From the Editor

Christmas is almost upon us once again. The first since I became editor of the Pump. It got me thinking about what Christmas means to each of us and how different our reactions are to it. For young children it ought to be a magical time when life suddenly becomes a lot more exciting. (I bet we all still remember that feeling very well). And for the adults? For some it is all about eating, drinking and making merry while for others it is a sad period, a reminder of happier times. For some it's principally a celebration with family but for others it's mainly a celebration of the birth of Christ. Some say Christmas is really for the children but for many it involves a long trip to be with the frail and elderly. Latterly, many people use the Christmas break for an escape to the sun or a skiing holiday, while others would think it wrong to be away from home and family at this time. For shop workers it's the busiest part of the year and, in that respect, spare a thought for the clergy and the many, many duties they have to perform around Christmas! Above all it ought to be a time for giving and (perhaps) forgiving. Have a good one, and try make it a good one for someone else too - Joe

Devon & Cornwall Police
Building safer communities together

From Cllr Steph McWilliam – December 2014

By the time you read this, the Remembrance Commemorations will be behind us but I couldn't let this opportunity pass without saying what a privilege it has been to attend the events in the three parishes I represent. The stand-out moments were the young bugler in Golberdon, the stunning poppy decoration cascading down the front of the pulpit in St Ive Church and the children at Upton Cross who, despite the weather, were a credit to their school and their community. I feel very proud to be your Cornwall Councillor. Thank you to everyone who organised these events.

Apart from this, my week involves discussions about economic development for South East Cornwall, attending the East Planning committee, attending parish council meetings to help where I can, attending a meeting with other Councillors and senior staff at CORMAC, following up outstanding work on potholes and trying to keep up to date with individual's problems. This is a fairly typical week, though with only one trip to Truro!

When you think of Cornwall Council, you may think about potholes, rubbish collection and planning but the council does much more than that. Adoption and fostering, county farms, economic development, public health, elections, day centres and respite care, housing, heritage, historic environment and street lighting are just a few of the many others. After 18 months, I am still finding services I didn't realise we provided!

The cabinet have made final amendments to the draft budget and this will be debated and voted on at Full Council by the end of November so we may know the outcome by the time this goes to print. Please remember that none of us are happy with the situation we find ourselves in and are trying our best to minimise the impact on the most vulnerable but inevitably people are going to be unhappy with some of the decisions.

Despite that, may I take this opportunity to wish you all a Merry Christmas and a Happy New Year? I look forward to representing you to the best of my ability in 2015.

Thank you.

Pensilva W.I. report

Yvonne Toms talked to us about the Bronte sisters when she came to the meeting on 12th November. She herself lived a few miles from where the Bronte sisters had lived and had a great passion for them from a young age. Patrick Bronte, born in 1777, in Ireland and his parents were poor but his father was keen for Patrick to have an education. He had been befriended by a local curate, Rev. Tye who looked after his welfare and education. At the age of 16 Patrick ran his own school but eventually he decided he wanted to be a clergyman. To become a clergyman in that era you had to have an education in Greek and Latin so he went to university to acquire this. He met his wife Maria and they were very happy together. They went on to have 6 children in 7 years, 5 girls and 1 boy. Although Maria came from a fairly wealthy family, her belongings which were being shipped to Yorkshire, were lost at sea so they started life in Yorkshire with nothing. Eventually they moved to Howarth Hall, a large draughty house in a village that had no proper sewage and clean water so their health suffered. Maria died from Cancer when she was in her thirties. Patrick was bereft and Maria's sister, Elizabeth Branwell came to help with the upbringing of the family. She stayed for 21 years. The Bronte girls went to boarding school but it was very cold and dirty with very bad food so their health suffered even more. The two sisters, Maria and Elizabeth both died. Eventually the sisters returned home and started to write their fantasy stories in very small books. The only boy of the family, Branwell, tried to become a successful artist but drink and opium did not help him. Charlotte went to Brussels to further her education. Aunt Elizabeth died and left her money to the girls. Eventually Branwell died of his addictions. The remaining girls, Emily, Anne and Charlotte had their writings published. They had to publish these books using a man's name as women were not recognised as being able to write. Both Emily and Anne died and Charlotte carried on writing, "Jane Eyre" being her most recognised. She married Arthur but she died after 8 months pregnancy. Arthur later remarried and Patrick, father of this talented family, died at the age of 84. To have three great novelists, Anne, Emily and Charlotte in one family is remarkable.

Some members went on a trip recently to Chy Noweth and Conteth, the headquarters of Cornwall W.I. and were very welcomed.

The next Sew, Knit and Natter is on 25th. November at Millennium House. Non members welcome.

Flower of the Month was won by Jill Pascoe and the Competition of a poem was won by Jo Treseder.

Pensilva Wildlife Group

The Pensilva Wildlife group held a Photography Workshop on Saturday October 18th. David Chapman, a well know local wildlife photographer, first gave a talk advising us on different aspects of taking photographs, from composition and framing to camera settings. The 13 would-be David Baileys attending this workshop had varying skill levels and quite a wide selection of cameras and lenses. Following this very interesting and informative talk, we all made our way to Golitha Falls, where David appeared to have an insurmountable amount of patience while some of us asked him question upon question regarding our cameras and settings. The weather was kind enough by not raining although it was very overcast. These, according to David, were not the ideal conditions in which to take pictures of the river and fungi. However, by the end of this practical session, we were all delighted with most of our efforts.

The next meeting of Pensilva Wildlife Group is on Wednesday December 3rd at Sue & Nick Horler's house at 7.30pm. Enquiries please telephone 01579 362905.

It's been a while since I last wrote to you all but there has been yet further progress with the refurbishment of our Sunflower Park.

Firstly, I hope you have all seen and approved of the new fence that has now been installed. It's a colourful addition to the park and is great for families with young children as it keeps their little

ones secure. We are currently investigating options to put springs on the gates as we are aware they are often left open.

Secondly, we have also installed a tarmac path around the perimeter of the park. This gives all users access from the car park to the school road gate without getting muddy etc in wet weather and makes the park buggy and wheelchair friendly. It is also proving popular with children as a fun 'track' to ride their scooters and bikes along. Please be reminded that this is used at your own risk. We are working on various signs at the moment.

Many thanks to Simon Angrave from St Cleer & Southwest Building & Plastering for the work on the fencing and path and also to Caradon Tool & Plant for helping on the spot with unloading the fencing when it arrived!

Also, this would not have happened without the further funding we have been very fortunate to receive from Viridor Credits. We are very lucky they identified such potential in our project.

Please can I once again thank the volunteers who have helped install benches, bins and water turf over the last few months as without them, the park wouldn't look as great as it does.

The role of the Pensilva Park Project is coming to an end as we near completion so I would personally like to thank the very hard working and dedicated committee that I have had the pleasure to work with. It's been tough at times as we gave ourselves tight deadlines and aimed high but we have had a lot of fun on the way. Thanks to the Parish Council for their support and for giving us as much freedom as possible to enable us to achieve our goals in an unusually quick timescale for a community project of this size. We are very proud of the end result and I hope you, the community, are as proud to have such a great facility for our children.

Enjoy!

Chairperson

Pentiddy Community Woodland

It's about a year since our last update on the woods. Any who have visited throughout the year will have appreciated the tremendous growth of the trees! It continues to go from strength to strength. The Spindle berries have provided a particularly fantastic Autumn display this year. There has been a wonderful feeling that many of you have really taken the woods into your care for which we are truly grateful.

We had a scare earlier in the year with suspected Ash Die Back, but tests from samples came back clear.

With help from The Green Team organised by the Job centre, many of the encroaching brambles have been cut back and most of the remaining tree shelters removed. This winter will see the thinning of more Ash to favour Oaks and other species. As with the previous 2 years, the sale of these thinnings as firewood will provide the charity with the funds to continue the woodland insurance.

Your chance to help:

We would like to have the support of some of you as **members of the committee**. It's the smallest of commitments involving only 1 or 2 meetings a year but will make all the difference to our morale! Contact Ele on 363775

Come and volunteer over the winter on our workdays as we fell and clear trees as part of the thinning regime. All who come to help will receive a share of the timber and some hot soup and bread. **Dates: 28th Dec, 18th Jan, 1st March. 11am – 3pm.** Please bring work gloves and any suitable tools.

Place an order for firewood. We need to sell at least 2 loads to cover the costs of keeping the woods open to the public. Call Anthony on 07765 103504.

There were a few people last year who were helping themselves to firewood. **Please resist** the urge to do this as the charity really needs the funds from firewood sales.

Continue to pick up dog poo and dog chewed tree shelters as we know many of you have been doing – thank you.

Hope to see as many of you as possible on the volunteer days!

Pentiddy Community Woodland Charity.

A final note: as owners of Pentiddy Natural Burials, please could those walking dogs refrain from using the burial entrance as it is not part of the Community Access area and we would like to retain a secluded feel for those visiting graves. Thank you. Ele and Anthony Waters

Pensilva Peer Mentoring Project

The Pensilva Peer Mentoring Project has gotten off to a flying start with the first five peer mentors starting their training. Dayna Laban, Hazel Scott, Lewis Laban, Kyle Bellows and May Maunder have volunteered to train as the first tranche of community peer mentors.

The Pensilva Peer Mentoring Project will train young people within the parish to help support their peers and be role models for the younger children accessing the Pensilva Youth Project. Research indicates that young people experiencing difficulties are more likely to seek support from their peers. The mentors will be trained to provide advice and guidance to their peers and support them to access the correct sources of help or counselling.

The mentors are receiving training in drug and alcohol awareness, safeguarding, young people law and order, equality and diversity and community awareness, first aid, health and safety and food hygiene. They are also learning to run a range of activities for the youth club including team building activities, bush craft skills, eco art projects, gaining confidence with animals and conservation volunteer skills such as hedgelaying, coppicing, stone walling and tree planting.

This project is a collaborative venture combining the expertise of Pensilva Youth Projects, Transferable Skills Training, Work Skills South West and Battling On. Each organisation has committed support and resources to the project providing a unique opportunity for the young people to gain a wide range of skills and training that will not only help them support young people within the parish but provide nationally recognised qualifications and tickets which will increase their employment prospects.

The peer mentoring project still has places available and any young person wishing to access this provision may be entitled to a bursary. To gain further information about the project please contact Katie Connell on 01579 384798 or nikki@battling-on.com

GROW YOUR TENNER

doubling online donations up to £10

DOUBLE YOUR MONEY The Growing Project urgently needs more money to continue our work and so we have gone into partnership with Cornwall Community Foundation. This local charity is operating a fabulous Match-Funding donation scheme until Jan 2015 that allows you to grow £10 into £21.55, if you include Gift Aid. To find out more, go to www.localgiving.com/charity/thegrowingproject

There are 2 ways of Doubling Your Tenner. Firstly, make a one-off donation of £10, include Gift Aid if you're eligible and that will give us £21.55, once it's matched. If enough people do that, we can generate £2,000 of new revenue that way, which will make a tremendous difference to us. Secondly, the fund will match monthly £10 donations up to £10,000: serious money, which will help us do much more in the community: 6 x £10 monthly direct debits for 6 months will be over £120, to us, or our seed order for next year. If you are able to help, we will appreciate it so much.

A HAPPY CHRISTMAS TO ALL OUR CUSTOMERS AND VOLUNTEERS

1st Pensilva Scout Group

From the Group Scout Leader: Barry Hocking

Tel: 01579 363686 Email: gsl-1st-pensilva@hockingbt.plus.com

Every year Scouting helps 400,000 young people in the UK to enjoy new adventures; to experience the outdoors; interact with others, gain confidence and have the opportunity to reach their full potential.

The 1st Pensilva Beaver Colony and Cub Pack are growing in number with new members welcomed in November.

The badges awarded during the month focused on safety. Safety in the home, on the road, near water and personal safety – safeguarding, particularly when using the internet – a session given by two police officers.

The Development of the Group

Scout Troop

There is a need for a Scout troop – for our Cubs when they reach 10¹/₂ and for new members - girls and boys. If we recruit new adult leaders then we could start a troop early in 2015. The meetings would be on Thursdays from 7.15 to 8.30pm.

Will you volunteer?

Any periods of time you could offer – regular or occasional - would be worthwhile.

If you would like to know more about leadership opportunities and the training available then please contact me.

Support Committee

For the Group to continue to grow, The Scout Association requires us to form a committee to support the uniformed volunteer leaders in the activities they provide.

Parents and anyone interested in Scouting in our community may join the committee, which will meet at least four times a year. The minimum requirement is for a chairperson, secretary and treasurer, together with myself.

If you would like to join this committee or know of someone who would support Scouting in this way, then please let me know.

Thank you. Barry Hocking

Millennium House Forum meeting, November 14, 2014

The November meeting was a presentation to the community Millennium House user-groups of the changes that the MH Forum would like to see in the way that Millennium House is organised and managed. At the end of the meeting those attending were asked to give their feedback on a number of questions. 32 people did so with the following results.

There were 6 questions which could be answered Yes or No, though a '?' option was introduced meaning "more information needed." Questions / responses were:

1. I agree that the way MH is run needs to change. 32/32 said Yes.
2. I broadly agree with the Forum's analysis of the problems: 32/32 said Yes.
3. I broadly agree with the strategy proposed by the Forum. 29 Yes; 3 more info.
4. I broadly agree with the organisational structure for MH proposed by the Forum. 27 Yes; 5 more info.
5. I personally would be prepared to support the new organisation. 32/32 said Yes.
6. I believe the group to which I belong would support the changes. 27 Yes; 3 more info; 2 Not Applicable (not representing a group).

As not one person answered 'No' to any of the 6 questions, and as the great majority unequivocally supported our proposals, we decided to move on to the final phase of the Forum's work, namely to present our recommendations to the Parish Council. We have therefore written to the Council proposing two dates for the presentation. At the time of writing we expect the presentation to take place in MH on the evening of **Friday, December 5th**. All welcome.

This will probably be the last meeting of the Forum as a forum. If the Council accepts our recommendations a more formal body will need to be constituted.

PENSILVA VILLAGE HALL

Pensilva Village Hall no longer collects paper for recycling as Cornwall Council has decided to stop paying recycling/re-use credits to any charities. The Village Hall committee would like to thank everybody for their donations over the years that we have been collecting paper. Over the last few years you have helped us raise an average of £370 a year.

Anyone wishing to book the hall for meetings, birthday parties or fundraisers please contact Peter or Jackie Browning on **01579 363212** or email peter@pensilva.freeserve.co.uk. Please note that in addition to hall rent there is a coin meter for heating at 40p per hour.

WANTED: Jumble and white elephant for a jumble sale on Saturday 1st November. Any donations contact Jackie as above and we can collect.

If you would like to talk to one of us you can contact us directly or through the Health Centre.

The Quiz on November 1st was won by 3's a crowd +1. Many thanks to Nick Horler who was a challenging but entertaining question master. We raised over £50 each for the gym and for the Chemotherapy Outreach Project (<http://www.chemooutreachproject.co.uk/>), The next quiz is on December 13th when Mel and Barbs are doing the questions and the proceeds will be split in the same way.

The October challenge, the Battle of the Sexes did not produce a conclusive result one way or the other. The men won some, the women won others. No doubt battle will be rejoined at some point in the future but meanwhile nobody can claim complete bragging rights.

One of our treadmills has given up the ghost, so while we try to find funding for a new one, the November "Cornwall Marathon" challenge is being done entirely on the cross-trainers. Now that's what you call a challenge!

Attendances have picked up considerably recently, with several new members joining (or rejoining). With the normally busy New Year period still ahead of us it may be that things are starting to pick up again. Also with rumours flying around about what will happen to Council leisure centres as a result of Government funding cuts, there could be good times ahead for All Being Well. Keep well.

'LITTER PICKING IN THE PARISH

Can I encourage members of the Parish to consider becoming involved in a Parish-wide Litter Picking Group? There would be no routine 'picks,' just pick as you feel the urge. We can be supplied with "the kit" AND insurance cover supplied by Cornwall Council. We do not pick on A or B roads, just lanes and paths.

If you feel you, Adult or Child, would like to help, please let me know: paddy.L41@btinternet.com "

Why you should draft your Last Will and Testament

Without a Will:

- You cannot be sure that those you would wish to benefit will in fact benefit.
- Your spouse/civil partner will not automatically inherit ALL your estate.
- Unmarried partners have no right to inherit anything at all.
- Minor children could be taken into care under the Social Care Act whilst guardians are appointed.
- There could be lengthy disputes over your estate resulting in delays for your beneficiaries.

Most people put off drafting a Will in the belief that the people they would wish to inherit will automatically do so, or because they don't think it is relevant to them.

With a Will:

- YOU choose who will benefit from your estate.
- Your spouse/civil partner can be protected for his/her lifetime.
- Unmarried partners can receive the inheritance or benefit you choose.
- You decide who will care for your minor children until they attain adulthood.
- The legal procedure is straightforward and can avoid disputes.

With advice from a qualified professional you can enjoy peace of mind without the worry of what may happen after you have died.

Your Will can be revised at any time if your circumstances change.

Have you written a **Will**?

Have you appointed **Lasting Power of Attorney**?

Have you **protected your property** by placing it in a **Trust**?

Do you have a pre-paid **funeral plan**?

Would **equity release** improve your quality of life?
