### **2. The Future of Millennium House**

Cllr Dipper said there is no intention for Millennium House to close, however we must find a way for it to breakeven. Hence the closure of reception and the building at 2.30 Monday to Friday unless there is a room booked or an event in the building.

One member of the public said that ideas from the ladies coffee morning had met with a negative response. The notice board outside Millennium House is too small, too high and does not have current information.

Cllr Dipper responded that the café times had previously been changed to open after school to accommodate the mothers and children, a banner put on the balcony outside the café advertising the new times, however it had not been used.

Cllr Dipper displayed a diagram showing the staffing structure before and after the restructure, all of the staff are part time. To be successful Millennium House needs

more volunteers, in the last year we had four people and this is now down to two and this has been a great loss.

A community involvement day is planned for Wednesday 25<sup>th</sup> June at Millennium House at 7.30pm to discuss the way forward for our community building;

Management Committee  
Charitable Trust – Board of Trustees  
Community Interest Company  
Arm’s Length Management Organisation

Joe Bicarregui said at present the community are not involved with Millennium House.

Paddy Long said the Pensilva Play Park project was an example of the community coming together for a purpose; they had raised the funding for the paly park to be built. They have just been successful in obtaining further funding for fencing around the play area.

Dominic Duffy from St Ive said that now that there are more children in the village they would like the St Ive Play area to be renovated, with facilities for toddlers, juniors and a skate park. The results of his questionnaire were handed to the Parish Clerk.

Rod Pascoe said Millennium House is a good facility with reasonable prices and a free car park.

Michael Jones expressed his appreciation and that of the other users of the Youth Café evenings.

It was agreed that there would be a meeting on Wednesday 25<sup>th</sup> June 2014 at 7.30 pm to discuss the future of Millennium House and the involvement of the community.

**Action: Cllr Moss to arrange for the meeting to be publicised on the local radio stations. The Clerk to place an advert in the Cornish Times. A flyer to go out in the June edition of the Parish Pump.**
