At the Mel Bar, Millennium House

HAPPY HOUR

From opening time till 7pm Weekdays 50p off all alcoholic drinks.

From recently retired Parish Councillor, Paddy Long

May I express my thanks to Nick Horler for the editorial work he did to rejuvenate The Pump. I know, from Parishioners, how interesting a read he had made it and introduced some useful contacts On a personal note he was always able to find room to print "A councillor's ramblings" when I was such.

Thank you Nick, may I wish you well in whatever you do in the future. Paddy Long.

From the new editor, Joe Bicarregui

Nick, on behalf of all the readers of the Parish Pump, a big, big, thank you for your great work over the last few years. Under your stewardship our parish magazine has gone from strength to strength and you were able to carry it off (on the whole!) with a smile on your face. Thanks from everyone, for everything you have done for our community, in this and in a number of other roles. As for myself, I suppose I ought to thank you for presenting me with such a hard act to follow. Yeah, thanks mate! ;-) I hope to work with you again on whatever projects the future holds for us. Good luck. Joe.

Pensilva Post Office

Located through the Café on the 1st floor of Millennium House the opening times are:

Tuesday - 9am to 1pm

Wednesday - 9m to 12 noon

Friday - 9am to 12 noon

From the new Editor

Hello Parish Pump readers. My name is Joe Bicarregui and I am your new editor. I am active in our community: as a trustee and long-time member of All Being Well, as a skittler playing for the Hilltops in Millennium House, and as treasurer of the lane maintenance fund in Lower Middle Hill, where I have lived with my wife Michelle for the past ten years or so. A lot of you know me already and I hope to meet a lot more of you in my new role.

So, what is this month's cover all about? Every community has things that help to unite it and issues that put pressure on that unity. Having said that, ours may be the only one in the world where something that was conceived and built as a way to reinforce our sense of community has done more than anything to bring discord and strife. I'm talking (of course!) about Millennium House. There are those among us that feel privileged to have such a wonderful facility and believe that no stone should be left unturned in ensuring that it survives and thrives. Others among us feel that Millennium House must be self-financing and ought not to be unduly subsidised by the ratepayers of the parish, some of whom do not use it. These two opinions have generally been at loggerheads over the last 15 years or so, but when you take a step back... SURELY BOTH ARE RIGHT!

At the same time Millennium House has contributed to the wedge that has been driven between our Parish Council and the community at large. Maybe it's time to rethink that one too. Parish councillors are our neighbours who have had the courage to take on the task of trying to decipher what it is that our community wants. Unless the community speaks with one voice the job of the Council is probably an impossible one. But if the whole community comes together and agrees on a course of action ...

Beginning with this issue of the Pump I will try to help to facilitate a positive and constructive debate about how the users and supporters of Millennium House can work together to ensure the future of our community centre by helping to solve many of its problems. It's a big task and a lot of healing needs to happen first if its to succeed. Let's do it.

In this issue we all have the opportunity to volunteer to help with the Parish Emergency Plan (pg 10), with the resurfacing of the Millennium House Car Park (pg 11), and to stand as a Parish Councillor (pg 9). (By the way, as well as the advertised vacancy, three other Councillor posts remain unfilled!) Parish Chairman Peter Dipper's piece and Councillor Martin Corney's piece on pages 6-7 also invite you to participate in the discussion about the future. And this is all about the future because, obviously, it's too late to worry about the past.

I look forward to hearing your views and ideas.

Joe

A message from the Chairman of St Ive Parish Council

Many of you will be aware that over recent months there have been changes at Millennium House.

The Parish Council was facing a situation of ever increasing costs set against falling bar sales and other forms of income. This resulted in an increasing annual loss – a situation which clearly could not continue. Contrary to popular belief the Parish Council does not wish to close Millennium House but would rather it operated so as to at least cover its costs.

It was decided to implement a business re-organisation. The first element of this has been a staff re-structuring resulting in the creation of two new posts of General Manager and of Food and Beverage Supervisor. The two post holders are now working together to ensure that the premises are open and adequately staffed as and when needed. They are supported by bar and catering staff plus a band of willing volunteers who undertake other duties.

All existing members of staff were offered voluntary redundancy and this was accepted by two persons. One member of staff whose post was lost in the reorganisation was offered alternative employment but unfortunately this did not meet personal need. The whole of this process was undertaken using external professional advice and in accordance with legal provisions.

There are no longer any full-time members of staff and staffing is organised on the basis of a roster drawn up in advance. If a particular member of staff is not on the premises it does not mean they are absent or working from home, it is simply that they are not rostered to work at that time. If there are no events happening the premises may be closed or staffing levels may be reduced at certain times.

Volunteers are vital to the operation of Millennium House and there is always a demand for such community minded individuals to assist. Rather than criticise, why not volunteer and help to improve the service to our community? You may enjoy it and meet new friends.

As with any organisation no one person can be aware of every aspect of every situation or know every person involved. Rather than criticise assumed failings, it would be more helpful if everyone involved could assist the managerial staff to make informed decisions by ensuring they are in possession of all relevant information. If we all work together we will have a more successful community centre and a stronger community.

As a further element of the business re-organisation an energy efficiency study of the building is being undertaken to find ways of reducing the energy costs. All aspects of the use of these premises are open to examination to seek improvement.

Any member of the community is able to attend the open sessions of Parish Council

meetings and to ask questions about Millennium House or other aspects of the work of the Parish. If you would rather speak to a person or persons direct then the Clerk, I and my colleagues are available at reasonable times to do just that. It is better to discuss issues openly and honestly than to make judgements based on partial information or hearsay and that works both ways.

The views expressed are not necessarily those of all members of the Parish Council. Peter Dipper, Chairman.

The Latest from Your Parish Councillor - Martin Corney

I understand that there is a lot of disquiet in the village about the future of Millennium House. There have been a number of changes in the staff and running of Millennium House which were essential to reduce costs. Change is never easy, but it will be a lot easier and more successful if we work together. Millennium House is our parish community centre and is subsidised by us through our council taxes. Local sports teams and many other groups in the community benefit from the subsidised facilities. As well as paid staff, we rely on volunteers to keep Millennium House running. Without volunteers we would have to employ more staff, paid for by increased taxes. So please volunteer.

I'm still comparatively new to the parish council, and don't know the history and personalities involved, but it is obvious to me that some people are still upset about some of the changes that have happened. I would like them to contribute to the future of the parish. Remember that Parish Councillors are volunteers and are all trying to do their best to make things better for the community. It's not all sweetness and light. Parish Councillors have different opinions. We disagree about many things, have our say, vote, and go with the majority. That's democracy. There are places vacant on the council, so I suggest that anyone who wants things to be run differently volunteers.

Millennium House has been our community centre for the last fifteen years. Built by Lottery and European grant funds, it is an asset that other communities envy, with reason. This facility exists and is not going away, so let's use it and enjoy it. The December storms destroyed two greenhouses at The Growing Project, but I will help replace them with something even better. We've also started on the Incredible Edible Pensilva scheme for free fruit and veg in the village.

Don't forget the parish website <u>st-ive-parishcouncil.gov.uk</u> with council meeting agendas and minutes; also downloadable copies of the Parish Pump. For those of you who do Facebook, our St Ive Parish Council page is still being updated with parish news.

From Cornwall Councillor Steph McWilliam – January 2014

You will probably have heard by now that the Draft Local Plan for Cornwall was approved at Full Council on 14th January. This includes housing figures of 47,500 for the period up to 2030 but many other policies as well. I voted against, partly because I feel this drive for more housing isn't addressing the needs of local people. Despite the thousands of homes built across Cornwall in the last few years, the number on the housing register is about the same as it was five years ago. I believe we need a different strategy and have been in touch with the cabinet member for housing about this. He has assured me it will be reviewed in the spring. I also have some issues with the lack of coherence between economic regeneration and jobs, which doesn't appear to fit with the plan for housing. My other concern is with the ongoing enthusiasm for renewable energy projects of the wrong type. The ability to link intermittent energy sources (wind and solar) to the grid is close to capacity and I believe we need to put more resources into developing other types such as tidal, hydro and geothermal.

Work has begun on developing an emergency plan for St Ive. Please look out for information on this in the months ahead and offer your services where you can. I'm sure many of you would be prepared to turn out and help people in distress but we need to know who you are beforehand. Economic regeneration for SE Cornwall is being discussed but there are no easy solutions. Councillors from across the SE Cornwall constituency are trying to ensure any funding to help promote and support business is spread across the county and isn't all directed to the centre.

Community chest applications are still coming through. I do hope all the money will go to local groups and organisations for the benefit of their local community but the deadline is fast approaching. At the time of writing, most forms still haven't been returned so those involved are being reminded to get them in soon.

Finally, the issue of potholes is causing everyone concern. It is being raised at every opportunity and CORMAC have invested in new equipment that should help but it is still a major problem. Please report potholes to the council and let me know if they are not then fixed within a few days.

Thank you.

PARISH EMERGENCY PLAN

St Ive Parish are forming a plan so that sudden local emergencies can be coped with swiftly.

To do this they need to have a confidential list with the names of local people with skills and abilities to help at those times.

The Christmas day landslide at Calstock is an example of a sudden local emergency.

Do you have a chainsaw certificate and would you be prepared to be called if, for instance, a tree had fallen across the road or on to a car? If so please could we have your name on our list? Also if you are a 4 by 4 driver, have been trained to help people in shock or have other skills, we would like to have your name on the list. If you are prepared to help your community in this way please would you ring:

St Ive Parish Council COMMUNITY ACTION DAY on Saturday 8th February

Following on from the success of the garden day in January we are planning an action day for the car park.

We need your help to lift the broken plastic trays on Millennium House car park before it can be resurfaced.

Bring your own tools if you have them.

Soup lunch provided for volunteers.

Please contact Parish Clerk to advise numbers attending on 01579 363096 or email stiveparish@btconnect.com

Letter received from Jenny Coombe concerning Dog Fouling.

While my husband and I were walking around the island of School Road, Cemetery, electric sub-station and Slade Park Road, on New Year's day, a lady passed us and let two dogs off the lead. When one fouled and she did not pick it up, I challenged her and her reply was "You are in the countryside darling" and that I was a townie. Her dogs left mess four more times before she put them back on their leads. Well I was brought up in this village and have lived here most of my life and I am disgusted with the amount of dog mess around.

Editor's note:

To clarify, the relevant legislation on dog fouling states:

"The Order shall apply to all land which is open to the air and to which the public are entitled or permitted to have access, with or without payment, within the County of Cornwall other than [Forestry land]".

I will print fuller extracts from the legislation when space allows.

Well, last month we said...

AS PART OF YOUR NEW YEAR RESOLUTIONS, WHY NOT SUPPORT YOUR LOCAL VEG BOX SCHEME?

Wonderful fresh veg, delivered weekly free to your home. Grown locally and organically wherever possible

£7.50 box for 1/2 people £10 box for 2/3 people

£5 fruit box - additions OR build your own box; contact for full price list And it seems that you have kept your NY resolutions. We have had several new customers from the village in the last few weeks and have doubled our sales in 6 months. We are thrilled about that and really value your support: it means we can do a lot more and more of the costs of running the garden are covered.

We have started the New Year with **3 new volunteers:** this week we were battling with silage plastic getting the ground covered to kill weeds, ready for rotivating in the spring. Of course the wind picked up as soon as it was unrolled, so we had a right old struggle with the elements. We were saved by Caradon Tyres, who kindly dropped off a load of tyres to help keep the plastic down for a few weeks.

Talking of the elements; we lost both of the greenhouses donated to the project during the pre-Christmas storms. Apparently the sound of the glass going as the metal frame twisted and collapsed was pretty scary. Luckily, the poly-tunnel is totally secure and full of produce, from which we conclude that we need to buy another tunnel, to get as much covered growing space as possible. It was such a delight to be able to grow so much under cover last year and get a really long season: we were still picking tomatoes in November.

If you are able to make a donation to the **POLYTUNNEL APPEAL** we would be so grateful: **we need to raise £1,000** as quickly as possible, so we can get it up and planted out by Spring, when peak production starts.

The Growing Project CIC is a Community Interest Company producing organic fruit and vegetables and developing training for local people. We are a group of people who have opened the growing space at Kenwyn to the community and welcome volunteers for all sorts of jobs.

The 1st Incredible Edible Pensilva Activity Day outside Millennium House on 11th January was a delightful and productive session. 10 of us set to enthusiastically on a gorgeous sunny day and cleared brambles, weeded, dug and planted, getting thoroughly muddy and tired, but having a great time together. It was heartwarming to see some of our Parish Councillors, past and present, get stuck in alongside members of community groups and stray passers-by.

By lunchtime, we were ready for the lovely onion soup and rolls laid on by MH, a packet of Jaffa cakes and a bit of a sit down.

I was thoroughly surprised at how much we managed to get done in those 4 hours. We cleared a lot of bramble, then planted 7 native Cornish apple trees, which hopefully will give us delicious fruit in a couple of years, as well as beautiful blossom in spring. These were donated by Caradon Area Heritage Project; many thanks for your support. They also supplied two bird boxes, so we can improve the habitat for songbirds, which have been sadly declining in numbers in recent years.

Then we dug over and cleared a neglected corner patch and re-homed the surviving plants to fill spaces in other beds. We then planted it out with an apple tree and thorn-less bramble, which Anthony at Pentiddy Woods will espalier for us. Below that we planted 2 blackcurrant bushes and lots of strawberry plants. This fruit will be available for all to eat in the summer; worth doing or what?? Next, we have our eye on that piece of wall with a strip of grass in front, just before Glen Park as you go towards the moor. That space could really do with a bit of Incredible Edible care to turn it into something attractive and productive at the entrance to the village. All we need is some willing help to decide what we want to do, get stuck in together and then maintain it. We may need to ask some permissions too.

Go On, let's!!

Pensilva W.I. report for January 2014

Cooking for One or Two was the subject of our speaker at the January meeting of Pensilva W.I. Alison Gribble gave us a very entertaining and amusing talk and demonstration on ideas for cooking for one or two. Recipes ranged from individual savouries which could be used as a starter or with added vegetables or salads as a main meal. We were treated to stir fries, kebabs a vegetarian dish as well as a Yum Yum cake and the good old fashioned junket. These where all sampled and enjoyed, with recipes being requested.

Alison was warmly thanked by Frances Tucker our president who said how much we always enjoy her visits to us. We were all delighted when she informed us that she will be doing Two Cooks and a Carrier Bag again. This will be a treat not to be missed.

The minutes and correspondence where read by Secretary Jenny Thomas, and the financial statement by Treasurer Verna Dawe. We have had a busy December with the carol service at Launceston and visit to Jo Colwill's Cowslip workshops to make Christmas decorations. Also the lunch at Lanhydrock Golf Club was enjoyed by all. Our Christmas party was well attended, with family and friends joining us. Mandy won 1st prize for her stunning party hat and Don Wherly entertained us with a selection of music played on his organ.

Dates for our diaries: Saturday 15th Feb. Skittles, with a Bring and Share tea. Millennium House 2 to 4pm. All welcome. On Wed. 23rd April we shall host the annual group meeting at Millennium House. More details later.

Competition results. 4 rock Buns. 1st Frances Tucker. 2nd Gillian Pankhurst 3rd Verna Dawe.

Flower of the Month: 1st Verna Dawe.2nd Mary Gilbert. 3rd Frances Tucker.

Next Meeting. Wednesday 12th February at 7.15pm. This will be the annual meeting and County Chairman, Kathy Reed will attend.

Speaker: Nicky Mellor, Bowel Cancer South West Specialist Nurse.

Competition. An arrangement of fresh flowers.

New members and visitors always welcome.

Any enquiries ring Frances 363718 or Jean 362531.

All Being Well - Monthly Newsletter

It's January as I write this and attendances seem to have picked up a little. Many members are taking on the Bonfire of the Calories challenge and working a little harder to burn of the extra Christmas pounds.

Many thanks to Anita Metherell for kindly donating a pedal exerciser which will be useful for some of our members who have mobility problems.

And speaking of donations... if anybody has a smallish flat-screen monitor that they don't want, the gym could really use it! Please give us a call on 363890 or just drop it off for us at Millennium House. Thanks!

Congratulations to two of our members for completing their amazing (self-imposed!) challenges for the calendar year 2013: Ted Whiting completed 500 km on the cross-trainer and 1000 miles on the bike, while Michelle Furneaux completed 1000 km on the bike, 1000 km on the rower and 500 km on the treadmill. Both showed great determination to stay on course throughout the year and managed to finish just in time for Christmas. Very well done to both of them.

That's it for this month. Keep well!

Pentiddy Community Woodland Help

Due to the weather creating treacherous working conditions we had to cancel the work day for January.

February's work day is still set to go ahead if the weather is kind. (Sunday 2nd February)

One of the tasks we would have been doing is removing the remainder of the plastic tree shelters within the community woodland only. To this end we have positioned a dumpy bag by the main gate and if anyone feels happy to collect a few on their walk around it would be much appreciated.

Keeping the community woodland and community coppice tidy makes Pentiddy a pleasant place to walk and spend time. Please help us to keep it tidy by picking up any mess you or your dogs make (including shredded tree shelters please!).

Hope to see you for a fun day on February 2nd.

Open Garden — Coombegate Cottage, St Ive

Each year the National Gardens Scheme (NGS) raises over £2 million which it distributes to good causes, very largely cancer charities.

Why not enjoy a foretaste of Spring? Visit Coombegate Cottage, St Ive this month to enjoy snowdrops, witch hazels, daphnes and other seasonal plants and at the same time you will be supporting the NGS.

If you have been before see how the garden has developed since your last visit! Follow the signs from the A390.

CARADON MOVEMENT IN MOTION SOCIETY

This is the first newsletter of the group known as MOVEMENT IN MOTION SOCIETY or M.I.M.S. with the hope of more to follow in the future.

We are a small exercise group that use the village hall in Pensilva on a weekly basis for the benefit of people with various respiratory problems.

The Group has just celebrated 6 months of a very successful year with an excellent Christmas meal at the Heskyn Mill restaurant with 20 plus members attending.

Our exercise group is self funding and does not receive any grants or funding from other parties.

We meet on every Friday afternoon between 1pm and 3pm for exercise, a cup of tea, a chat and an enjoyable 2 hours. If anyone would like to join us they will be made most welcome. We do not limit ourselves to village residents as some members come from as far away as St Keyne and St Cleer. There are also some honorary members who come from Exeter and Staffordshire when they are visiting relatives in the area who attend the group meetings.

Having just resumed meetings we started the New Year with a party which was attended by most of the members and was a success.

You can find us in the Parish Pump under the Village Hall section with a contact number. Henry Woods — Secretary.

PENSILVA HEALTH CENTRE

PATIENT PARTICIPATION GROUP

We are a group of patients, who meet regularly with the Health Centre to bring forward for discussion ideas, comments and suggestions about your surgery. In the past we have held open days, helped at the flu clinics and participated in a trial Peoples Commissioning Board Project.

We also organise a successful 'Carers Group' (contact Jean Connor 01579 363221) and a 'Walking for Health' group (Contact Ann Wood 01579 364085). If you would like to talk to one of us you can contact us directly or through The Health Centre.

HEARING

The drop-in is on the 1st Wednesday of the month between 10.00 and 12.30pm and you can find us upstairs just by the gym. We can clean, re-tube and provide you with batteries, unfortunately we

cannot repair or re-tune the hearing aid. Nick and Liz are the regular volunteers who run the drop-in and they can provide you with information and advice on getting the best out of your aids and other useful equipment. If you haven't got hearing aids but have concerns about your hearing drop-in for a chat and free information.

Other local drop In services :-

Liskeard, Oak Tree Surgery (2nd Thurs 2.00 – 4.30pm); Launceston Medical Centre (2nd Friday 2.00 - 4.30pm); Torpoint, Chatlink, Old School House (4th Thurs 10.00 12.00); Callington Surgery, Tamar Valley Health Centre. (4th Fri 10.00 - 12.00) If you want to know more about the service or maybe even fancy joining our friendly group of volunteers please feel free to contact me: Karen Squire; Senior Community Support Officer 01752 228657; mobile – 07918 755809 (voice & text); karen.squire@hearingloss.org.uk

The Friends at St Ive Methodist Church would like to pass on our thanks to Nobby and all the staff at The Butchers Arms and the Village hall Committee for allowing us to use their premises for the Annual Carol singing in Aid of Action for Children before Christmas. Also the Chinn and Winn families for leading the singing on their brass Silver Band instruments, those who helped with the door drop around the village and last but not least all those who came along and shared with us in the singing. The total of £83.75 was raised through donations and passed onto Action for Children. Thank you all once again.

Kilmar House Residential Care Home

We pride ourselves on being different! 01579 343066

Kilmar House is the smallest elderly residential home in Liskeard and the personal touch really shows. Each resident is treated as an individual who is free to spend their days as they

wish. We have no rigid routine or schedule that you need to fit into, you tell us your schedule and that is what we work towards!

We maybe the smallest home but have a very large house with lots of rooms for residents to spend their time how they wish. We have all the required facilities and activities to make your stay very comfortable as well as a large and productive garden to enjoy.

Please come and visit our beautiful Jacobean home which has been lovingly restored and maintained. You do not need to make an appointment to come and look around, we will always be pleased to

welcome you.

We are pleased to offer permanent placements in some of our most beautiful rooms, some with en-suite facilities as well as respite and day care to whatever suits your needs.
