From the Editor

Well Carnival Week is over for another year. I hope that everyone enjoyed it and that the various events swelled the coffers of some of our village groups. I thought Gala Day afternoon went really smoothly and was fun; the weather helped of course. My highlight would have to be the hearing dogs demonstration, but it was also nice to see the younger element getting stuck into the Infinity Tower. I hope both items become a fixture. Many, many people go into making something like this a success, so it's invidious to pick out individuals, but I'm going to try anyway! Special thanks for making Gala Week a success to Judith, Karen, Katrina, Keira, Keith, Kelly, Paddie, Sadie and Sarah as well as various Parish Councillors. If I've missed you out then it's entirely my fault - apologies and thanks to you too!
Enjoy this month's Parish Pump! All the best - Joe

VOLUNTEERS FOR YOUTH GROUP

Parents – are your children at a loose end of an evening?

We need volunteers to run more evening sessions at our Youth
Café in Millennium House.

We have a successful Thursday evening session from 7 to 9 pm and would like to run further evenings, but we need volunteers willing to help with the teenagers.

If you can commit regularly to one evening a week and would like to know more please contact the Parish Clerk on 01579 363096 or stiveparish@btconnect.com

The latest from your Parish Councillor—Martin Corney

One of the benefits of having the solar farm in our parish is that we get payments to use for charitable purposes. The Parish Council has decided to use the current payment as seed money to improve the children's play facilities at St Ive Cross. The idea is for something like the Pensilva Play Park and Skate Park. To set this going,

Councillor Keith Mutton and myself will be holding an initial meeting in St Ive Methodist Chapel at 7 pm Tuesday 2nd September. Come along and join us in improving our children's environment in St Ive.

The six week period for completing the Neighbourhood Development Plan Survey has now finished. The number of completed surveys has been impressively large. Well done everyone. The results are being turned into graphs even as I write this, and by the time you read this a report will be available on the internet. (See the parish website.) To turn the results of our survey into a plan we can all vote on, we could really use more people on the NDP Working Group. If you have any experience in planning or report writing - Your Parish Needs You - please contact me.

The Millennium House Forum meetings are getting down to business now. I'm sure that Joe will cover the last month in detail, but don't forget that you can also have your say on the parish website or parish Facebook page.

The youth club now has a couple of laptops. Although they also have fun, the main reason for the laptops is practical. We will help school leavers put together CVs, personal statements, and job applications. I also intend to offer a service to people who missed out on learning about emails, but would like to communicate with distant friends. We could get together in the Millennium House Cafe. Do you think there will be any takers?

Don't forget the parish website st-ive-parishcouncil.gov.uk with council meeting agendas and minutes; also downloadable copies of the Parish Pump. For those of you who do Facebook, our St Ive Parish Council page is still being updated with parish news. Phone me, email me on martin.corney@btinternet.com or "martin corney blog st ive" in search engines will find my blogs for you to comment on this article and other gems.

From Cllr Steph McWilliam – September 2014

I have only been down to Truro twice in August, once for the commemoration of the start of World War One and once for a meeting of Group Leaders about a governance review. The commemoration was simple but effective and I was impressed by the thought that had gone into planning it.

The governance review is to consider how well the changes from the last council are working. With a cabinet system, it is easy for ‘backbenchers’ like me to feel that we don’t have much influence over the way decisions are made. However the Portfolio Advisory Committees (PACs) are intended to give us a voice but they are still quite new so it is good to see Cornwall Council reviewing how effective they are.

I also met with the Chief Executive, the Finance Director and another Director of CORMAC at their Bodmin offices. I want to be sure that this ‘arm’s length’ company is providing the best possible value for Cornwall’s council tax payers and I am pleased to be able to say that they were very open and frank in their discussion with me. There is much to be positive about but they recognise that there are some areas where they need to do more (e.g. market testing) and I will keep meeting with them to see how this progresses.

Although there are fewer meetings in August, planning goes on and probably takes up the largest part of my time. This is reasonable because these decisions are important and affect people’s lives for many years to come. However, a few of them do provoke strong reactions and can cause division in the community. Can I please ask again that we all accept we have to live with the planning system we have, decisions are made according to this system and that we keep any discussion factual rather than personal?

I did manage to take a few days off whilst my family were down and see Cornwall from a visitor’s perspective, not that my daughters would consider themselves visitors! I can highly recommend the Camel Trail and the use of the excellent Park and Ride scheme if you visit Padstow in the summer.

Thank you.

St Ive Playing Field play equipment.

St Ive Villagers (especially those with young families or grandchildren who use the field) are invited to a meeting to discuss the need for replacement play equipment. The meeting will be at St Ive Methodist Chapel on Tuesday 2nd September at 7pm. The Solar Farm has contributed funds which the Parish Council has earmarked for use towards raising outside grants to renew the play equipment.

We would now like YOU to come and tell us what it is YOU would like in YOUR field, and if possible to work as a team to bring the plan to fruition.

Please come along, tell your friends and neighbours and help us make the Playing Field something to be proud of again.

CARADON MOVEMENT IN MOTION SOCIETY

The time has arrived for another newsletter from M.I.M.S as we call ourselves.

There is not a lot happening at the exercise group this month except we have had another new member added to the group this month.

You can still find us in the parish pump under the Pensilva Village Hall with a contact number.

As group secretary I have the honour to say goodbye to one of our members husband whom the club members knew who has recently passed away. Having all known him for 12 months and seen the way that he dealt with the illness and all the troubles that came with it we admire his courage with the way he conducted his life.

The group extend its condolences to his wife and all the family and sincerely hope that they see a way past this terrible time.

There is not a lot else to say this time except "cheerio pistol Pete".

Millennium House Forum – 3rd meeting 13th August 2014

Sixteen people attended the third meeting, a number which unfortunately did not include our chairman, who was unable to attend due to an important meeting in Truro. Perhaps as a result of his absence the meeting was quite informal, though we did manage at least to approve the minutes of the previous meeting!

Finances : In order to resolve the open question (raised repeatedly by the short mat bowlers) of whether the skittles teams put enough money behind the bar to justify not paying room rental on the Function Room, we had asked the Parish Council whether we could have access to daily bar sales figures. At the time of the meeting we had not had the go-ahead. (It is on the agenda for an upcoming meeting). Meanwhile I previewed the finance model I had been working on. This shows income and expenses by “product” to show a “contribution to overheads” figure, and is then capable of allocating overheads in various different ways to each product. (By “Products” I mean e.g. the Main Bar, Function Room Bar, Function Room Letting, Committee Room 1 letting, Cafe, Catering, etc...). The purpose of this is to try to get to the bottom of which bits of MH bring in the money and which ones use up the money. The idea is that we will be able to run various ideas through the model to see which ones are likely to make a real impact on the MH finances.

We then split up into groups so that people could concentrate on the areas that interest them.

Events Group: This enthusiastic group has taken on a lot of work! Not just Events but Youth Provision, the Cafe and Publicity. It **will meet on Monday September 1st at 7:30pm** in Millennium House. If you would like to help with this agenda please attend.

The **Finance Group** looked in a bit more detail at the Finance Model and decided to **meet on Thursday 4th of September at 7:30pm** in MH, by which time we hope to have access to the Bar Sales figures and some preliminary analysis.

One of the problems of Millennium House Forum is communication. It is vital that we establish channels of communication that will enable us to co-ordinate our efforts between meetings. Our secretary Marlene is working on this.

All in all it has been a frustrating month since I last reported. It has been painfully difficult to make progress and we really need to improve our infrastructure if the group is going to function effectively. Still it was good to see that there is still plenty of enthusiasm for the task. Please join us if you can. Thanks. Joe

Next meeting Wednesday Sep. 10 2014 at 7:30pm in Millennium House

HOORAY – Becky got a job!! As often happens with our volunteers, Becky was able to secure a job in her chosen field of environmental science. Congratulations to her.

Lily, a young student from the village, is now beetling around in her KA on a Wednesday afternoon, making deliveries. If you see her out and about and you want to order a veg box, please let her know. She is doing a great job packing the boxes and is a particular fan of the salad greens. These are unbelievably tasty and a favourite with our customers.

GROWING – we are having bumper crops of potatoes, beans, courgettes, garlic and tomatoes again this year and the runner beans finally caught up. It's getting near time to take out the summer crops and start planting for the winter/next spring. Caulis, cabbage, calabrese, kale and 400 leeks are all in, for your delectation later in the year. Later, we shall plant autumn salads and oriental greens in the tunnels: garlic, onions, peas and broad beans outdoors.

VOLUNTEERS we have such a lovely time working together and it's great sitting down together over lunch after a hard morning's work. We meet every Weds between 10-2; please ring if you want to find out more.

VEG BOX SCHEME. To enjoy fabulous fresh local fruit and veg, order your veg box now:

Box Prices are: £7.50 for 1 /2 people, £10 for 3/ 4 people, £15 large family box
and the very popular £5 fruit bag.

We also supply organic wholefoods and have a stall at the monthly Farmers Market.

The Growing Project CIC is a Community Interest Company producing organic fruit and vegetables. We have opened the growing space at Kenwyn to the community and welcome volunteers for all sorts of jobs.

Pensilva Youth Projects using Laptops funded by Cornwall Council's community chest. Young people receive guidance in using the laptops to write excellent CVs, and search for work. They also use the laptops for social networking. So as well as empowering them to find jobs, the laptops also help young people to reduce the feeling of rural isolation.

The Infinity Tower at Pensilva Gala Day was organised by Pensilva Youth Projects. Donations from young people (and Smurfs!) using the infinity tower raised £125 which will go towards a printer, software and other accessories. Thank you everyone who donated and enjoyed the tower.

The youth club meets in the Millennium House Cafe every Thursday and Friday evening, and we will be expanding to other times as more volunteers join us. If you would like to help please contact parish councillors Pam Carter or Martin Corney.

All Being Well - Monthly Newsletter

Tel: 01579 363890

It's like London buses! You wait years for a new exercise bike and then two come along together! Joking aside, many, many thanks to the Peters family who have passed on to us a fantastic exercise bike. That makes two new bikes in two months, both thanks to the generous families of ex-members. Gala Week went well: we made almost £200 between the quiz and the stalls on Gala Day itself; and we had fun doing it! It was nice to see some of our members on the field on Gala Day with their families; it almost felt a bit weird seeing them in a different context. Thanks to everybody that helped on the day and by contributing to the stalls. We couldn't do it without you.

At the end of this year it will be 15 years since All Being Well opened its doors. We have had all manner of ups and downs during that time, but nothing has hit us harder than the recent news concerning the ill-health of one of our team. At the time of writing we are all hoping and praying for better news to come.

Keep well.

support from local

"My family know what I want, so I needn't bother with a will"

Well, what if they die before you - in an accident for instance?

If they don't, you might think you've made your wishes clear, but it's not at all unusual to find two or three members of a family all convinced they know what a deceased relative wanted, and yet all claiming different things! Once you're gone, all that's left is people's interpretation of your wishes. Not only can that mean that your property doesn't go where you wanted it to, but with all the stress and emotional upheaval that go with bereavement, it can lead to terrible family disputes.

A will can include protection of your home from being sold to pay debts, when protective clauses are included in conjunction with Severance of Tenancy; and it can be used to limit the effects of inheritance tax.

By making a will, you can make sure that your property is divided as you want it to be and you can give instructions for your funeral arrangements, which can be a big help to your family at a difficult time.

If you don't make a will, the job of sorting out your estate will fall to a close relative who may not be the best person for the job, or who may not want the extra responsibility when already struggling to deal with grief.

Have you written a **Will**?

Have you appointed **Lasting Power of Attorney**?

Have you **protected your property** by placing it in a **Trust**?

Do you have a pre-paid **funeral plan**?

Would **equity release** improve your quality of life?
