### **From the Editor**

It was good to hear from the Pensilva Primary School this month with news of the Wake-Up, Shake-Up competition it hosted (see page 9). It's the young people that put life into our communities, so it's wonderful that they have such opportunities to express themselves. On a similar note, efforts are being made to provide facilities for our teenagers at Millennium House: the Youth Café initiative is up and running and just needs more adult volunteers to extend the service to more days of the week. You can find details on page 8.

As Councillor Martin Corney mentions in his piece, the Parish Council is thinking about forming an "arm's length" company to run Millennium House separately from the Parish Council itself. Our Councillors will then be free to concentrate on the real business of a Parish Council. I see this as a wonderful opportunity for members of the community who are users of Millennium House (but who do not necessarily want to serve on the Parish Council) to get involved and benefit MH. There will no doubt be an opportunity to discuss all of this at the annual Parish Meeting in May (see below). If you care about Parish issues please come to the meeting. I'll see you there! - Joe

## **The Latest from Your Parish Councillor - Martin Corney**

In my contributions to the Parish Pump I always try to keep you informed about what is going on in the parish in an impartial and objective way. So I was disappointed to be personally criticised for my reporting of what I have written about Sean Ellis moving his Wolf Centre to the parish. For those of you who do not have access to the internet and were not at the meeting...

At very short notice the Parish Council invited Shaun Ellis to an informal question and answer session so the community could find out what is going on. I was very pleased that, even in just a few days, word-of-mouth and the internet attracted so many people that it was standing room only.

On the internet I reported "There seemed to be about the same number of people who welcomed the Wolf Centre as were hostile. Shaun Ellis said that the Wolf Centre has 7 mature wolves, all raised in captivity. The wolf enclosure will be kept about 40m from the road and buildings are being soundproofed. The noise should be less annoying than the nearby dog kennels. Livestock and horses will not be disturbed. His daughter rides her horse by the wolves OK. They will have a small number of visitors (about 6 at a time) who will stay in local B&B. They have never had a wolf escape and they advise internationally as containment is their speciality. – Neighbours were concerned about the noise and risk of wolves, also a previous mobile home on the site burned out as the fire brigade did not have adequate water pressure when they attended."

My personal opinion is that wild animals should be free in the wild, but if Shaun Ellis keeps to the rules he is welcome as a member of the community. The next big thing happening in the parish, is trying to run Millennium House through an organisation at arm's length from the parish council. I think this is a good idea and that both the parish and Millennium House will be run better. Don't forget the parish website [st-ive-parishcouncil.gov.uk](http://st-ive-parishcouncil.gov.uk) with council meeting agendas and minutes; also downloadable copies of the Parish Pump. For those of you who do Facebook, our St Ive Parish Council page is still being updated with parish news.

Phone me, email me on [martin.corney@btinternet.com](mailto:martin.corney@btinternet.com) or "martin corney blog st ive" in search engines will find my blogs for you to comment on.

## From Cllr Steph McWilliam – March 2014

At last, the sun is shining and signs of Spring are all around us. This weather really does make me appreciate living in such a beautiful part of the world.

The main issues at County Hall are currently the implications of the national welfare reforms and what our priorities should be in the next few years as we have to make further cuts in expenditure. At the moment I am working my way through the services I feel must be protected and those which I feel we could live without if we must. There are ways in which we could work with the voluntary sector to ensure things can continue in a different way but costing council tax payers less. The mobile library service is one example where the RVS is offering to provide a delivery direct to some people's homes. This could arguably be a better service for some people. I wish to see services for children and vulnerable adults protected but think we could look at some services differently. One example of this might be seeking local volunteers to be trained as dog wardens.

I am still receiving many enquiries about when the potholes are going to be fixed. It seems to me that spending on highways has been cut too much and we are all finding it difficult to get around as a result, so this is an area where I would be pushing for expenditure to be increased. To help fund this, I would be happy to see savings in the 'green Cornwall' projects. I am all in favour of looking after the environment but I do feel that some of our efforts are futile until the large industrial economies take some action to reduce their emissions. I would also vote against any of your council tax being spent on the Cornish Language programme.....unless you tell me differently!

I was pleased to chair the public meeting about the possibility of wolves coming to the parish. There are strong views on both sides of the debate but it is a credit to our community that we can hold these sorts of meetings and allow everyone to speak and be heard in a respectful way. At the time of writing, Shaun and Kim are still seeking the necessary permissions and licences so no decision has been made.

Do let me know your thoughts on any of the above. I am here to represent you but I can only do that if you let me know how you feel.

Thank you.

## **VILLAGE HISTORY GROUP**

The History Group held its monthly meeting on Wednesday 5th March at 7.30pm in Millennium House.

The Group spent an interesting two hours looking at a collection of old slides kindly loaned by Mrs. Carol Morse. The slides went back as far as 1972 and were mostly of village people and children taken at Christmas parties, school outings and play group. A lot of the people in the slides had been identified by previous viewers and a handy index accompanied the slides.

On Saturday 8th March the Group participated in an exhibition in Stuart House which was part of a day of events to mark the ending of the very successful Caradon Hill Area Heritage Project. The Group's exhibition was compiled by Alistair Taylor and was a very topical world map showing where the men of the parish who had given their lives in the Great War were buried. Surprisingly their graves are all over the world even as far away as Chile in South America.

The Group's next meeting is on Wednesday 30th April at 7.30pm. Check the website for details [www.pensilvahistorygroup.org](http://www.pensilvahistorygroup.org) or contact Angus Holland on 01579 208754 or email [ansholland6@aol.com](mailto:ansholland6@aol.com)

## Wake-Up, Shake-Up

On Friday 14<sup>th</sup> March, **Pensilva Primary School** hosted an inter-school Wake-Up, Shake-Up competition and everyone had a wonderful time. The local primary schools that took part were: Coads Green, St. Cleer, Blisland, Trenode and Pensilva. In all, there were nine routines.

The competition was judged by Roger Jones (President of the Liskeard and Looe Rotary Club) and John Mellor (ex president of the same club). Our visiting judges had a difficult task as all the teams performed brilliantly. Final decisions were:

- ♦ Runners up – Pensilva Primary School, Routine 2;
- ♦ Winners – Trenode Primary School, routine 2.

Many thanks to Oli Jones and Jenny Thomas for organising this event. Also, thanks to Pensilva's PSA for the refreshments, to our judges and to all the adults who accompanied competitors and made the event possible. The pupils who took part demonstrated excellent teamwork and great sportsmanship.

We look forward to many more inter-schools' sports events.

**GROWING** We've had the outside growing area under heavy plastic since January to suppress weeds; it also minimised waterlogging. The lovely Paddy Long and Tony Vincent have just ploughed and rotivated it for us, ready for planting. Given that this time 4 years ago, this was a weedy, rocky nightmare, I am so proud of the lovely soil that's emerged; we've done a great job of improving its depth and fertility: that was a lot of hard labour and muck shovelling by our wonderful volunteers.

We have been busy making new beds where old greenhouses were and have replanted the strawberries into fresh soil, hoping for another bumper crop this year.

This month we've planted out parsnips, onions, garlic and cauliflowers: soon we'll plant broad beans and pea seed. Like everyone else, we need slightly warmer soil before we can get the spuds in, but are hopeful that will happen before months end.

**POLYTUNNEL APPEAL** We will order the new tunnel before the end of March-how exciting is that!! Well done, all who contributed to the fund..

**COMMUNITY COMPOST SCHEME** As many of you know, we are very happy to accept your lawn clippings, used rabbit bedding, cuttings, etc etc. at our compost bins by the gate. The only thing we need to be careful of is that **none of it has been sprayed with weed-killer**. If you use weed-killer on your lawn, please dispose of your clippings through the Council scheme, as it could damage our crops.

**URGENT - LORRY NEEDED** We have been offered 2 large loads of much-needed manure and need a 5-ton tipper truck or trailer to get it here. We are happy to pay to have it for the next dry day. Please let us know if you can help.

**VEG BOX SCHEME** We are continuing to gain new customers: this is fantastic and really helps us continue our work.

**Box prices** £7.50 for 1 /2 people, £10 for 3/ 4 people and £5 fruit bag.

If you prefer us to deliver to your own shopping list, just let us know and we'll send you a pricelist.

**VOLUNTEERING** We meet every Weds 10 a.m. – 2pm. Lunch provided. This is such a great way to meet people and get fit too. All welcome.

**The Growing Project CIC is a Community Interest Company** producing organic fruit and vegetables and developing training for local people. We are a group of people who have opened the growing space at Kenwyn to the community and welcome volunteers for all sorts of jobs.

**Pensilva W.I. report**

At the meeting on 12th March, our speaker, Moa Keast. singer and story teller, talked about "A year in the Cornish life in the not too distant past". She sang folk songs and recited her way through the Cornish year. At the beginning of the year was Wassail night when they dressed in costume and collected money for the poor. Now they collect for charity. Moa sang of the Great Blizzard in the 1800s when the snow was as high as the hedges. She recalled how all the villages had a shop which sold everything! A great focal point for the village. At Easter everyone had a new item of clothing to go to church, even if it was only a new ribbon. May Day in Padstow was 'Obby Orse Day' and on the last stroke of midnight they'd go around the houses singing until the early hours and then join the parade through Padstow. She sang of the time when the Seine fishing went out from Megavissey then of the Harvest Festival when the choirs went round the churches to give thanks for the harvest. Finally Xmas when she ended her talk with a recitation and a carol. It was a very interesting and unusual talk from Moa and her husband who accompanied her with her songs.

Francis reminded us of various events happening in the next few months. The Birthday meal at Whitsand Bay Hotel, in May, Tremayne Social gathering in April, Heligan trip in June and the 2 day trip to Parliament and The Palace in August. Ring **362531** for details.

Flower of the month was won by Jean Hoare, 2nd Francis Tucker, 3rd Eileen Adgo. Competition was won by Liz Clayon, 2nd – Cherry Woodhouse, 3rd – Jean Hoare. The next meeting is on 9th April when Rachel Miles will give a talk about the History of Fashion.

# *All Being Well* - Monthly Newsletter

The AGM held on March 4<sup>th</sup> was a friendly and uncontroversial affair. The minutes of last year's meeting and the 2013 accounts were approved unanimously. This was the first AGM since we became a registered charity and there was a discussion around what benefits we could derive from our new status, particularly around registering for Gift Aid and whether we might qualify for recovering the VAT we pay on purchases.

Looking ahead, some of the gym equipment urgently needs to be replaced and this will be progressed in the coming weeks.

We warmly welcome Kev McGarahan onto the committee and greatly look forward to working with him in the future. He is particularly keen to see more young people (perhaps from Pensilva Junior School) using the gym. The All Being Well committee and the members in general took the opportunity to thank our fantastic team of instructors who do so much to make the gym a success, clearly above and beyond the call of duty.

There's a lot of hard work to do in the coming months but we are able to look forward to the future with a little more optimism than has been the case for the last few years. Keep well.

## **PENSILVA VILLAGE HALL**

Pensilva Village Hall no longer collects paper for recycling as Cornwall Council has decided to stop paying recycling/re-use credits to any charities from 1<sup>st</sup> April 2014. The Village Hall committee would like to thank everybody for their donations over the years that we have been collecting paper. Over the last few years you have helped us raise an average of £370 a year.

**Anyone wishing to book the hall for meetings, birthday parties or fund raisers please contact Peter or Jackie Browning on:**

**01579 363212 or email [peter@pensilva.freeseve.co.uk](mailto:peter@pensilva.freeseve.co.uk)**

Due to an increase in administrative tasks in the dispensary, it will now be closing at lunchtimes. The new opening hours for the surgery and dispensary are now as follows:

**Monday to Friday 8.30am - 6.00pm EXCEPT:**

Both are closed on Tuesdays from 1.00 to 2:30 pm for training;

The Dispensary (only) is closed from 1.00 to 2.00 pm on other days.

Reception are available on the telephone for enquiries between 08:00 am and 18:30. Outside surgery hours, your call will be automatically divert to the emergency out of hours service – stay on the line and wait to be put through.

**New Repeat Prescription Ordering System – TheWaiting-Room.net**

We are changing the way we process repeat prescription requests via our website to bring us into line with revised NHS electronic security requirements. You can also use it to book an appointment online.

Throughout November and December patients were given a form to complete to register an email address with the surgery. Patients who have registered an email address should have received an email from TheWaiting-Room.net, please follow the link in the email to activate your account. If you have registered an email but have not received an email from TheWaiting-Room.net, please check your junk mail firstly or contact the surgery if you have not received one. If you have not completed a form, please see our website for details of how to register. Please be reassured that during the transition, you can use both systems for ordering but please register for the new system as the old system will be closed down shortly.

The Practice team would like to take this opportunity to thank you for your loyalty and support.

Drs Macfarlane, Ronchetti and Cole

## PENSILVA HEALTH CENTRE - PATIENT PARTICIPATION GROUP

We are a group of patients who meet regularly with the Health Centre to bring forward for discussion ideas, comments and suggestions about your surgery. In the past we have held open days, helped at the flu clinics and participated in a trial Peoples Commissioning Board Project.

We also organise a Carer's and bereavement group (see below) and a 'Walking for Health' group (**Contact Ann Wood 01579 364085**).

If you would like to talk to one of us you can contact us directly or through the Health Centre.

**CORRECTION:** The notice, seeking a Treasurer for the Friends of Pensilva Health Centre, which appeared last month was submitted by mistake. However, we are seeking a Secretary and the correct notice appears below.

### **YOUR HELP IS NEEDED!**

**The Friends of Pensilva Health Centre** will have a vacancy for the voluntary role of **Secretary** from May 2014.

The Friends exist to raise and manage funds for the Health Centre. The funds are used to purchase items of equipment that are of benefit to the patients but which are not routinely supplied to GP practices. Over the twenty plus years of our existence many items, from an ECG machine to portable 24 hour blood pressure monitors, have been funded meaning that often patients do not have to wait for a hospital appointment and then make the journey to either Liskeard or Plymouth, but can be treated at the Health Centre. Recently, the purchase of an additional portable 24-hour ECG machine was agreed. This will be a more advanced machine able to detect and record incidents of which the patient is unaware.

The Friends have three meetings a year and two fund raising events. The role of Secretary involves taking Minutes of the meetings, occasional letter writing and notifying local parish newsletters of dates and times of meetings. Short reports of the AGM and the fund raising events are also published by the Secretary. The current Secretary will be available to answer any questions that may arise from the handover and to offer help, if required.

If you feel that you would like to help us please contact the Chairman, Mrs Jean Connor on **01579 363221** for more information.

### Reflections

**A memory, a summer evening,  
an outgoing tide,**

**...and to remember someone you love**

On Sunday 8<sup>th</sup> June, Cornwall Hospice Care will be holding a moving remembrance event on Swanpool Beach in Falmouth. Anyone who would like to take part is invited to write the name of their loved one and a short message if they wish on a tag which will be attached to a gerbera flower and put on a specially handcrafted raft. Just before 7pm, with some words of poetry and gentle music, the raft will be floated out to sea with the outgoing tide, and pulled by a local gig club. If you are not able to join us, but would like to add a flower and message to the raft, please let me know and I will ensure your flower is included. To receive a tag for the event, please call Clare on **01726 66868**. Alternatively you can download a form from our website [www.cornwallhospice.co.uk](http://www.cornwallhospice.co.uk).

## **Pensilva Posse Rides Again!**

**It's that time of year again... Liskeard Relay for Life 2014 - Come and join us!**

As I am only too sadly aware, so many of us are affected, be it our neighbours, family or friends who receive the news. The statistics are stark - 1 in 3 of us is affected by a cancer diagnosis.

Cancer Research UK has funded many projects to improve treatments and outcomes from generation to generation. Wouldn't it be wonderful if on hearing the diagnosis the next words were "... and there's a cure". That's why we continue to raise funds.

Liskeard Relay for Life, the only event of its kind in Cornwall, is very much a family friendly affair. It starts at midday on the Saturday when those who have had a cancer diagnosis lead the first lap of the 24 hour walk (before heading to the Refreshments tent!). Others follow, ensuring that there's always one team member on the track for the next 24 hours - symbolising the fact that cancer never sleeps. As well as walking, teams host a variety of stalls, games, refreshments and live music, all adding to the fun.

At nightfall we quieten down for the Candle and Hope ceremony; a minute's candle-lit silence is broken by the Pelynt Male Voice Choir, creating a unique atmosphere that allows us to reflect and to appreciate the messages of hope and remembrance for our loved ones. Walking continues through the night, past sunrise, and on to an energetic finish among smiles (and some tears) at midday on Sunday.

You can help to make this year's event another great success! Whether it's an hour's walking; baking cakes for a stall; selling bric-a-brac; coming up with a fabulous fundraising idea; a message for the Candle of Hope ceremony; sponsorship; buying or selling raffle tickets; publicity; whatever you can do would be greatly appreciated!

If you would like to take part in the opening lap, or join our team (Pensilva Posse), or enter a team of your own, you can do so via the Relay for Life Website (details above). Or if you would like to help in any way or have any questions about the event -

## Family Life

68 – 70% of the UK adult population don't have a Will – and if you have children there is good reason to be organised about your estate.

If you live with someone but aren't married, that partner stands to inherit nothing if you die without a Will, with your estate going instead to your children or to your parents or brothers and sisters and so on down the family blood line.

If your children are under 18, it's vital that you make a Will in which you name their guardians and clearly state what provisions you have made for them. If you and your partner aren't married, your estate will go to your children divided equally. If they aren't your partner's children the worst case scenario is that they could be left without a home.

People can automatically think that because they are married or living with each other, the partner will inherit everything in the event of death – but of course this isn't the case. Add children into the equation and the scenario becomes even more complicated. We receive enquiries time and time again on these issues and can only urge people to make a Will to ensure that their wishes are carried out as they would like.

Have you appointed **Lasting Power of Attorney**?

Have you **protected your property** by placing it in a **Trust**?

Do you have a pre-paid **funeral plan**?

Would **equity release** be of benefit or consideration?

Have you written a **Will**?
