church, Pensilva. We would still welcome more volunteers to help in the Café.

If you are interested and would like to volunteer please come along to the Café or ring Carolyn on 362698.

PENSILVA HISTORY GROUP

CONDUCTED WALK TO SOUTH CARADON AND GONAMENA MINES WEDNESDAY 24TH JULY 2013

REPORT FOR CHAHP

The History Group organised a conducted walk which was open to all comers on the evening of 24th July 2013.

The Group were fortunate to have been able to engage the services of Mr John Manley of the Trevithick Society and Caradon Mine Exploration Group to accompany the walk and give us the benefit of his vast knowledge and experience of the mines of the Caradon Hill Area. Also accompanying the group was Miss Lucy Nutt from St Cleer village. Lucy is a second year Oxford University student and had requested Pensilva History Group organise this walk and that she come along and interview the walkers. She is currently doing a study into how people react to and interact with their environment.

We numbered twelve people in the group and set off from Tokenbury Corner at 6.30pm in a gathering moorland mist which added atmosphere to the walk as it swirled around the chimneys and remains of the engine houses. We stopped and viewed Holmans Shaft engine house which was built in 1875 to hold a 70 inch beam engine. The remains of the building have recently been worked on with the help of the Caradon Hill Area Heritage Project and Cornwall Council to keep the remains of the building stable and prevent any further deterioration in the future. The walk continued westwards and after a short deviation from the main track arrived at the ivy clad Jopes Shaft engine house. This is a very impressive building which housed a 42 inch Sims compound engine which was replaced by a 60 inch in 1862. The engine house is in good condition with the cylinder bedstone still in place. The renowned engineer William West installed a man engine at this mine near Jopes Shaft in 1872, the last one to be installed in Cornwall.

We continued down the track and into the deep and impressive Gonamena valley. The Victorian author Wilkie Collins visited this site in 1850 when it was a fully working mine and in his book 'Rambles Beyond Railways' describes the sights and sounds that he and his companion experienced when coming upon this valley. John explained how the tin and copper lodes in Cornwall were formed and how they run from east to west. He also told the group about the lucky accident that resulted in Captain James Clymo discovering the piece of copper ore that led to the formation of South Caradon Mine, one of the richest in Cornwall. John also pointed out traces of ancient tin streaming at the head of the Gonamena valley which is where the walk ended.

The group returned to Tokenbury Corner at 9.30pm.

PENSILVA WILDLIFE GROUP TRIP TO THE OTTER SANCTUARY

The wet start did not dampen the spirits of the group of 19 wildlife and otter spotters that gathered at the Tamar Otter and Wildlife centre.

The day started with a Bird of Prey talk given by Emma, a young lady with a huge knowledge and understanding of her subject. Emma told us that an Owls' eye colour can give an indication as to its activity time. An owl with very dark eyes is normally active at night (nocturnal), an owl with yellow eyes is active during the day (diurnal), and an owl with orange eyes is active at dawn and dusk (crepuscular). The Snowy Owl was a real eye catcher, but for me being able to get up close and personal with our native Kestrel was a real highlight. There was an opportunity for everyone to hold several of the birds on the glove. Which many of the younger ones in the group, and a few of the mature ones too, thoroughly enjoyed. The weather then started to improve and we were in sunshine for the rest of the day.

My family group then moved on to wander around the rest of the centre looking at the otters, chipmunks, wallabies, and deer. We loved being able to feed the deer, they took the food very gently from our hands. We kept a look out for Dasher the 3 legged Muntjac, but sadly he did not make an appearance. The wallabies were very popular with their joeys just visible from the pouch. The rarest British mammal was rather shy when we peered into its enclosure but other wildlife enthusiasts assured us that the Scottish wild cat was definitely in there. As with all wildlife watching, patience is the name of the game!

The centre use their natural resources to good effect leaving plenty of log piles around for bugs and other wildlife to use for food and shelter. There is a programme of coppicing and bird, bat and dormice nesting sites. Ducks, geese and peacocks were in abundance. The children loved picking up the wide array of feathers found around the centre.

The final treat were the obvious stars of the centre. Once again, whilst feeding the otters, Emma gave us an interesting talk on all aspects of the otters. Otters have to eat twenty per cent of their body weight every day to survive. So they are fed four times a day with a diet of cod and mackerel. After their decline between the fifties and seventies a programme of reintroduction started and today it is thought that otters can be found in all counties of Britain. The centre has a large colony of Asian short clawed otters and several smaller family groups of British otters. Otters have an interesting 'musk' that permeates the whole otter area, the youngsters in our group thought it smelt like tuna. The otters gave us a very dextrous demonstration of swimming and diving for their food.

The day was finished off with a trip to the centres café and shop, where ice-creams were the order of the day. Everyone agreed that it had been a great day out.

CAN YOU HELP PLEASE

The Pensilva Wildlife Group urgently require Tea Chests for a workshop to construct Barn Owl Boxes. We have 12 local farmers who would like to encourage these birds back to their farms. Please telephone **01579 362539** or **362905** if you can help

PENSILVA VILLAGE HALL

Pensilva Village Hall collects paper for recycling newspapers, junk mail, catalogues and telephone directories.

These can be dropped off at the Village Hall.

Thank you to everyone who left paper in the last month but please note we can not recycle brown paper, brown envelopes or window envelopes unless the window has been torn out.

We have been paid for January's paper collection which generated £177 which has paid for the annual fire safety inspection, this included replacing one of the fire extinguishers. Now that we have been paid we can send off the next load hopefully to be paid a bit quicker.

Any one wishing to book the hall for Meetings, Birthday Parties or Fund Raisers please contact Peter or Jackie Browning on

A DATE FOIR YOUR DIARY Some of the local organisations I mentioned last month have met to start with thinking about developing the area outside Millennium House as an interactive educational wildlife and food-growing area for the whole village. We are excited about the possibilities and keen to meet all of you interested in taking this forward. To succeed, we need a group of us working together with the Parish Council, so come along on **11 a.m. Monday 9th September**, if you want to get 'hands-on' with creating something gorgeous in the centre of our village.

CROPS We've had some fantastic crops this season; masses of strawberries, blueberries, blackcurrants, onions, potatoes, peas and courgettes, with beans, tomatoes and chillies just coming on. We are about to start our autumn planting and getting some late summer crops in too, so it's all go indoors and out.

VOLUNTEERING Now is a great time to volunteer; not too hot and not too cold, so do come along ON Weds 10 a.m. – 2 p.m. lunch provided. We've had some children helping over the summer holidays and that has worked so well we will offer family days in the October half term too

SUPPORT YOUR LOCAL VEG BOX SCHEME We offer the following fruit and veg boxes, or you can create your own –please contact us to get a full price list:

£7.50 box for 1/2 people - a seasonal range of up to 8 items including potatoes, carrots and onions.

£10 box for 2/3 people - larger quantities with additional items such as greens, garlic and herbs.

£12.50 box for up to 4 people - as above with the addition of items like peppers, aubergines and spinach

£15 box for 5/6 people - as above in larger quantities

£5 fruit box - apples, bananas and oranges with seasonal additions such as strawberries, plums or cherries.

COMMUNITY COMPOSTING SHEME don't forget that we are happy to receive your grass cuttings and garden waste to help generate more green waste compost. Keep it coming and we'll keep turning it into a great soil conditioner to grow food.

The Growing Project CIC is a Community Interest Company producing organic fruit and vegetables and developing training for local people. We are a group of people who have opened the growing space at Kenwyn to the community and welcome volunteers for all sorts of jobs.

PENSILVA W.I AUGUST MEETING REPORT

The August meeting of Pensilva W.I was held at Penharget Farm, the home of our president Frances Tucker and her husband David. We started the evening with a short talk by David who told us some of the history of the farm and of the people who have farmed there in the past. Although not the original farm house the farm is mentioned in old parish records. We then all climbed into a purpose built trailer to be shown around the farm. Having a close up encounter with a heard of inquisitive young bullocks was a new experience for some of our members, but thankfully from the safety of a trailer. We were then taken to see the sheep and the potato fields. David explained about the meat and potato production and the growing processes it has to go through before it reaches our plates.

Then it was back to the farm for a real barn supper in one of the big barns used for storing grain. Frances had laid out tables with table cloths and flowers on the tables. After a short meeting when birthday posies were presented to four members including Frances, we all enjoyed a lovely supper. Frances and David and their family were warmly thanked by Jean Hoare for a very enjoyable evening which I'm sure we will all remember for a long time to come.

We were reminded of some forthcoming events most importantly our Horticultural Show on the Saturday 14th September 2.15pm at Millennium House . This year it will be opened by Sheryll Murray M.P. The show is open to all so please support this village event. Schedules are available from Millennium House or members.

Sew, Knit and Natter on the last Tuesday of each month 2pm at Millennium House. This is open to all and none W.I members are very welcome to join us.

Tuesday 3rd September, St Neot W.I Evening walk. Meet 6.30 for 7pm at St Neot Village Hall. Saturday 7th September, Last Night of the Proms 7.30pm at Sterts.

Tuesday 24th September, Autumn Planting for Spring Glory 10.30am Eagle House, Launceston. Saturday 28th MacMillan Coffee Morning at 10.30am at the Village Hall. Bring and buy and Raffle.

Our next meeting: Wednesday 11th September at 7.15. at Millennium House will be a Talk and Demonstration on Decorative Painting by Valerie Watson.

Hear to Help – 1 Year on:

Hello Everyone – I find it hard to believe that we have been running our hearing aid support drop-in service at Millennium House for a whole year now, how the time has flown! I just wanted to take this opportunity to say thank you to all those who have come along and made use of our service and to remind those of you who haven't yet paid us a visit that we are still there.

The drop-in is on the 1st Wednesday of the month between 10.00 and 12.30pm and you can find us upstairs just by the gym. We can clean, re-tube and provide you with batteries, unfortunately we cannot repair or re-tune the hearing aid.

Nick and Liz are the regular volunteers who run the drop-in and they can also provide you with information and advice on getting the best out of your aids and other useful equipment. If you haven't got hearing aids but have concerns about your hearing drop-in for a chat and take away some free information.

Other local Drop In service :-

Liskeard. Oak Tree Surgery (2nd Thurs 2.00 – 4.30pm)

Launceston Medical Centre (2nd Friday 2.00 - 4.30pm)

Torpoint. Chatlink, Old School House (4th Thurs 10.00 12.00noon)

Callington Surgery, Tamar Valley Health Centre. 4th Fri 10.00 - 12.00noon)

If you want to know more about the service or maybe even fancy joining our friendly group of volunteers please feel free to contact me:

Hi everyone,
Well at last the park has been officially opened! It is lovely to see so many children of all ages enjoying the park including many from other towns and villages. We have received many compliments so I think we can say the project is a success! The children's faces have made the hard work so worthwhile. We have had good media coverage so far on ITV Westcountry, Radio Cornwall, Radio Plymouth and The Cornish Times which has been an experience!

I would like to thank the whole community for their patience and support in what has been a very intense project from start to finish. However the team around us have made it very enjoyable and rewarding. On behalf of myself, Vicki and Keira, I would like to thank all of our committee, parents, councillors and children who contributed to our lovely cards, gifts and flowers. They really were a lovely surprise!

Although our committee have completely managed this project, I would like to point out we have had fantastic support from Cornwall and St Ives Parish Councillors. They have given us a free rein at all times and responded to our wishes and demands promptly! In particular I would like to personally thank Peter Dipper, Steph McWilliam, Paddy Long and John Turner for being such great mentors. Also, thanks to Angela Fisher for her input with administration. It has been a real pleasure to watch the children and teenagers play on the numerous pieces of equipment with smiles on their faces and the vast majority are treating the equipment with the respect it deserves. It is great to see older and younger children playing together, side by side. Congratulations to those teenagers who are helping to litter pick and let younger children have their turn. Many of those I have spoken to are aware of the importance of preserving the life of our park. We do hope that in the future good behaviour will be rewarded with further projects to provide extra recreational facilities. However, should anyone witness any unreasonable behaviour towards others or the equipment, please do report this to the Parish Council via the telephone number on the sign or at Millennium House as those involved will be held responsible.

I must also remind you of those companies who have provided grant funding without which this project would not have been possible. In particular, Viridor Credits and SITA Cornwall Trust who provided the majority of our funds through the Landfill Communities Trust. Also, thanks to the Cornwall Councillors Community Chest and the Caradon Area Community Fund. I will publish a full list of contributors in the next update!

At time of writing, "A Taste of Thai" recipe books are still available at Pensilva Stores! This project is not over as we would like to provide picnic benches, fencing and a path so bye for now but watch this space!!

All Being Well - Monthly Newsletter

The main event of the last few weeks was Shaun Prout's marathon row on Pensilva Gala Day. Assisted by his support team of Mel, Barbs and Graham, Shaun completed the marathon distance of over 42 km (26 miles +) in a similar time to last year. This is the third time Shaun has trained for and completed a marathon on our indoor rowers and he continues to be an inspiration to us all.

Meanwhile, out on the field, we ran our usual cake and tombola stalls. Many, many thanks to everybody who helped by baking cakes and donating prizes. Things came to an abrupt halt when we had to run for cover from a sudden downpour! On the plus side we got back in the gym just in time to see Shaun complete his marathon.

Nine teams attended the Gala Week quiz, which was won by 50/50! Hearty congratulations to them for setting the standard with a brilliant 105.5 from a possible 130 points. Behind them an excellent result for Three plus One on 97 points, followed by In for a Laugh and The Quiet Ones on 96½. A special mention for Quizinga who were the winners of the evening's other prize and made a spirited and lively contribution to the festivities! We would like to take this opportunity to thank everyone who attended this event and especially our regular teams for their support throughout the year. The next quiz is on September 21st.

In the gym itself things are a bit quieter during August but perhaps the dip has not been quite as severe as other years. Still, it would be wonderful to see more of you in there!

Keep well.

PENSILVA GALA WEEK

What a good week we had, starting with the car treasure hunt. 13 cars went out and had an enjoyable afternoon. The winners were "Must Dash". Rain, rain and more rain on Monday for the media and sports day, at least we were able to come indoors for that. Family skittles was held in the Function Room in the evening. Kids and adults both enjoyed this event. The kids quiz on Tuesday afternoon was a success with the under 10's winners being "Vipers" and the over 10's being "Reem Team". In the evening the adults had their turn to show how clever they were, the winners of this quiz was 50/50. The Arts & Crafts afternoon on Wednesday saw over 60 children once again having a great time. The kids film evening was again well attended.

The children loved the Bingo afternoon on Thursday so I think it may be happening again next year, keep your dabbers handy!! There was a few less people at the BHF Bingo on Thursday evening, but everyone had a good time. Well done Keith and thanks for your support. Thanks to the Football Club for putting on Friday evening's Donkey Derby. Once again adults and kids

really enjoyed this event, hopefully a lot of money was raised for them.

Then we came to the Big Day starting with the Farmers Market. This was followed by the grand opening of the Sunflower Park. The Fancy Dress was judged by councillor Peter Dipper, results were in the Cornish Times along with 6 photos, one of which was our very own Royalty for the day. Along with the various events on the field we had a baby show indoors which was well attended. The best baby in show was Scarlet May McCarthy. The Grand Draw was held at 4.30pm. We do have some unclaimed prizes, a list of numbers is in this edition of the Pump and on the notice board at Millennium House.

Well all I need to do now is thank everyone that helped in any way and I hope everyone enjoyed the weeks activities. I look forward to next years Carnival Week, bigger and better we hope.

Lasting Power of Attorney

Lasting Power of Attorney is the only method of giving authority to deal with your affairs if you are unable to. Separate documents are needed in respect of Property & Financial Affairs and for Health & Welfare. You can only appoint whilst you have sufficient capacity, so we all need to act as soon as possible. If we don't, it could be too late.

Save your home from being sold should the unexpected happen

A Will would not fully protect your property during your life because its terms do not come into effect until you've died. It would be too late then. Marriage, Divorce, Re-marriage, Insolvency, Bankruptcy and Poor Health are just a few of life's eventualities that can lead to the loss of inheritance. Professional advice needs to be sought in order to **ensure** your estate will pass to your loved ones.

Planning for the Future

It is not surprising that our own mortality is not high on the list of our favourite topics of conversation. Very few take the common sense step of making a Will, yet if a little preparation is made you can provide for your family and loved ones and ensure your wishes are carried out after you've passed away.

Have you appointed **Lasting Power of Attorney**?

Have you **protected your property** by placing it in a **Trust**?

Do you have a pre-paid **funeral plan**?

Would **equity release** be of benefit or consideration?

Have you written a **Will**?

Kilmar House Residential Care Home

**We pride ourselves on being different!
01579 343066**

Kilmar House is the smallest elderly residential home in Liskeard and the personal touch really shows. Each resident is treated as an individual who is free to spend their days as they wish.

We have no rigid routine or schedule that you need to fit into, you tell us your schedule and that is what we work towards!

We maybe the smallest home but have a very large house with lots of rooms for residents to spend their time how they wish. We have all the required facilities and activities to make your stay very comfortable as well as a large and productive garden to enjoy.

Please come and visit our beautiful Jacobean home which has been lovingly restored and maintained. You do not need to make an appointment to come and look around, we will always be pleased to welcome you.

We are pleased to offer permanent placements in some of our most beautiful rooms, some with en-suite facilities as well as respite and day care to whatever suits your needs.
