#### From the Editor

The cover photograph is of the brass plaque from the St. Ive Church War Memorial, bearing the names of the fallen in the two World Wars. (Many thanks to everyone who helped me to obtain a suitable picture!) Anybody with a family member mentioned on the plaque might like to note the item at the bottom of page 22 concerning the Remembrance Day service at the church. Also, anybody with a general or specific interest in war memorials and the people listed therein should take a look at the local History Group website www.pensilvahistorygroup.org. In the "People" section click on War Memorials and you'll find some background about the people listed on the war memorials and photographs of some of the cemeteries where they are buried. If you have information to add contact Angus Holland (details on page 9).

If you enjoy quizzes and want to help to raise funds for local good causes, you may like to note that the proceeds from the next two All Being Well quizzes will be split equally between ABW and Chemotherapy Outreach Services (Bev's Charity). Details on page 23. All the best - Joe

#### **VOLUNTEERS FOR YOUTH GROUP**

Parents – are your children at a loose end of an evening?

We need volunteers to run more evening sessions at our Youth Café in

Millennium House.

We have a successful Thursday evening session from 7 to 9 pm and would like to run further evenings, but we need volunteers willing to help with the teenagers.

If you can commit regularly to one evening a week and would like to know more please contact the Parish Clerk on 01579 363096 or 5 stiveparish@btconnect.com

#### **ABANDONED VEHICLE?**

I am making enquiries regarding a Honda Stepwagon, Registration number, P227 KBC, which has been parked or abandoned for some considerable time on the Village Hall Car Park, in Church Hill, Pensilva.

Due to the time lapse since it was last taxed, I am unable to obtain keeper details through the normal channels.

I would be grateful if you could ask through your magazine, for the owner, or anyone with any knowledge of the above vehicle to make contact with me, on 01726 223519

Many thanks

#### From Cllr Steph McWilliam - November 2014

Much of my time is still taken up with budget discussions and hopefully you are reasonably happy with me supporting the spending priorities I have already talked about, so I will leave it at that for now.

There have been quite a few planning applications recently that have generated some debate. If you have concerns about any applications coming forward, it is best to take your thoughts to the parish council in the first instance. This is because they are statutory consultees so can speak at the planning committee if a decision is being made there. As I sit on the planning committee, I am required to reserve my decision until the meeting. That doesn't mean that I'm not taking an interest but it is better for the parish council to be aware of all objections and support and how strong the feeling of the local community is, rather than some coming to me and some to the parish office.

There is still some funding left in my community chest but there are quite a few organisations that haven't returned their completed forms yet. I really would like it all to be spent in the area I represent so please don't forget about it or miss the deadline.

Thank you to everyone who has offered to help in the case of an emergency. We have another meeting of the group working on this booked for the end of the month. After that we should be ready to consider it ready for use and make it publicly available. Those of you who have offered to help will not have your names and contact details made public but we and the emergency services will know how to access them if you are needed. Let's hope we don't need to use it any time soon! I am not doing very well at finding business people willing to help us with the Neighbourhood Development Plan. If you are reading this and I haven't already been in touch with you, do please get in touch. We are not asking for much of your time but your thoughts would really help.

As ever, if you need any help with problems related to Cornwall Council, don't hesitate to get in touch with me. I can't promise to sort them out but I do promise to try!

Thank you.

The Latest from Your Parish Councillor - Martin Corney

Things are changing at Millennium House. The youth club want to rent the Cafe in partnership with Merryhue Farm, and the Millennium House Forum should be presenting their plans for change to the Parish Council this month. I still want to open the youth club Cafe every night of the week, and am contacting all

potential new volunteers I hear of - we now have several new starters.

St Ive Community Park Project raised over £500 at last month's Fun Day, and community participation was great, with nearly 100 people voting on which equipment to get, even adults were allowed to vote.

The housing association which built Ford Close, St Ive Cross sent a representative to last month's council meeting to sound out opinion for expanding the estate in two more phases. Plans can be seen on our Facebook page.

I presented the lucky winner of the Neighbourhood Development Plan survey prize draw with a food hamper of local produce from the Farm Shop and the Growing Project Pensilva. So if you didn't get the prize, you didn't win! The NDP survey report is available for inspection in the parish office as well as on the parish website.

Don't forget the parish website st-ive-parishcouncil.gov.uk with council meeting agendas and minutes; also downloadable copies of the Parish Pump. For those of you who do Facebook, our St Ive Parish Council page is still being updated with parish news. Phone me, email me on martin.corney@btinternet.com or "martin corney blog st ive" in search engines will find my blogs for you to comment on this article and other gems.

#### Pensilva W.I. report

At the meeting on 10th October, we had our Harvest Festival where lots of produce and other goodies were brought in and auctioned by our very able auctioneer, Ivor. We had a great laugh and also enjoyed a lovely bring and share supper.

The Horticultural Show went very well and was attended by many people. The Macmillan Coffee morning held on 27th September raised £206 which was a very good sum of money from the village.

On the 8th November we are arranging a coach to go to Truro for Xmas shopping. There are seats available for anyone else to go for £8.50. The coach will leave Pensilva at 10am. Please ring either 363718 or 362531 To book a seat.

At our next meeting on 12th November, Yvonne Toms will talk to us about the Bronte family. The competition this month will be a poem.

#### PENSILVA HISTORY GROUP

The History Group met at the end of September after a short summer break. Our October and November meetings will be in Millennium House on the last Monday of the month at 7.30pm. All are welcome.

A well attended meeting was entertained to a most interesting illustrated talk by John Manley of the local Trevithick Society entitled "William West and the Mines Around Caradon Hill". John, who is a local industrial historian and author, has recently published a book titled "William West – The Last Great Cornish Engineer".

William West had a huge influence on Cornish mining during the Victorian period and had many connections with our local area. John's photographs and illustrations and his detailed history of the great engineer made for a fascinating talk. John has kindly agreed to lead a walk next year around one of our local mines, details will be published nearer the time.

#### Millennium House Forum - 5th meeting, October 8, 2014

At the October meeting, after the usual formalities, I presented the draft business plan which we had worked on in the Finance Group. It was encouraging to have a total of four Parish Councillors present and to hear their input and reaction to the proposed scheme. At the end of the evening a proposal was approved by the meeting to present the plan to a meeting of Millennium House user groups. At this meeting all the user groups will be asked to consider the Forum's ideas and, we hope, to approve the plan and give their support in writing. The support of the user groups is vital so that when we come to talk to the Parish Council about our plans, we can show that it has the full backing of the community.

Please note that everybody is welcome at the meeting on the 14th. The plan is not written in stone at this stage and the more ideas we receive from the community the better chance we have of coming up with something that will work.

On the evening after the October meeting, three members of the Forum visited The Rally Social Club in Lanreath to find out how that is organised and to see whether we can learn anything from how they do things there. No doubt they will report on their findings at the meeting on the 14th, but initial feedback is very Interesting: e.g. the hall is owned by a charitable trust and the bar is run as a members only bar by a separate limited company.

Hope to see lots of you at the meeting on the 14th! - Joe

**DOUBLE YOUR MONEY** The Growing Project urgently needs more money to continue our work and so we have gone into partnership with Cornwall Community Foundation. This local charity is operating a fabulous Match-Funding donation scheme until Jan 2015 that allows you to grow £10 into £21.55, if you include Gift Aid. To find out more, go to

www.localgiving.com/charity/thegrowingproject

There are 2 ways of Doubling Your Tenner. Firstly, make a one-off donation of £10, include Gift Aid if you're eligible and that will give us £21.55, once it's matched. If enough people do that, we can generate £2,000 of new revenue that way, which will make a tremendous difference to us. Secondly, the fund will match monthly £10 donations up to £10,000: serious money, which will help us do much more in the community:  $6 \times £10$  monthly direct debits for 6 months will be over £120,to us, or our seed order for next year. If you are able to help, we will appreciate it so much.

**ORGANIC CHRISTMAS MEATS** we have the opportunity to offer you fantastic local organic lamb, turkey, pork and ham for the Christmas period only. If you are interested, please get in touch and we can send you a price list. Turkey £12.50/kg. Order early to avoid disappointment

CHRISTMAS VEG BOX our Christmas veg boxes are always a delight and can include organic potatoes, parsnips, sprouts, shelled nuts, clementines, - whatever will make your Christmas special for you. If you'd like a gift hamper or a voucher for a friend, just let us know. Ask us for a price list: we can source all sorts of gorgeous organic puddings, mincemeat, chutneys and fruit for an original gift.

**VEG BOX SCHEME**. To enjoy fabulous fresh local fruit and veg, order your veg box now. Box Prices are:

£7.50 for 1 /2 people, £10 for 3/4 people, £15 large family box and the very popular £5 fruit bag.

We also supply organic wholefoods and have a stall at the monthly Farmers Market.

#### AMERICAN ROOTS, OLD TIME AND APPALACHIAN MUSIC FROM APPALOOSAS

It's Thanksgiving Day in the USA at the end of November and St Lalluwy's Church is celebrating with an American Evening in \*Menheniot Parish Hall on Saturday 29th November, with Appaloosas, a three-piece band who perform music from the Appalachian region of the USA.

\* The Parish Hall is on East Road, Menheniot, PL14 3RR

**Appaloosas'** music is rooted in traditional folk ballads brought to the US by British immigrants. Based on Dartmoor, the band has built a terrific live music reputation across the South West, thanks to the outstandingly authentic vocals of Eliza Acty, clawhammer banjo and guitar from Peter Acty and virtuoso fiddle player Stephen Potter.

The performance starts at 7.30pm. Tickets available from Menheniot Spar Shop and Liskeard Museum, from 1st November, or pre-book by calling 01579 347859 (£8 each or £10 at the door).

#### All Being Well - Monthly Newsletter Tel: 01579 363890

Thanks to everybody who attended the Quiz on September 27th and to question master Keith. It was a fun evening once again and it raised much-needed funds for the gym. Regular quizzers Raymond and Wendy emerged triumphant, with the help of two friends who happened to be visiting from Barnstable - Mr and Mrs "Ringer"?:)

The Iron Man/Woman challenge in September produced some notable performances of which we will mention just one: long-time member Chris Reeves has had her share of setbacks lately but she showed amazing determination and put in an incredible effort to complete the full Iron Woman distances for the first time. During October we are once again engaged in the battle of the sexes: a bit of light-hearted rivalry between the female and male contingents. It seems to be very close this year!

As mentioned elsewhere, proceeds from the November and December quizzes will be shared between All Being Well and the Chemotherapy Outreach Project (http://www.chemooutreachproject.co.uk/), the charity supported by Bev.

Keep well.

#### ST JOHN'S CHURCH PENSILVA **CAFÉ CHURCH**

For a considerable number of years St John's Church, Pensilva has held a service on Thursday mornings and this has been followed by a time of fellowship over a cup of coffee. As a means of serving the village community more inclusively, we are to try out the idea of combining the service and the coffee into a Café Church type service. It is hoped that this will allow people to bring their concerns and thankfulness into an informal, prayerful situation.

Could all those of faith please pray for God's blessing on this endeavour. Café Church will take place in St John's Church at 10 am every Thursday.

#### Funding available for local community projects.

Local groups in need of funding may be interested to know that the High Down Wind Turbine project are making funds available for projects in our Parish. Grants from £250 to £3000. These are the criteria:

The High Down Wind Power Community Fund shall exist for the promotion of projects, with priority given to the Parish of St Ive, with potential for the improvement of environmental education in the face of climate change, highlighting the need for sustainability, for renewable energy and energy efficiency, or which address problems of rural isolation, especially for younger members of the community or projects which otherwise address local needs.

Anybody interested please contact the parish clerk at: stiveparish@btconnect.com

#### "I know I ought to draft my Will so that my wishes will be carried out when I die ... ... and I know I ought to appoint a Power of Attorney ... "

- so why the reluctance to get the ball rolling?

The appointment of Lasting Power of Attorney is something we all ought to do. So why the reluctance to do it?!

As we advance in years, the likelihood of us needing support in health and welfare matters increases. Let's face it. One in three people is statistically going to suffer some form of dementia. If you leave it too late — it will be too late! Come on. Let's get going. Not only that, as we become more frail and more vulnerable, it is just good, old fashioned common sense to appoint an attorney to make life easier for us. Appoint somebody to trust to be your Power of Attorney for Health & Welfare matters. It is so important.

If you have money or own property, the other sort of Power of Attorney, Property & Financial Affairs, is also relevant. Again. Appoint somebody you trust. Better than leaving your financial decisions to Social Services because you haven't got your act together in time.

The appointments take effect during life, supporting you in your decision making or making decisions at your appointment should you become unable to make your own decisions.

And we're all going to breathe our last one day. So. Why do only 30% of eligible people ever make a Will? If you have children, property, insurances, possessions of any sort, it is just common sense to put your wishes in writing in a Will.

Have you written a Will?

Have you appointed Lasting Power of Attorney?

Have you protected your property by placing it in a Trust?

Do you have a pre-paid funeral plan?

Would equity release improve your quality of life?

#### Kilmar House Residential Care Home

We pride ourselves on being different! 01579 343066

Kilmar House is the smallest elderly residential home in Liskeard and the personal touch really shows. Each resident is treated as an individual who is free to spend their days as they

wish. We have no rigid routine or schedule that you need to fit into, you tell us your schedule and that is what we work towards!

We may be the smallest home but have a very large house with lots of rooms for residents to spend their time how they wish. We have all the required facilities and activities to make your stay very comfortable as well as a large and productive garden to enjoy.

Please come and visit our beautiful Jacobean home which has been lovingly restored and maintained. You do not need to make an appointment to come and look around, we will always be pleased to

welcome you.

We are pleased to offer permanent placements in some of our most beautiful rooms, some with en-suite facilities as well as respite and day care to whatever suits your needs.
