From the Editor

A much reduced version of the Pump this month as, I suppose, people have better things to worry about at this time of year.

I understand that our Cornwall Councillor, Steph McWilliam, has been unwell. We all wish her a speedy recovery and look forward to seeing her back.

As I write this, the generally mild weather seems set to continue for a while; it hardly seems possible that Christmas is just a few days away. I expect we'll have to pay for the mild weather at some point; maybe at about the same time as the bills come in for Christmas.

That's it, I think. See you all in 2015.

All the best - Joe

Season's Greetings to everybody, and apologies for my current absence. I am looking to return in 2015 more energetic and enthusiastic than ever!

The Latest from Your Parish Councillor - Martin Corney

I hope everyone had a merry Christmas and we all have a happy new year.

Parish councillors Roger Bennison and Keith Mutton have both resigned from the Parish Council. Roger in particular has been on the council for many years and has made many valuable contributions to the parish. Most recently organising the solar panels on Millennium House which will be a great asset. Keith is still on the Neighbourhood Development Plan working group as a parish resident.

The Millennium House Forum have presented their plans to the Parish Council and there is now a joint working group to put these plans into action. Last financial year Millennium House cost the parish more money than the complete precept (the parish part of your council tax). Something has got to change since the parish reserves are nearly exhausted. The next precept will have to increase substantially until Millennium House costs us all a lot less money or breaks even. Which it hasn't done in any of the recent years that I've seen accounts for.

On evenings when the youth club doesn't run an event, the youth still hang around Millennium House. This is causing a problem for Millennium House staff who want them to go home, and ask why their parents aren't supervising them. I think that the best solution is to run the youth club every evening. Well I would say that wouldn't I. The youth club is still trying to rent the Café full time.

St Ive Community Park Project is still raising money with events like table top sales, and the Christmas Carol Concerts.

Don't forget the parish website st-ive-parishcouncil.gov.uk with council meeting agendas and minutes; also downloadable copies of the Parish Pump. For those of you who do Facebook, our St Ive Parish Council page is still being updated with parish news. Phone me, email me on martin.corney@btinternet.com or "martin corney blog st ive" in search engines will find my blogs for you to comment on this article and other gems.

Millennium House Forum

On December 5th we presented our plans for Millennium House to the Parish Council. Subsequently, at a Parish Council meeting on the 9th, a decision was made to form a working group, consisting of some Councillors and some people from the Forum, with a view to implementing the changes we recommended. We had just a few days before the first meeting of the working group to decide on who would represent the Forum on that group, so there wasn't time to hold a meeting and elections etc. so we went with the people we felt had been most active on the Forum since it started. These were Rachel Allin, Joe Bicarregui, Ruth Hicks, Karen Lawrence and Jane Mann. If anybody disagrees with this selection, or would like to sit on the working group, get in touch. (Contact details below).

The proceedings of the working group will be confidential for the time being, so I may not be able to update you all on progress for a few months. What I can do is to say that the central recommendation of the Forum was that the groups of users (or potential users) of Millennium House should be involved, officially, in the decision-making at Millennium House. We see this as the key to obtaining two important outcomes. Firstly, decisions reached in this way will ensure that what MH offers will fit the needs and wishes of the users, leading to increased usage of the facility. Secondly, the involvement of the community right at the top of the organisation will lead to increased participation at all levels, leading to an increase in volunteering and a reduction in MH costs.

That is our vision for the future of MH and early signs are that it's already starting to work. If you agree, or disagree, or have anything to add, or would just like to comment, please get in touch. Everybody's views count.

Thanks. Joe.

To get in touch, please leave a note at the Parish Office (in Millennium House) addressed to Rachel Allin, Millennium House Forum. Or email r.allin@hotmail.co.uk

Pensilva W.I. report

The December meeting was our Xmas party when we had a good evening. We started the evening with plenty to eat provided by a bring and buy supper. Roy Upton provided the music whilst we ate. We had a quiz to answer during the evening and after the meal we had a competition for a homemade Xmas hat. The only man to wear a hat was Dave Tucker so he won the prize for being the only man brave (or foolish) enough to enter! Roy then provided more music for dancing. It was a great evening which we all enjoyed. We shall meet again on January 14th when Andrew Scowcroft will talk about 'looking after our feet'.

A **St Ive Village history Group** has been started. We will be meeting at St. Ive Methodist Church School Room on 28th January at 2pm. Anyone interested would be very welcome. If unable to attend and you have any photos or information that may be of interest, or if you have any questions, please contact Doreen Cardew on **01579 383054**

All Being Well - Monthly Newsletter Tel: 01579 363890

As usual, December has seen us working hard to raise funds in various ways. The quiz on December 13th raised £129, split equally between All Being well and Chemotherapy Outreach. This came in the middle of a weekend where we helped Tesco in Callington with their "Cycle to the North Pole" event, raising money for Diabetes UK. Then on the 19th we were back in Tesco for a rowing marathon which raised £225 for our own funds. The next day was our annual Xmas draw, which this year raised £346, and in amongst it all we have been selling our Xmas Cards (not yet finalised) which should make us a profit of around £75. We would like sincerely to thank everybody who helped in any way with these efforts and everybody who supported us - by buying tickets or cards, attending events, with donations of all sorts, and just by being generally encouraging! The money we raise at Christmas time is vital to our survival and we are extremely grateful for everybody's support.

In the gym, we should congratulate Ted Whiting for an amazing effort in the "Cornwall Marathon" challenge, during November. This helped him on his way to achieving his own personal challenge for the year, which involves completing a mind-boggling number of metres on various pieces of equipment. Our usual Advent Calendar challenge is on during December and seems to be going quite well.

That's it for 2014. Keep well in 2015!

FRIENDS OF PENSILVA HEALTH CENTRE

Our sincere thanks and appreciation to everyone for their support and generosity in making such a success of the Christmas Tea held on Friday 5th December 2014. The wonderful sum of £824 was raised and will be available for the purchase of extra equipment, when required at the Health Centre, which will be of benefit to the patients.

The event was generously supported by ten local businesses, personal donations, raffle prizes, refreshments, our hard working team of helpers and by all those who were there on the afternoon.

Thanks to each and every one of you.

Kilmar House Residential Care Home

**We pride ourselves on being different!
01579 343066**

Kilmar House is the smallest elderly residential home in Liskeard and the personal touch really shows. Each resident is treated as an individual who is free to spend their days as they

wish. We have no rigid routine or schedule that you need to fit into, you tell us your schedule and that is what we work towards!

We may be the smallest home but have a very large house with lots of rooms for residents to spend their time how they wish. We have all the required facilities and activities to make your stay very comfortable as well as a large and productive garden to enjoy.

Please come and visit our beautiful Jacobean home which has been lovingly restored and maintained. You do not need to make an appointment to come and look around, we will always be pleased to welcome you.

We are pleased to offer permanent placements in some of our most beautiful rooms, some with en-suite facilities as well as respite and day care to whatever suits your needs.
