From the Editor

One benefit of editing this magazine is that it brings to your attention all sorts of things that go on in the parish that might otherwise pass you by. For example, I spent a very pleasant couple of hours this week at the Memory Cafe in St John's Church. I must say I had no idea what to expect. What I found was a really friendly group of people who enjoy remembering the past and sharing their memories. And what memories! It brought home to me that ordinary people really do live extraordinary (and often adventurous) lives. I thoroughly recommend this group to anybody who enjoys a good chat about the old days. Also, if you look after someone who is becoming forgetful or confused, take them along and they are sure to find this a congenial and stimulating environment. See page 18 for dates and times.

At the other end of the age scale our cover this month celebrates the achievements of the young people of the Flipside Dance Project. (See page 9 for the full story). I welcome and will always try to find room in these pages for news about the achievements of our young people.

As ever, let me have your stories and your views about anything and everything, (including about how to improve the Parish Pump). If your stories are anything like as interesting as those I heard at the Memory Cafe then this magazine is about to become a whole lot more interesting!

All the best. Joe

Pensilva Carnival Week 2014

Sunday August 3rd – Saturday August 9th

Any village groups that would like to be involved in this week of festivities, or who would like to book a space or table on the playing field on the day of the Carnival (Sat 9th Aug), are invited to contact Parish Councillors; Martin Corney, Pam Carter, Charles Wadge or Linda Olver (contact details inside the front cover) or to ring Millennium House on 01579 363096

Last years walking procession was very well attended and we are hoping to resurrect the procession further still this year with a temporary road closure enabling the use of “floats” for those groups who wish to organise them (depending on the cost of insurance). We will keep you posted as to whether this is achievable.

For those of you familiar with the internet and Facebook, there is a ‘Pensilva Carnival Week’ Page which we invite you to ‘like’ where you can keep up to date with information relating to activities planned for the week.

The Latest from Your Parish Councillor - Martin Corney

After this year's parish AGM, I'd like to thank my fellow councillors for showing their confidence in me, and selecting me to be Vice Chair of the Parish Council for the next year. I'm also glad that Peter Dipper continues as Chair so that we have continuity of policies started before I joined last year.

Over the coming year there are two main things I want to do for the parish. The first is to get the parish NDP (Neighbourhood Development Plan) in place (last month's promised piece about this will be in this issue, fingers crossed). The second is getting Millennium House running on a sustainable basis. This will need more people getting involved in turning Millennium House into a thriving community centre.

The youth club, Pensilva Youth Projects, also needs more people to help run events and provide backup staffing, (as I write, tonight's event has had to be cancelled for lack of volunteers). By next winter I'd like the Youth Cafe to run every night to give a warm safe place for our youngsters, but it needs more than just two of us - both busy people.

Now that summer is here, the potholes of winter are filled, but not forgotten by me. There are many photos I've taken of parish potholes and blocked drains on our parish Facebook page (I really must get a life) that I reported to CORMAC. Even our MP's office wanted copies! Seriously, there seems to be a different standard of repair on the A390 (done properly) and all other roads (poorly patched).

Don't forget the parish website st-ive-parishcouncil.gov.uk with council meeting agendas and minutes; also downloadable copies of the Parish Pump. For those of you who do Facebook, our St Ive Parish Council page is still being updated with parish news.

Phone me, email me on martin.corney@btinternet.com or "martin corney blog st ive" in search engines will find my blogs for you to comment on these articles and other gems.

St Ive Parish Neighbourhood Development Plan

Our Parish – Our Future

www.st-ive-parishcouncil.gov.uk www.st-ive-ndp.blogspot.co.uk

Q. What is a Neighbourhood Development Plan?

A. It is a plan by local people for the future of the parish.

Q. Why do we need one?

A. The government have relaxed the planning laws, so we need a Development Plan to control what gets built where.

Q. How will this happen?

A. The Parish Council have set up a Working Group to create a Plan from your feedback which we all vote on in a referendum.

Q. Many hands make light work. Can you help?

A. We have a lot of work to do. If you can help, please contact us via the Parish Clerk. Email: stiveparish@btconnect.com

Neighbourhood Development Plan Progress – June 2014

From Cllr Steph McWilliam – May 2014

Firstly, for all community groups, the community chest scheme is open again. Although smaller this year (£2195 per Councillor) this is still a worthwhile route to further funding. It worked well last year and I hope can make a difference to other groups this time, although there is nothing to stop the same groups applying again.

At County Hall, much of the work is about securing the funding required to help repair storm damage, whether that is to roads, coastal structures, fishing gear or other items. It is not really a surprise that the Prime Minister's promise of 'the money will be available' is turning out to be rather more complicated than it sounded.

Unbelievably, it is now over a year since you elected me and at May's Full Council meeting we will be electing – or re-electing - the Chairman, Leader and committee memberships. Although I am still learning, things are now making more sense, though I still can't always get the responses and actions you would like.

The wind turbine at Charaton has been causing great concern since it started turning. I have spoken to the enforcement officer who is also in contact with Environmental Health officers. They are using a company with a good track record of monitoring noise complaints from turbines, including infrasound, but we still need to wait for their report. I am grateful to the residents for their patience and acceptance of the need to gather this evidence before we can move forward. I will keep you informed as best I can.

Thank you for your help and support during my first year. Do please continue to keep in touch and let me know how I can help you.

VOLUNTEERS FOR YOUTH GROUP

Parents – are your children at a loose end of an evening?

We need volunteers to run more evening sessions at our Youth Café in Millennium House.

We have a successful Thursday evening session from 7 to 9 pm and would like to run further evenings, but we need volunteers willing to help with the teenagers.

If you can commit regularly to one evening a week and would like to know more please contact the Parish Clerk on 01579 363096 or stiveparish@btconnect.com

Pensilva Youth projects and the Flip Side Dance Project

Just eighteen months ago Pensilva Youth Projects (PYP) was launched, with one weekly session, mainly arts and crafts, in traditional youth club style. It soon became obvious that we needed more! Working with Cornwall Youth Service we talked to the young people themselves about what they wanted; then The Hall for Cornwall offered their support and from all of that talking emerged the Flip Side Dance project.

The project offers young people a safe environment where they can have fun with other young people of a similar age from the village and nearby. At the same time it's a structured environment where they are able to learn new genres of dance and explore their own ideas through the medium of movement and choreography. The project was immediately successful and it's great to be able to report that the young people have risen to the challenge by producing and performing some outstanding movement pieces.

In April we had a visit from Michael White, Head of Projects at The Hall for Cornwall. He saw some of the dance pieces created over the last few months, along with some video footage of how the projects had developed from beginning to end. He was very impressed by all the young people and especially amazed by how many young men attend the group. With him we are looking at ways to take the project forward. It's a testament to the hard work, enthusiasm and dedication of the young people that The Hall for Cornwall is so keen to continue working with them on this project.

So all of you young people who took part in the Flip Side Dance project (you know who you are)... Great job! We are so proud of you! The video will be posted very soon on Pensilva Youth Projects Facebook page (link from the Parish Council website <http://st-ive-parishcouncil.gov.uk/>). Meanwhile the dance continues: Fridays 5:30-6:30 at the Millennium Centre; if you are 11 – 19 please join us.

FUNDRAISING FOR PENSILVA SCHOOL SWIMMING POOL

In the coming weeks Jill Harris will be dressing up to raise money for the new swimming pool. She will wear 14 different outfits, all day, on 14 different days. On one of the days she will be an elephant. (Probably a small one.) She will have a collecting bucket with her so if you see her please give generously. If you see a small elephant with a bucket, that's probably her. If you see a large elephant without a bucket and there's a man behind with a bucket and shovel, that's probably NOT her (unless the man is Jeremy). If the elephant is not Jill we recommend that you avoid the bucket.

If you have a camera phone with you, take a picture of Jill in her costume and email it to parishpump@btconnect.com. The best pictures (in the opinion of the elephant) will be posted on the Council's Facebook page and the top choice will feature on a future Parish Pump cover!

If you have any ideas for particular costumes that you'd like to see Jill wearing then please keep your thoughts to yourself, and definitely DON'T tell Jeremy!

You can also donate directly via the school secretary.

ANY UNWANTED DVD'S, CD'S AND GAMES
WE CAN TURN THEM INTO CASH FOR
PENSILVA PRIMARY SCHOOL FUNDS.
PLEASE GIVE ANY UNWANTED ITEMS INTO SCHOOL

FABULOUS NEWS All done; the new tunnel is up and planted and looking great. Thank you everyone, especially Martin Corney, who led the build.

OPEN DAY To celebrate, we're having an Open Day on Saturday **June 21st 2.30– 4.30 p.m.** so you can have a look around and see what we're up to, as well as having a cream tea: maybe even strawberries and cream, if all goes well. Please come and have a good nose around; we will be delighted to see you, talk about what we've done and also our future plans.

AND ALSO... we have invited a local volunteer to our next Board meeting with a view to her becoming our treasurer...of which more next month.

GROWING away outside now are sweetcorn, climbing and runner beans, courgettes, beetroot and kohlrabi, with the same indoors: many more tomatoes, peppers, chillies, cucumbers and our first attempt at a melon. Our lucky veg box customers will soon get early early potatoes from the tunnel, new carrots and onion and our own garlic. This year, as promised, we are growing Ailsa Crag tomatoes, in memory of Joe's mum.

VOLUNTEERING We urgently need more people, now we have another large covered space to manage and all our summer crops in the ground. So if you have some time spare, please do join us. We meet every Weds 10 a.m.– 2pm, have a great time together and get fit too. Lunch provided.

VEG BOX SCHEME To enjoy all that fabulous fresh local fruit and veg, order your veg box now:

Box Prices are: *£7.50 for 1 /2 people, £10 for 3/ 4 people, £15 large family box and the very popular £5 fruit bag.*

We also supply organic wholefoods and have a stall at the monthly Farmers Market.

COMMUNITY COMPOST SCHEME As many of you know, we are very happy to accept your lawn clippings, used rabbit bedding, cuttings, etc etc. at our compost bins by the gate. The only thing we need to be careful of is that **none of it has been sprayed with weed-killer**. If you use weed-killer on your lawn, please dispose of your clippings through the Council scheme, as it could damage our crops.

The Growing Project CIC is a Community Interest Company producing organic fruit and vegetables. We have opened the growing space at Kenwyn to the community and welcome volunteers for all sorts of jobs. Contact Ruth Wilson 01579 363684/ 07853 244934 thegrowingproject@orangehome.co.uk

Pensilva W.I. report

Several members from St. Neots, Menheniot, Liskeard, Pensilva attended a very happy evening at the Group meeting on 23rd April. Janet Wright, talked to us about the Alexander Technique. She had us standing up to get our posture right and showing us the right way to sit and stand. She said that the heaviest part of our bodies was our heads so must watch that we did not bend our heads back too much. It was a very informative talk which we all enjoyed.

The Cookery competition was won by Marie Warne from Pensilva, 2nd was R.Wilton from St. Neots, 3rd was K.Hanley from Liskeard, Highly commended Was Jean Hoare from Pensilva.

The Flower competition was won by J. Robinson from St. Neot, 2nd was R. Frederick from Liskeard and 3rd J. Owen from Menheniot, Highly commended was Cherry Woodhouse from Pensilva.

The Craft competition was won by M Barrett from Liskeard, 2nd was M. Locke from Liskeard and Cherry Woodhouse from Pensilva.

Liskeard had the most points overall and won the Glynn Cup. We then had a very delicious bring and share supper.

At the meeting on 14th May Louise Nicholls a Textile Artist, spoke about her career and her work. She graduated in 1992. She has always enjoyed painting and drawing and at her degree show several agents were there and she was offered her first job. She matched the colours for cards and wrapping paper until she was eventually designing for them. She was thrilled when she saw her first Xmas cards for sale in Superdrug! Eventually of course computers took over and she decided that this was not for her. She gradually designed her own cards, wrapping paper, invitations and fabrics, fridge magnets until she designed and made many items for sale in craft fairs and galleries. She also contributes in the Sew magazine and became Designer of the Year. It was a very interesting talk and we were able to see and touch much of her work.

The competition this month was won by Jean Hoare, 2nd was Francis Tucker, 3rd was Verna Dawe.

The Flower of the month was won by Cherry Woodhouse, 2nd was Jean Hoare and 3rd was Gill Pascoe.

At the next meeting on 11th June, Dr. Tony Curtis will talk about Perfume Making. The competition is a Perfume a Bottle.

Visitors are always welcome at 8pm. Please try and join us.

VILLAGE HISTORY GROUP

The Group met at 7.30pm on 28th April on their new day of the last **Monday** of the month. We continue to meet in Millennium House.

The Chairman told members about a recent Caradon Archaeology walk he had been on from Bowthick to Leskernick Hill. Along the way they had seen a well preserved burial cist, remains of miners huts in an area of tin streaming works, hut circles, standing stones, stone rows and field system walls. An interesting feature on Leskernick Hill was pointed out – Propped Stones – where the sunset at certain times of year would stream through a small opening. They also viewed the well preserved remains of a medieval longhouse on Bray Downs.

The Group is organising an illustrated talk on the subject of 'Horses in Agriculture, Industry and Mining'. This will be held at Millennium House on Monday 30th June at 8pm. All are welcome and a small donation is requested from non History Group members. Please phone Angus Holland on 01579 208754 to book a place.

1st Pensilva Scout Group

The adult leadership of the 1st Pensilva Scout Group has changed. In early May, Simon Thorpe left the Group and was sincerely thanked for the time he had given to running the Beaver Colony and Cub Scout Pack.

Barry Hocking was appointed Group Scout Leader and Kathleen Hocking, Akela, the Cub Scout Leader. Having been leaders in the past, they are updating their knowledge and learning how the Scouting of today benefits young people and their communities.

For the remainder of this term, Kathleen will continue to run the Beavers and Cubs together, from 7.00 to 8.00pm in Pensilva village hall. She will be assisted by parents on a rota basis, Barry and members of the East Cornwall District and Cornwall County teams. New Beavers (6 to 8 years old) and Cubs (8 to 11) will be most welcome – both girls and boys.

Barry's responsibility is to recruit and manage adult volunteers to enable the Group to grow. There are two main roles for adults in Scouting: working with young people and supporting those who work with them through administrative roles. *Scout Active Support* allows people to give their time to Scouting on a flexible basis.

If you would like to be involved in offering more young people the opportunity to enjoy Scouting then please contact Barry Hocking.

PENSILVA VILLAGE HALL

Pensilva Village Hall no longer collects paper for recycling as Cornwall Council has decided to stop paying recycling/re-use credits to any charities. The Village Hall committee would like to thank everybody for their donations over the years that we have been collecting paper. Over the last few years you have helped us raise an average of £370 a year.

Anyone wishing to book the hall for meetings, birthday parties or fund raisers please contact Peter or Jackie Browning on:

01579 363212 or email peter@pensilva.freeserve.co.uk

Please note that in addition to hall rent there is a coin meter for heating at 40p per hour

New Repeat Prescription Ordering System – TheWaiting-Room.net

We are changing the way we process repeat prescription requests via our website to bring us into line with revised NHS electronic security requirements. You can also use it to book an appointment online.

Throughout November and December patients were given a form to complete to register an email address with the surgery. Patients who have registered an email address should have received an email from TheWaiting-Room.net, please follow the link in the email to activate your account. If you have registered an email but have not received an email from TheWaiting-Room.net, please check your junk mail firstly or contact the surgery if you have not received one. If you have not completed a form, please see our website for details of how to register. Please be reassured that during the transition, you can use both systems for ordering but please register for the new system as the old system will be closed down shortly.

The Practice team would like to take this opportunity to thank you for your loyalty and support.

FRIENDS OF PENSILVA HEALTH CENTRE

The Annual General Meeting of the Friends of Pensilva Health Centre was held on 20th May 2014 in Millennium House and was well attended. Jean Connor, Chairman welcomed Marlene Carr and Rob Mackinnon who had offered to take on the roles of Secretary and Vice-Treasurer respectively. Both of the fund raising events had been successful and Jean thanked members for their work.

Jody Chan-Penney, Treasurer, explained the Income & Expenditure Account. There have been several major purchases this year, resulting in a lower current account balance. Purchases were: pulseoximeters £480.91; spirometer £1,985.77; cartridges £840.00; 24 hour ECG machine £3,540.00 and cryo therapy pen £778.80.

Dr Ronchetti said that the new equipment is in regular use and its availability is appreciated by patients as diagnosis is possible at the Health Centre. Dr Ronchetti then took the Chair for the election of officers. He thanked Helen Jackson for her work as Secretary and welcomed Marlene Carr and Rob Mackinnon. The officers were then voted in as follows: Chairman - Jean Connor, Vice-Chair - Jack Akrigg, Treasurer - Jody Chan-Penney, Vice-Treasurer - Rob Mackinnon, Secretary - Marlene Carr

The next meeting of the Friends will be on **Tuesday 16th September, 2.00 p.m. in Millennium House**. Our **Christmas Tea** will be held on **Friday 5th December, 2.00-4.00 p.m. in Millennium House**. All are welcome to attend these events.

All Being Well - Monthly Newsletter

This month some apologies and some thanks.

Sincere apologies for having had to cancel the April quiz at very short notice. Several committee members were away that weekend and when I (Joe) fell ill on the Friday there was nothing we could do but to cancel. We did our absolute best to let our regular quizzers know of the cancellation but if you were inconvenienced then we are really very sorry and we hope that you won't let that put you off coming to future events. Sorry!

Thanks! to our sponsors who advertise on the walls of the gym for their continued financial support which really does make the difference between survival and closure. We really are very, very grateful.

And a big thanks to one of our members, Sue Turpin, for her recent fundraising efforts. It's great when someone comes forward with an idea and takes it forward on their own.

If you feel that a bit more exercise would be good for you, even if you think that gyms are "not for you", drop in for a chat and maybe you'll see things differently, because this is one gym where nobody is out of place.

Until next month ... keep well.

Reflections

**A memory, a summer evening,
an outgoing tide,
...and to remember someone you love**

On Sunday 8th June, Cornwall Hospice Care will be holding a moving remembrance event on Swanpool Beach in Falmouth. Anyone who would like to take part is invited to write the name of their loved one and a short message if they wish on a tag which will be attached to a gerbera flower and put on a specially handcrafted raft. Just before 7pm, with some words of poetry and gentle music, the raft will be floated out to sea with the outgoing tide, and pulled by a local gig club.

If you are not able to join us, but would like to add a flower and message to the raft, please let me know and I will ensure your flower is included. To receive a tag for the event, please call Clare on **01726 66868**. Alternatively you can download a form from our website www.cornwallhospice.co.uk.

Kilmar House is the smallest elderly residential home in Liskeard and the personal touch really shows. Each resident is treated as an individual who is free to spend their days as they

wish. We have no rigid routine or schedule that you need to fit into, you tell us your schedule and that is what we work towards!

We may be the smallest home but have a very large house with lots of rooms for residents to spend their time how they wish. We have all the required facilities and activities to make your stay very comfortable as well as a large and productive garden to enjoy.

Please come and visit our beautiful Jacobean home which has been lovingly restored and maintained. You do not need to make an appointment to come and look around, we will always be pleased to welcome you.

We are pleased to offer permanent placements in some of our most beautiful rooms, some with en-suite facilities as well as respite and day care to whatever suits your needs.

"I've lots of life in me yet, so why should I bother with Power of Attorney?"

Mental and physical incapacity can hit at any time, which is why it is strongly recommended that we plan ahead to ease the potential burden on loved ones.

We all know that we should write a will, but too few of us know we should also consider something called Lasting Power of Attorney (LPA).

By 2025, more than 1 million people in the UK will have dementia, according to the Alzheimer's Society. One in five people over 85 already suffers from it, with rates significantly higher among women than men. Handling your financial affairs becomes virtually impossible.

An LPA gives somebody you love and trust the legal authority to look after specific aspects of your financial affairs or health and welfare should you lose the capacity to do so. It's not just for the elderly; younger people may become incapacitated at any time through accident or illness.

If you do not have an LPA in place and later become mentally incapacitated, relatives may face long delays and expense in applying to the court of protection to get access and take control of your assets and finances. An LPA is significantly quicker and cheaper.

LPAs are designed to be recognised by financial institutions, hospitals, care homes and local authorities, as well as tax, benefits and pension authorities. They are legal documents that can be set up relatively cheaply. You may consider having one alongside your Will, the LPA to take effect during life and the Will to take over at the time of death.

Have you written a **Will**?

Have you appointed **Lasting Power of Attorney**?

Have you **protected your property** by placing it in a **Trust**?

Do you have a pre-paid **funeral plan**?

Would **equity release** be of benefit or consideration?
