LETTER RECEIVED BY THE PARISH PUMP IN RESPONSE TO COUNCILLOR CORNEY'S PIECE LAST MONTH.

Cllr Corney implied in his article in the July 2014 edition of the Parish Pump that the noise generated by the High Down turbine was merely a figment of the imagination of local residents. As a resident of Lower Charaton with a property located 650m from the turbine I can provide assurance that the turbine DOES create an unacceptable level of noise that disturbs our lives and our sleep. Natural sounds such as birdsong and the noise of the wind in the bushes are an acceptable part of the rural soundscape whereas the industrial swoosh of the turbine blades is an alien sound in this Area of Great Landscape Value. On shore turbines are an inefficient means of creating electricity and there are other more efficient solutions available to create green energy such as hydroelectric installations and off shore turbines to name but two. As a member of the Green Party Cllr Corney would be expected to support on shore wind turbines but the legitimate concerns of local residents should not be lightly dismissed.

Kind Regards, Dr Lisa Heely, Brook Barn Farm Lower Charaton

The Latest From Your Parish Councillor - Martin Corney

I heard it. It was a spookily misty night so I stopped to listen, as I'd been advised these were the best conditions to hear it. If I strained to listen I could just hear it going whoosh, whoosh, whoosh. The wind turbine at Charaton does make a noise, and the wind was taking the noise away from me. It might be louder on a different day, but so far it has been acceptable in my opinion.

If you feel strongly about all sorts of things in the parish, don't forget that you should fill in the Neighbourhood Development Plan Survey that was delivered by hand to every household in the parish last month. This survey will be used to decide the future of our parish for the next twenty or thirty years, whether we get new housing estates, wind turbines, solar farms, the lot. So fill your survey in and drop it in to one of the collection points before 12th August 2014.

The future of Millennium House as our Community Centre is still being discussed at the forum. I'm writing this before the next meeting, which I hope will look to the future rather than the past. Since I live in St Ive rather than Pensilva, I didn't realise how controversial this building was a couple of decades ago. The building exists and is not going away. I just want it to be used efficiently for the benefit of the community. That way we won't have to pay increased council tax to keep it going.

Phone me, email me on martin.corney@btinternet.com or you can comment on my blog. Search engines will find me at "martin corney blog st ive".

Cover Story - Pensilva F.C. ready to step up

A very successful season in 2013-14 saw the Pensilva soccer team win the Duchy League Premier Division title and also complete the double by winning the Launceston Cup for the 4th time. They have now been accepted to play in East Cornwall Division 1 - a step up in class for the players and also in terms of the facilities the club must provide for home matches.

The first match of the new season is on Saturday August 16th at home to Nanpean, 2.30pm kick off. Supporters very welcome! Why not turn up and help get them off to a flying start?

Other home matches in August: Sat 23rd, 2.30pm kick off versus Mevagissey and Tues 26th, 6.30pm kick off versus St Stephens Borough. The reserves have a home match on Sat 30th, 2.30pm kick off versus Real Saltash.

If you want to know more you can visit the team's website at:
www.clubwebsite.co.uk/pensilvafc/Home

We wish them the very best of luck!

From Cllr Steph McWilliam – August 2014

It is summer, the sun is shining as I write and this month I would like to focus on the positive news from Cornwall Council. It is so easy always to talk about the problems and things that aren't going so well but actually there is a lot of good work going on too.

We are fortunate to live in a low crime area and, despite the pressures on the budget, our policing teams are still managing to look after us very well. That doesn't mean we should be complacent and we must still be careful about locking our doors etc. Please speak to children about not getting into vehicles with strangers (there was an incident recently, though fortunately the child refused and came to no harm) and continue to look out for neighbours but be thankful we live where we do.

Cornwall Council has been awarded extra funding for the Arts, which should help maintain our cultural heritage and tourism industry.

Hopefully you are seeing improvements in the roads with more potholes filled and more roads repaired. I can also confirm that winter problems have not been forgotten and officers are looking for solutions to prevent trouble in future bad weather.

Work to encourage new businesses to come to the AeroHub at Newquay is helping provide new jobs and the subsidy needed for the airport is coming down. Recent employment figures for Cornwall are also positive, although we realise this is partly due to seasonal factors.

The quality of education for early years is very good with over 80% judged to be good or outstanding so our young children are getting a great start here in Cornwall. There has also been praise for Cornwall's Together for Families programme, which helps get troubled families back on track.

A team of Councillors is meeting to try and make Cornwall the 'Land of Steam' again, working with all interested people and groups. The aim is to have more steam trains running again, including restoring the turntable at St Blazey.

There is much more good news but I have just picked out a selection for now. There are difficult and unpopular decisions to be made in the coming months to balance the books. There are still some frustrations about outstanding work or planning decisions but I hope you agree that, now and again, it is worth taking a moment to appreciate what we do have. We live in the best part of the UK and we have great local communities. A large part of my work is to try and help sort out your problems, which I am very happy to do. However, this month it would be great to hear from you about what Cornwall Council does well. If an officer has impressed you with the response to your query, do let me know.

Thank you.

Millennium House Forum – 2nd meeting 16th July 2014

The meeting started promptly in a very hot and stuffy upstairs committee room. 38 people signed the register. I did the initial formalities and oversaw the election of the chairman. Nobody seemed keen to volunteer for the job, in fact Paddy Long was keeping his head so low that I took him to be absent! I was half way through proposing him *in absentia* when the people sitting around him shopped him and he reluctantly revealed himself. After a little persuasion Paddy accepted the nomination, was elected and ably chaired the remainder of the meeting. Marlene Carr was nominated as secretary and was also duly elected.

Paddy then took us through the letters that had been sent to the Forum which contained a range of ideas. We also went through the suggestions that had been written up on the flipchart at MH reception; better provision for young people was a strong theme here. A group representing the Short Mat Bowls again raised the subject of room rentals. They are aggrieved at having to pay to use the Function Room when the skittlers do not. We will try to obtain bar sales figures for the evenings in question as this seems to be the nub of the problem. This discussion led to a wider debate about the level of charges for room hire and we will no doubt return to this in the future.

After about an hour, and in response to a suggestion from the floor, it was decided to take a 5 minute break and to reconvene in the (much cooler!) Function Room, where everyone would have the chance to join any one of four discussion groups formed to discuss various aspect of MH. Group discussions continued for about 45 minutes and then each group reported back to the whole forum on its deliberations.

The group looking at “Events” came up with a list of suggestions, namely: Xmas Panto: Open mike nights: Discos (Including Family Discos); Choir and Brass Band concerts; Tea dances; Art and Craft exhibitions; Film nights; Weddings; Comedy nights; Murder mysteries. As a spin-off from this group came a suggestion that a Publicity working group should be formed to ensure that new and existing events are better advertised.

The group looking at Finances concluded that it needs to see detailed figures, perhaps starting with the most recent quarterly results but with the ability to drill down to the underlying figures. This group emphasised strongly that the object of the exercise is in no way to find fault but to help to establish what works and what doesn't.

Continued opposite:

Next meeting Wednesday Aug. 13, 2014 at 7:30pm in Millennium House

Millennium House Forum – 2nd meeting 16th July 2014... continued

The group looking specifically at the Function Room (and room hire generally) suggested: darts and euchre teams should be encouraged: adult education classes should be publicised locally in the Parish, not just in Cornwall Council literature: digital photography group: there needs to be a pricing strategy for room hire and this needs to be published openly.

The group looking at Bar and Catering concluded that it needs to start by approaching the Parish Council and agreeing a remit for the group.

The meeting closed, a little late, at about 9:40pm.

At the end of the evening I was left with the feeling that the work of the Forum had finally begun and in a very positive way. There was a lot of very constructive discussion and some concrete suggestions that ought to be followed through to fruition. Personally I really like the idea that working groups will do their work between Forum meetings and report back monthly. In addition to groups already formed I can envision more - perhaps a group looking at helping to increase provision for young people and one looking at volunteering. Personally I intend to be active on the Finance working group.

Lastly, the Forum will be compiling a list of all the groups that use Millennium House and we would like to have one or more named individuals from every group representing their group on the Forum, or failing that to act as a contact point. This would be great for the Forum but would also be good for the groups, who would thus ensure that their views were heard and their interests represented. So, if you are involved in a group that uses Millennium House, please bring this up with your group and get in touch with our secretary Marlene Carr on 01579 362919 or email katchina@hotmail.co.uk

Please support the Forum in trying to find a way to make Millennium House viable and so benefit the entire community - including those who don't use MH!
Thanks. Joe Bicarregui.

PC Garth Hatt highlighted a scam currently targeting Cornwall, in which offenders, posing as police officers, telephone residents in an attempt to gain their confidence and then defraud them:

HOORAY – MAEL AND CLEMENT ARE BACK Our French students, who were here for 6 weeks in the spring, are back for another 4 weeks during their summer holidays. They had beans and peas they planted in April for their dinner last week and it was a first for both of them to harvest something they had cultivated. They will be in charge of the tomatoes while they're here, which looks like it will be another bumper crop.

They've already helped build new raised beds in the new tunnel and lay the woodchip paths. We're planning that they will also help head builder Martin Corney construct a rain-watering harvesting system to irrigate the original tunnel, which gets very hot and dry in this lovely weather.

VEG BOX SCHEME Becky, one of our volunteers, has taken over packing and delivering the veg boxes, now Gillian has gone, so you will see her round and about the village on a Weds afternoon.

To enjoy fabulous fresh local fruit and veg, order your veg box now:

Box Prices are: £7.50 for 1 /2 people, £10 for 3/ 4 people, £15 large family box and the very popular £5 fruit bag.

We also supply organic wholefoods and have a stall at the monthly Farmers Market.

GUESS THE WEIGHT OF THE PUPPIES The lucky winner of the GTWOTP competition at our Open Day was M.H: if you know who you are, please let us know so we can give you your prize. On 21st June, they weighed 23.9kgs: I expect they're 3x that now.

GALA DAY Keep your eyes peeled for events happening here over gala day. We will run the mushroom log workshop again, give garden tours and draw the raffle, for such fantastic prizes as the knitted gardener and a special veg box.

AND VOLUNTEERING is still as much fun as ever, with a delicious lunch and lots of bonhomie and support. Every Weds 10am – 2pm.

The Growing Project CIC is a Community Interest Company producing organic fruit and vegetables. We have opened the growing space at Kenwyn to the community and welcome volunteers for all sorts of jobs.

Pensilva W.I. report

We had an interesting, unusual and wonderful evening at our July meeting when Nick Bacon gave us a talk entitled 'medicine for the garden'. Not medicines for humans but for the garden plants. Nick has worked for Trelawney Gardens for a number of years and he started gardening at the age of six when he asked his parents for pocket money and was told he must work in the garden to get pocket money. The first enemy of the garden, as we all know, is the dreaded slug! Nick said that the big black slug is not bad and should be put into the compost bin but the brown smaller slug is the enemy of plants. Slugs and snails eat 1lb.12ozs of leaves a year and lay 500 eggs! Lots of people use pellets, not good for the birds and you should only put about six pellets round your pots or the plants in the ground. Beer is good, salt can be used (not so nice), egg shells, grass clippings, sheep's wool, (can be bought as "Slug Gone") copper wire, diluted cat's urine (they hate the smell); companion planting helps as does horse hair.

When you plant up a pot, after putting in about a quarter of soil put some pellets in and finish planting up the pot. The slugs eat the pellets, die and you have some fertiliser. If you take any cuttings of plants dip them in custard powder, yes custard powder! This also keep the slugs away from your cuttings. When you grow potatoes take off the eye and dip in custard powder and you get really large potatoes. Weedkiller can be put into an old deodorant roll on: take off the ball, fill with Weedkiller and just roll on the weeds. To deter cats, old teabags and muscels spray put under the plant will keep away cats, they do not like the smell. There were many more fascinating tips from Nick, but space defeats me. He very kindly planted up a couple of pots for the raffle. The recent trip to Heligan Gardens was enjoyable and so was the trip to Trethorne for Ten Pin Bowling followed by a meal. Some members entertained the Chernobyl children and their teachers with games and some craft work. Tea was held at Jean's house and they also received a goody bag to take home with them. They had a lovely time and all enjoyed themselves.

Flower of the month was won by Jean Hoare, 2nd - Ann Robinson, 3rd - Jill Pascoe.

Competition of Lavender biscuits was won by Jean Hoare, 2nd- Cherry Woodhouse, 3rd- Jenny Thomas.

The next meeting is a social evening on 13th August when we shall go to Ken-Caro gardens followed by a bring and share supper at Jean's.

All Being Well - Monthly Newsletter

Tel: 01579 363890

We have a new exercise bike at the gym! For this we can thank the administrators and beneficiaries of the estate of Jim Sykes, who got in touch with us to ask whether we could make use of it. Jim was one of our founder members and a member of the committee that originally set up All Being Well. In fact it was through his work that we obtained the funding that enabled the gym to be set up in the first place; without Jim it might never have happened. It feels right to have something in the gym that reminds us daily of Jim and his wife Doreen and of the fantastic contribution that they made in those early days - some fifteen years ago!

We are all busy on a number of fronts at present. In addition to the vital day to day business of the gym we are preparing for Pensilva Carnival week and processing quite a lot of boring but necessary administrative matters. On a positive note we are delighted to welcome Paul and Rob to our small, friendly and dedicated team of instructors. They both seem to have fitted in really well and we feel lucky to have them.

That's it! Until next month ... keep well.

We meet every Monday 12.30 to 2.30pm at Pensilva Village Hall

We are people with long term conditions

Everyone is welcome. Come along for some fun, a cup of tea and biscuits, with a social, light exercise group.

Instead of sitting at home come and meet us for some company.

Kilmar House is the smallest elderly residential home in Liskeard and the personal touch really shows. Each resident is treated as an individual who is free to spend their days as they
