From the Editor

It looks as though we won't be short of things to do for the next few months, judging by the number of summer fairs and celebrations advertised in this month's issue. As well as Pensilva Gala Week (Aug 3-9) and St Ive Village Show (Aug 30) there's the Pensilva School PSA Centenary Fair (Jul 19) and the Pensilva WI Horticultural Show (Sep 13). And that's just in our own Parish! You will also find details of several events in the surrounding parishes. There also seems to be a rash of discos! As well as the Gala Day disco at MH and Live Music at the Vic (Aug 9) there's the Pensilva Youth Projects disco (Aug 1), plus the Neighbourhood Development Plan are hosting two free discos (Jul 5 for over 18s and Jul 12 for under 18s) and a free tea party (Jul 14) which is presumably intended for those of us who are very considerably over 18! Also note the Community Lunch at MH on July 6, and much more.

On a different note, I've been busy preparing for the Millennium House Forum inaugural meeting on June 25. I really hope that the Pensilva community will take advantage of this opportunity to take responsibility for its community centre. I'm delaying printing of this issue till the last possible moment so as to include a report on this meeting. I hope it will be good news! (Report on pgs 10-11).

All the best. Joe

VOLUNTEERS FOR YOUTH GROUP

Parents – are your children at a loose end of an evening?

We need volunteers to run more evening sessions at our Youth
Café in Millennium House.

We have a successful Thursday evening session from 7 to 9 pm and would like to run further evenings, but we need volunteers willing to help with the teenagers.

If you can commit regularly to one evening a week and would like to know more please contact the Parish Clerk on 01579 363096 or stiveparish@btconnect.com

The Latest from Your Parish Councillor - Martin Corney

I've heard people complaining about noise from the wind turbine at Charaton. I've been to visit the area to see how bad the noise is. I've been there in light winds but couldn't hear anything over the racket of the local blackbird. I've been back when it was blowing hard, but any noise was drowned out by the wind in the hedge.

Some nearby people say they can hear the turbine from their homes, other locals say they don't know what the fuss is about. I've asked people to invite me to listen when it's noisy, without a response. I conclude that, like the emperor's new clothes, the unacceptable noise just does not exist. I sympathize with the horror of having a large object intruding into our much loved landscape, although others have told me it is a thing of beauty. I think that wind turbines are much better than coal power stations and necessary to replace fossil fuels and stop global warming. What do you think? You can have your say in the Neighbourhood Development Plan survey which should be delivered with this newsletter. Your response to this survey will form the vision for the future of our parish, so it is very important. I and the working group will be hunting for completed surveys at as many parish events as we can get to.

By the time this goes out we will have had our Millennium House Forum inaugural meeting. These meetings are really important for the future of our community centre, so keep on coming along to have your say. You can also have your say on the parish website or parish Facebook page where the event is posted.

I'm really pleased that I've had approaches from people interested in volunteering with the youth club (which is now an official charity with a number and all that) and thanks very much for the kindly donated filing cabinet. It's surprising how much paperwork is created when we do things properly. Don't forget the parish website st-ive-parishcouncil.gov.uk with council meeting agendas and minutes; also downloadable copies of the Parish Pump. For those of you who do Facebook, our St Ive Parish Council page is still being updated with parish news.

Phone me, email me on martin.corney@btinternet.com or "martin corney blog st ive" in search engines will find my blogs for you to comment on these articles and other gems.

From Cllr Steph McWilliam – July 2014

Well, the budget setting process has begun and promises to be even more difficult than last year. There is no doubt that some difficult decisions will have to be made again and some people are going to be disappointed at the loss or changes that result. One that has not yet been decided is about the mobile library service. I have received the results of the consultation and there is no doubt that this service is highly valued. However, the results also suggest that some people, perhaps the most vulnerable, might benefit from a change from a mobile van to a home delivery service. Three options will be discussed shortly and, at the moment, I am inclined to think we will be better off making more radical changes now that can then be maintained for the next few years rather than having to make minor changes each year. However, no decision has yet been made.

I am also surprised and concerned at the figures for waste management and highways maintenance. It would appear at this stage that we spend almost three times as much on waste as on maintaining our roads, which feels wrong. I am currently looking into this to see if I am missing something.

I am also taking a much more active interest in how Cornwall Council can help to ensure that the huge amount of EU funding we receive will be more effective in the years ahead. Despite having received about £500 million over the last 14 years, Cornwall's economy has slipped back to 64% of the EU average. I appreciate that some investments take a long time to take effect but it does make you wonder if some of the spending decisions have been less effective than we would wish.

Finally, can I please just remind everyone to be very careful of scammers? There seems to be a new one where a phone call, pretending to be the police or your bank, asks you to call your bank as your card has been used fraudulently. However, when you think you are doing this, they stay on the line and then ask you for your card details and PIN. Please remind everyone that your bank will never ask you for your PIN over the phone.

We are still having problems with parking in some parts of our parish. Please be considerate of others and, if you are able bodied, do consider being prepared to park just a few yards away from your door, especially if you have several vehicles.

Do enjoy this lovely weather and our beautiful county but also spare a thought for those less fortunate and look out for each other.

Thank you.

Millennium House Forum – inaugural meeting

I'm writing this in the immediate aftermath of the inaugural (very lively!) meeting of the Forum on the evening of June 25th. I reckon close to 100 people attended, though only 43 signed the register. As always, when MH is being discussed, strong feelings were in evidence, but I'll deal first with the principal presentations.

In my introduction I tried to explain that if you want to be listened to you need to approach the problem in an informed and balanced way and you need to offer viable alternatives, not just criticism.

Alan Neal then gave us a comprehensive history of the Pensilva Community Centre project, going back at one point, I believe, to the 1940's! In a nutshell, it seems that this subject has always had the potential to divide our community right down the middle.

Peter Dipper's presentation was called "The Future" and was mainly a run through the MH Finances. MH made a loss of almost £57,000 in 2013-14, and this ultimately has to be paid for out of the precept, i.e. by the ratepayers of the Parish. This level of losses is completely unsustainable, hence this year's "restructuring" exercise, which Peter also explained.

After these two presentations we were left in no doubt as to the scale of the task we are taking on. We then had the first Open Forum to decide on what that task should be, i.e. what ought to be the objectives of the MH Forum for this and subsequent meetings. To get us started we voted on and accepted the following: "The objective of the Forum is to formulate a plan for Millennium House that we, as the voice of the users of Millennium House, will recommend to the Parish Council. The plan must command the support of the community as a whole and must be viable and sustainable in the short, medium and long term."

In the second Open Forum, people were invited to give their opinions on various aspects of the MH setup, the idea being that this would tell us where we needed to concentrate our efforts. It's fair to say that the discussions and the informal voting that we carried out reflected a lot of discontent.

Next, Martin Corney spoke about some of the options that the Parish Council had looked at for separating the management of MH from other Council activities. Martin's preferred option was that a charitable organisation should be formed to manage MH, separately from but on behalf of the Council. Among other advantages, this would save 80% of the MH business rates, a saving of over £8,000 a year.

Millennium House Forum – inaugural meeting... continued

Lastly an open discussion on how the MH Forum itself should operate. The meeting voted almost unanimously for monthly meetings and for the establishment of an elected committee. The election will be the first item on the agenda at the next meeting of the Forum on **Wednesday July 16th at 7:30pm in Millennium House**. Also passed were the following: a sub-group will be formed to look in detail at financial aspects and report back to the main Forum; the next meeting will be devoted mainly to suggesting detailed improvements in the day to day running of MH; we encourage people to use the suggestions box at Reception (if you want your idea discussed at the Forum please make that clear); there will also be a flipchart in the foyer specifically for suggestions for the MH Forum.

I mentioned that strong feelings were in evidence and this showed itself in the form of some heated (but reasonable) interjections from the floor, the tone of which was of strong criticism for the way MH is running at the moment. Unfortunately there was also some general disruption and personal abuse from one or two people, which I personally found inexplicable. If people are unhappy with what is going on, and a group is formed specifically to put that right, I have to ask myself why it should seem like a good idea to disrupt the meeting of that group and thus make it more difficult for them to achieve what we all want to achieve. What worries me is that there will have been people who attended the meeting in good faith, wanting to help to put things right, who will be put off attending in future. Also, if we want to be listened to, we need to be taken seriously as a group, and I'm not sure that last night's meeting will have helped our cause one bit in that respect. That was a slightly disappointing (though not unexpected) aspect of our inaugural meeting.

All in all I think the meeting was useful and at least the process has now begun. I repeat that, in my opinion, the users of MH have a golden opportunity, right now, to exert a far greater influence on the way MH is run. And I'm not just talking about the day to day details but the overall structure, strategy and ethos of the organisation. If you believe that this is something worth achieving then I urge you, please, to continue supporting the MH Forum. Thanks. Joe Bicarregui.

Next meeting Wednesday July 16, 2014 at 7:30pm in Millennium¹¹ House

FABULOUS NEWS We are delighted to announce that Jacqui Batterbee, who lives in the village, has agreed to become our Treasurer. She brings great experience and knowledge with her from running her accountancy business and we look forward to working with her.

AND SOME SAD NEWS Gillian is emigrating to Canada in early July and will be missed enormously by all who have worked with her. She was a founding member of the project, our Treasurer and my key support person. Gillian made it her business to build the veg box scheme and has done so brilliantly, giving those customers a great service. Goodbye and good luck, Gillian; you are much appreciated for all you have so generously given.

THANK YOU to those of you who came to our Open Day on 21st June. We hope you had a good tour, guessed the weight of the puppies and added some of your ideas to our future plans.

LOCAL PRODUCE We are so pleased with the lovely vegetables being grown for us by Laura at Tregillis Organic Farm nr South Petherwin. An experienced horticulturist, she is bringing weekly deliveries of salad leaves, lettuce, mange tout, kohlrabi and whatever else she has ready. The quality and freshness is unbeatable and a great back-up to what we contribute to the boxes. At the moment we are on our 2nd flush of broad beans, with peas and French beans coming through soon and courgettes and tomatoes not far behind.

VOLUNTEERING We are always keen to welcome new volunteers; there's certainly plenty to do. We meet every Weds 10 a.m.– 2pm, have a great time together and get fit too. Lunch provided.

VEG BOX SCHEME To enjoy fabulous fresh local fruit and veg, order your veg box now:

Box Prices are: £7.50 for 1 /2 people, £10 for 3/ 4 people, £15 large family box and the very popular £5 fruit bag.

We also supply organic wholefoods and have a stall at the monthly Farmers Market.

The Growing Project CIC is a Community Interest Company producing organic fruit and vegetables. We have opened the growing space at Kenwyn to the community and welcome volunteers for all sorts of jobs.

Pensilva W.I. report

There was a lovely smell of aromas at our meeting on 11th June when Dr. Tony Curtis, a lecturer and expert in aromas gave us a talk. He said he would change our view of life for ever. Perfumes are more than just a nice smell. They appeal to our senses as well as our brains. Our brains have many pathways that remember smells good and bad. People without a sense of smell often get depressed because they cannot smell the food that they are eating so they do not get the same satisfaction from their food. Not everyone smells aromas the same. We also smell with our eyes and if we see something red we think it smells of fruit.

We smell with all of our senses and we all smell differently. Dr. Curtis then passed around sticks impregnated with perfume for us to smell and to try to identify. He finished off his unusual and interesting talk by saying that the best perfume is what works for you.

Flower of the month was won by Francis Tucker, 2nd Mary Gilbert, 3rd Jean Hoare. The competition was won by Verna Dawe, 2nd Elsie Borsby, 3rd Francis Tucker. The next meeting on 9th July at 8pm: Nick Bacon will talk about Garden Medicine. Visitors are welcome.

Hi all!

It's been a while since I have written an update on any Park Project matters, but we have some exciting news! We have just been awarded £20,000 from Viridor Credits! This is a fantastic achievement and is thanks to the brilliant efforts of Helen Tubby and Vicki Payne.

This means we are now in a position to move forward with putting a fence around the play park along with a path suitable for pushchairs, wheelchairs and young children with scooters etc.

We have also just placed an order for 2 more bins and 2 picnic benches (1 of which has been very kindly donated by Pensilva Pre-School!) Thanks to Di Scott for her work on this.

At present, we plan for the work to be carried out in September as the park will need to be closed for 1 week. This is to make sure that there is no disruption to the park and recreation field during Gala week and the school holidays.

Unfortunately, it is with disappointment that I have to inform you that the children's train has been damaged. This has had an impact on the younger children's enjoyment and our finances as we need to replace some parts. Please could I encourage you all to talk to your children/teenagers as this will not be tolerated and any future vandalism will be reported to the police.

Please can I also remind you that dogs are not allowed in the park or the adjacent recreation field.

However, on the whole, the park is being greatly used and enjoyed by our children. We have received so much positive feedback from families from other towns and villages that our park is brilliant and many return time and again to enjoy it!

Thanks again for the ongoing efforts made by the Pensilva Park Project committee members. My reports in the Pump may have been absent lately but the hard work has continued!

Thank you all. You know who you are!!

Best Wishes

Clare Lambert, Chairperson

From St Ive Parish Council...

We are disappointed to hear about antisocial behaviour and damage to a piece of equipment in Pensilva play park. This equipment is for the community to use. As a community please report any antisocial behaviour.

***** COVER STORY *****
FUNDRAISING FOR
PENSILVA SCHOOL SWIMMING POOL

The front cover picture is of Jill Harris dressed as a banana, on the 2nd day of her amazing fundraising effort! As advised last month, she wore 14 different costumes, all day, on 14 different days, raising over £1,300 (so far). A fantastic effort! Thanks to everyone who contributed. Further donations can be made via the school secretary.

The elephant who chose the picture for this month's cover said "It was very close with many great entries. I definitely thought maybe the elephant might possibly win it, but the banana produced the goods when it mattered and was best on the day."

Please come along and join us in celebrating 100 years since the school was opened!

Have you worked there in the past or been a pupil? Or are you thinking of sending your children to Pensilva School and would like to have a look around? Everyone is welcome.

The money raised on the day goes to the PSA and directly benefits the children.

FREE DISCOS & TEA PARTY

The Neighbourhood Development Plan Working Group are hosting free events as part of our community engagement plan for our survey. All you have to do is bring along your completed survey to the Millennium House event or complete one at the door.

For the over 18s the free disco with bar is from 7pm on Saturday 5th July. For the under 18s the free disco with dry bar is from 6pm on Saturday 12th July.

For those who don't like discos the free tea party with cake is from 3pm to 5pm Monday 14th July. (Maximum 30 people)

CARADON MOVEMENT IN MOTION SOCIETY

That time has arrived again for a catch up from M.I.M.S.

By the time you are reading this newsletter the group will have celebrated their anniversary and been up and running for twelve months.

The group first met on Friday 21st June 2013 at the Victoria Inn and decided to set up a group for some exercises and gossip. The first meeting was held a week later at the village hall and we have had a very successful 12 months expanding from the first 12 members to 21 members, also enjoying some hilarious meetings with lots of fun and laughter. There have also been some very enjoyable social gatherings and meals at various venues with most of the members attending.

The group welcomes all our new members and will welcome any that would like to come along and give us a try. You will find us in the village hall every Friday between 1.00pm and 3.00 pm so come along if you would like to do some light exercise and have a laugh at the same time.

Here's hoping for many more years of fun and laughter.

Once again congratulations to all the members for making it a very successful year.

All Being Well - Monthly Newsletter

Tel: 01579 363890

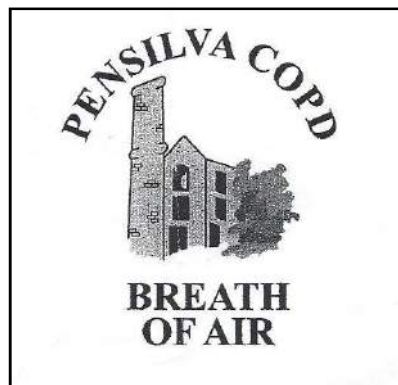

This big news this month is that we have submitted our application to Awards for All (National Lottery) for funding to replace our two treadmills and two cross-trainers and for a new upper-body trainer that is suitable for wheelchair users (and others with mobility problems). This new machine will supplement the Uppertone machine that we have already for wheelchair users, enabling them to combine fitness and strength work. We said goodbye to Ross Trathen this month. Ross has worked the Wednesday evening shift for a couple of years now and is leaving us due to his study commitments. He leaves with our thanks and our sincere best wishes for the future. At the time of writing we are talking to a couple of young men about joining our small but dedicated team.

Thanks to those who attended the June Quiz which was most enjoyable and raised £45 for gym funds.

Meanwhile things continue as normal at the gym., though the beautiful weather is not necessarily good for attendances.

Until next month ... keep well.

Liskeard Relay For Life

This year's 24 hour team walk ended on the Sunday at midday having raised a total of over £22,600 for Cancer Research UK. An incredible amount raised by the fabulous people who participate in this local event (the only one in Cornwall for the last 2 years) on the day, and for all those fund raising events organised and supported before the big weekend.

The weather was wet - really, really wet, for the most part and it was no mean feat for the walkers to keep their spirits high and carry on regardless.

Everyone's support, no matter how big or small made the difference, and it is all greatly appreciated.

We look forward to seeing you next year – in the sun!

Thank you

Our final total will be known on July 13th so if there are any outstanding donations to be made please contact Alex on 07985387472

Kilmar House Residential Care Home

**We pride ourselves on being different!
01579 343066**

Kilmar House is the smallest elderly residential home in Liskeard and the personal touch really shows. Each resident is treated as an individual who is free to spend their days as they

wish. We have no rigid routine or schedule that you need to fit into, you tell us your schedule and that is what we work towards!

We may be the smallest home but have a very large house with lots of rooms for residents to spend their time how they wish. We have all the required facilities and activities to make your stay very comfortable as well as a large and productive garden to enjoy.

Please come and visit our beautiful Jacobean home which has been lovingly restored and maintained. You do not need to make an appointment to come and look around, we will always be pleased to welcome you.

We are pleased to offer permanent placements in some of our most beautiful rooms, some with en-suite facilities as well as respite and day care to whatever suits your needs.

"I've lots of life in me yet, so why should I bother with Power of Attorney?"

Mental and physical incapacity can hit at any time, which is why it is strongly recommended that we plan ahead to ease the potential burden on loved ones.

We all know that we should write a will, but too few of us know we should also consider something called Lasting Power of Attorney (LPA).

By 2025, more than 1 million people in the UK will have dementia, according to the Alzheimer's Society. One in five people over 85 already suffers from it, with rates significantly higher among women than men. Handling your financial affairs becomes virtually impossible.

An LPA gives somebody you love and trust the legal authority to look after specific aspects of your financial affairs or health and welfare should you lose the capacity to do so. It's not just for the elderly; younger people may become incapacitated at any time through accident or illness.

If you do not have an LPA in place and later become mentally incapacitated, relatives may face long delays and expense in applying to the court of protection to get access and take control of your assets and finances. An LPA is significantly quicker and cheaper.

LPAs are designed to be recognised by financial institutions, hospitals, care homes and local authorities, as well as tax, benefits and pension authorities. They are legal documents that can be set up relatively cheaply. You may consider having one alongside your Will, the LPA to take effect during life and the Will to take over at the time of death.

Have you written a **Will**?

Have you appointed **Lasting Power of Attorney**?

Have you **protected your property** by placing it in a **Trust**?

Do you have a pre-paid **funeral plan**?

Would **equity release** be of benefit or consideration?
