From the Editor

It's hard to know where to start this month. Maybe by welcoming back Steph McWilliams's monthly column. It's been a few months since we heard that she was unwell and it's great to hear that she's on the mend. Continuing with the good news, Angie's Pantry seems to have made a good start at Millennium House, and the enthusiasm is fairly fizzing from the MH Events Group as they fill the calendar with lots of exciting activities. Why not join them? (See page 17).

Let's not forget St Ive village which is gearing up for the Village Day on May 4th (see page 14) while at the same time fundraising for the play park, not to mention the various activities at the church, the chapel and the institute.

Our Parish Clerk Angela Fisher, who has been off sick for several months with a wrenched shoulder, has now resigned. I would personally like to thank her for the help she gave me when I first tackled the job of editing the Pump. Her temporary replacement, Sue Pettifer, finishes at the end of March and I understand that the Parish Council will soon be advertising for a permanent replacement.

Have fun - Joe

Cover Story - Women's Institute centenary celebrations.

To celebrate its 100th birthday the WI has been passing a baton around all the 6600 WI's in the country. Pensilva's turn came on February 23rd when the baton was carried on Dave Tucker's tractor from Minions to Millennium House, where tea, coffee and saffron cake were enthusiastically consumed in its honour. Then it once again boarded the tractor to continue its circuitous and unorthodox trip to London... via Harrowbarrow!

You will probably have noticed that 100 years ago, when the WI was formed, Britain was at war. Surely it was no coincidence that it was formed at such a dire time in our history. Frances Tucker, president of Pensilva WI, has been doing some research...

"The WI was established to educate rural women and to encourage countrywomen to get involved in growing and preserving food to help to increase the supply of food to the war-torn nation. Education and the sharing of skills have always been at the heart of the organisation and this remains true today."

So, with its roots in agriculture and food production, it's actually rather fitting that the WI baton completed at least some of its journey by tractor! As for all that cake... well, that's also in line with the founding principles, isn't it?

From the Parish Pump and its readers – happy birthday and congratulations to the WI, to its 212,000 members, and to the ladies of the Pensilva WI in particular. Keep up the good work!

The Latest from Your Parish Councillor - Martin Corney

Down in St Ive, the Community Park Project has been making good progress in getting new play equipment. We have been so successful in raising funds from different events, that with the community support money from the solar farm, we have about £8,000. This together with a grant from the parish recreation ground funds and the landfill tax contributions should multiply up to about £80,000 of equipment. We have met with four different play equipment suppliers, and will shortly be comparing their different designs.

Up in Pensilva there is the proposal for a new estate between Amanda Way and the industrial estate. While this location is not totally unacceptable, it goes against the will of the parish, as expressed in the Neighbourhood Plan survey, for small scale infill development. That piece of land also provides a buffer, between the noise of the industrial estate and the peace and quiet required for residential housing. We need to press on with the Neighbourhood Plan so that it can control future development in the parish. If anyone else would like to help with this plan, please contact me as Chair of the working group.

There is another development of a wind turbine, but this one is just over the parish boundary in Quethiock parish. It will however be not that far away from St Ive church, so is attracting attention from concerned residents.

Don't forget the parish website st-ive-parishcouncil.gov.uk with council meeting agendas and minutes; also downloadable copies of the Parish Pump. For those of you who do Facebook, our St Ive Parish Council page is still being updated with parish news. Phone me, email me on martin.corney@btinternet.com or "martin corney blog st ive" in search engines will find my blogs for you to comment on this article and other gems.

PENSILVA W.I SEW, KNIT AND NATTER

Please join us for sewing, knitting, or just come along for a cup of tea and a natter at St John's Church, Pensilva at 2 to 4pm on the last Tuesday of every month.

Open to all and everyone very welcome.

Next meeting: Tuesday 28th April

From Cllr Steph McWilliam – April 2015

Thank you so much to everyone who sent good wishes and kind messages during my illness. It really was appreciated. I would also like to publicly thank the Cornwall Councillors, Andrew Long, Bernie Ellis and Derris Watson, who have covered my case work. It is a very good example of how party politics is so often set aside to do our best for the communities we serve and I am very grateful to them.

When I left hospital I was confident that I would prove the staff wrong about the recovery time. They said at least three months and it appears they know more about it than me! I am making progress slowly and have been doing some of the 'corporate' work by phone and email. I am now able to pick up my casework again so please don't hesitate to contact me in the usual way. I am still limited in stamina and driving, particularly at night, so it will be a few more weeks before I am attending meetings at County Hall on a regular basis but I am able to drive locally so will be able to come and meet with you to discuss any problems you may have.

I really have been touched at the many kind messages so, once again, thank you and I hope to now be able to make up for lost time in representing you when and where necessary.

Thank you.

IT'S OFFICIAL - PENSILVA IS A GOOD SCHOOL

Pensilva School's recent Ofsted inspection confirmed that Pensilva is a good school.

The inspection report praises the behaviour of the pupils, the quality of teaching and the leadership of the school. All the children make good progress because the teachers are effective practitioners and pupils are enthusiastic about their learning.

The report states, "Pupils enjoy learning and are keen to do well in their tasks. They are polite and courteous and say they always feel 'comfortable' at school because everyone is friendly".

Headteacher, Teresa Clinick, said, "We are delighted with the Ofsted report. This is recognition of the commitment and team work of everyone, including staff, governors, parents and, of course, the children themselves."

As the children said to the inspector, "We are part of a team because everyone works together to help each other."

Pensilva W.I. report

Tracy Cruiks, South West Health's Safety and Fire Assessment officer in the home, came to the Pensilva W.I. on March 11th. She was very informative and gave a very good talk about safety in the home. She started by saying that a lot of it is common sense and that we all get a bit complacent. Our home is the place of accidents. A lot of women over 65 die because of falls in the home. By the age of 75 both men and women die of an accident in the home or garden. Fires start mostly at night and they start suddenly and spread very quickly. Fire needs three elements to burn, fuel, heat and oxygen. If you can take one of these out the fire will die. Always keep fires well guarded. Keep portable heaters and candles away from furniture and curtains. Make sure the fire is out before you go to bed. Don't dry clothes over the fire or cooker. Minimise smoking especially in bed. Do not leave cooking unattended and smoke detectors should be fitted on each floor of the house. These should be tested regularly. Do not leave rubbish near to the house, they are a magnet for arsonists. Plan your escape route. Get out, stay out and phone the fire brigade.

Possessions are not important, your life is. Check electrical appliances for faulty leads or plugs. Do not wire flexes together and have your wiring inspected every five years. Do not overload plugs and extension leads and when you buy electrical equipment make sure it has a CE mark on it. Keep medicines and chemicals in their original containers. All oil paints and spirits should be kept outside. DIY and gardening can cause a lot of accidents. Don't tackle any job that is beyond your capabilities. Do not rush jobs but take your time and follow instructions for chemicals and equipment. Do not work with ladders on your own, have someone to hold it for you and secure it if you are able. Take care of yourself lifting heavy items. Remember that chairs and tables are not to be used for climbing on to change the light bulb! Be safe in everything you do.

Flower of the month was won by Dorothy Upton, 2nd Mary Gilbert and 3rd was Cherry Woodhouse. Competition of a limerick was won by Jill Pascoe, the only entry!

The next meeting on 8th April, Janet Orr will speak on "My life in textiles" visitors are welcome to join us.

From Jessica Burford-Redgrove at Volunteer Cornwall in Liskeard:

Volunteer Cornwall and Age UK have two new projects in your area.

- 'Living Well' which supports local people with long term health conditions, and
- 'Welcome Home' which supports people when they return home from a stay in hospital.

We need volunteer visitors and volunteer shoppers in your area. The projects go beyond ensuring that people are settled in their homes, aiming to make sure that they have all the help and support that they need. Have they got friends, family or neighbours who will look after them or do they need outside help from volunteers or paid services? Are there community groups such as Memory Cafes, Coffee Mornings, Arts & Crafts groups that can help to combat loneliness and isolation?

To find out more please get in touch or take look at the Volunteer Cornwall website <http://www.volunteercornwall.org.uk/>

These projects are funded by NHS Kernow for 12 months and are delivered in conjunction with Age UK as well as Health & Social Care partners. We would love to hear from anybody in the Pensilva/St Ive area who can spare some time, from a couple of hours per month to a couple of hours a week, to support people in the local area. Full training will be given and out of pocket expenses paid.

Anybody interested please contact Jessica Burford-Redgrove at the volunteer centre in Liskeard: 01579 344818 or email jessicab@volunteercornwall.org.uk. Thanks.

PENSILVA HEALTH CENTRE - PATIENT PARTICIPATION GROUP

We are a group of patients who meet regularly with the Health Centre to bring forward for discussion ideas, comments and suggestions about your surgery. In the past we have held open days, helped at the flu clinics and participated in a trial Peoples Commissioning Board Project.

We also organise a Carer's and bereavement group (see below) and a 'Walking for Health' group (**Contact Ann Wood 01579 364085**).

If you would like to talk to one of us you can contact us directly or through the Health Centre.

PENSILVA HEALTH CENTRE - PATIENT PARTICIPATION GROUP CARERS AND BEREAVEMENT GROUP

Are you a carer, bereaved or lonely? Then come along and join our group.

Tea, coffee, biscuits and plenty of friendly chat.

Every 2nd Tuesday of the month 1:30 to 3:30. Enter by Health Centre side door.

All Being Well - Monthly Newsletter Tel: 01579 363890

Marin Sellix managed to repel all boarders to win the "row the channel" challenge in February. Well done Martin! In March we have switched to the cross-trainers and treadmills as we attempt to climb the highest peaks in all the continents.

The March quiz was held in the intimate surroundings of Committee Room 1, as the Function Room was in use for a private party. We had a good turnout with seven teams, and great fun was had by all. The winning team on exactly 100 points was All Being Best. - a home win! It was amazingly close: runners up, just half a point behind, were In for a Laugh, followed by The Quiet Ones and Doh-Si-Dohs on 98. Thanks to all the teams; the money raised makes a vital contribution to ABW's finances.

As mentioned last month we have a couple of new members of staff. Welcome Steve and Shannon, it's great to have you on the team and we hope you enjoy the work.

Keep well!
