## From the Editor

Let me begin with an apology. If you've been keeping an eye on the Parish website in order to read a report of the public meeting on the future of Millennium House (as I recommended you do last month) then you will have been disappointed. I'm sorry about that - it was down to me, and other things got in the way. To make up for it, this month there is a plethora of information about the whole Millennium House business! Not only the promised report on the June 26th public meeting, but some news hot off the press about... not one... but **two** Parish Council meetings, as well as a leaflet explaining all about Pensilva Community Association and what it will mean for all of us. Yes, it's looking very much as though we are nearing the finish (or is it the start?).

Also with your Parish Pump this month you will receive a leaflet with the programme for Pensilva Gala Week and Carnival Day. (If for some reason you don't there are plenty at Millennium House reception!) Let's hope for good weather that week. See you there!

This will be the first Gala Week organised by the Millennium House Events Group and I'm sure it will be a huge success. Nevertheless, if you think Carnival (or any other events organised by the group) can be improved, why not join the group? It is open to all and it's a fun and energetic group.

And speaking of fun and energetic groups, what about Black Friday on July 10th?!!! It was a great night! And it was educational because now I know what "Celtic Rock and Irish" means. Apparently it means traditional songs sung to a loud electronic accompaniment with a fast and furious rhythm that gets your feet tapping till you can't help but get out there to dance. And it's fun! Last I heard the concert wasn't quite a sell out, though to be fair that was at around 8.30pm, so it's possible that the ONE REMAINING TICKET was sold later. Also (to be fair again) extra tickets had had to be printed because the first batch had all gone! So to summarise, the Events Group made a few bob for MH, the bar had a really busy night making a few more bob for MH, and a lot of people had a lot of fun. Reminds me of the old days.

Finally an appeal! Please let me know what you want to read about in these pages. If I don't hear from you I don't know what you expect of me. This is your magazine... I'm just here to keep the keyboard clicking.

All the best. Joe

## **The Latest from Your Parish Councillor - Martin Corney**

David Waddington has been welcomed back onto the Parish Council after many years of absence. His previous experience as a Parish Councillor makes him an invaluable addition to our ranks. We still have vacancies on the Parish Council, so if you think you can contribute your time and enthusiasm, please

contact the Parish Clerk, Leesa who is also a new addition to the team.

The Butchers Arms Preservation Society has decided to turn down the new owner's offer of a tenancy agreement to run the pub, since the terms were not considered to be workable. The pub is still registered as an Asset of Community Value, and the Butchers Arms Preservation Society would consider purchase if it comes on the market.

The resurfacing of Higher Road Pensilva has reinstated the speed restriction cushions. Many people asked for these traffic calming measures to be left out of the replaced surface, but Cornwall Council told our Cornwall Councillor that it would actually be more expensive to change the paperwork, than to put the bumps back. It does occur to me that this might be a blessing in disguise. Before the bumps were added, the traffic on Higher Road used to rocket through the village, endangering life and limb. There was a clamour to do something about speeding traffic and so the speed cushions were added. Maybe they are a good thing. What do you think?

Don't forget the parish website [st-ive-parishcouncil.gov.uk](http://st-ive-parishcouncil.gov.uk) with council meeting agendas and minutes; also downloadable copies of the Parish Pump. For those of you who do Facebook, our St Ive Parish Council page is still being updated with parish news. Phone me, email me on [martin.corney@btinternet.com](mailto:martin.corney@btinternet.com) or "martin corney blog st ive" in search engines will find my blogs for you to comment on this article and other gems.

## **From Cllr Steph McWilliam – August 2015**

Well, Cornwall Council voted in favour of the Deal for Cornwall, giving us more powers in areas such as bus franchising, integrating health and social care, employment and skills and the spending of EU funding. It sounds good but I voted against for a few reasons, not least that the whole process was very rushed and not debated in public. Because of this we were given the documentation in the Council Chamber and given 20 minutes to read it. It was 20 pages long and I got to page 11 before the debate began. I didn't feel there was sufficient time to consider all the implications and so voted against. It may be excellent and all good for us but I just don't know. As the paperwork was taken from us as we left the chamber, I still haven't managed to read it all. Another reason for me to vote against was that housing and planning, two of my top three elements, were not included. Finally, the transfer of any tax raising powers (keeping a proportion of VAT, fuel duty, stamp duty etc) are off the agenda, at least for now.

There has been some essential maintenance done on the planning website. If you have an alert set up, it might be worth checking if it is still working because mine appears to have stopped since the work and needs to be reset. I am having some difficulty finding my way around the system, which is always the case with changes, but hopefully it will be worth it once we become familiar with the new layout.

There has been a fair amount of coverage in the local media about the evaluation report on the EU convergence fund. It makes disappointing reading but hopefully lessons have been learnt and we will see more highly paid jobs and more economic growth from the projects in the current spending programme.

I didn't realise until recently but there is a Handyperson scheme run by Cornwall Council for over 60s and disabled people. This is for small jobs and/or where you don't want strangers in your home and aren't sure how to check someone's credentials. If you think this might be useful for you, ring 01872 224707. Thank you.

## **REPORT ON THE PUBLIC MEETING HELD ON JUNE 26 2015 ON THE FUTURE OF MILLENNIUM HOUSE**

At this meeting the new charity, Pensilva Community Association CIO, presented to the community of Pensilva (and beyond), and in particular to the groups that use Millennium House, what is going to be happening with regard to the running of Millennium House (MH) in the future.

The content of the presentation was roughly the same as the content of the leaflet that should be included with your Parish Pump this month. So I won't go into detail on that. Since I was the one doing most of the presenting it would clearly be wrong of me to say that the presentation was very well received, so I'll just say that a neutral would probably have remarked on how positively the presentation was received :-). The biggest round of applause of the evening was for Karen Lawrence who talked about the work of the Events Group. Even better for me was the bit when my 5 colleagues at the front each spoke about what it is that motivates them to press on with the work we're doing. I was moved.

Afterwards people had the opportunity to sign various registers offering help when the time comes. Several of us adjourned to the bar and there was a real buzz in there. It was gratifying to feel that others shared the vision of a vibrant and successful community centre that we have been clinging on to for the last 12 months.

A few days later I bumped into our Cornwall Councillor, Steph McWilliam, who had attended the meeting. I hope she won't mind my repeating her comment that she had never felt so positive about the future of MH as she did after that meeting.

About two weeks after the public meeting there was a Parish Council meeting at which the PCA constitution and business plan were due to be discussed. Unfortunately there was a procedural issue and the discussion had to be postponed to an Extraordinary General Meeting on Monday 20th July. In a way that was a good thing because by then we had finalised the heads of agreement that lay out how the Parish Council lease of MH to PCA will look, and also the contract dealing with the handover of the business of MH to PCA. These documents were also up for approval by the Parish Council at the EGM. All matters were approved, meaning that the way is now clear for PCA to take over the management of MH, probably on October 1st. On the legal side we now await only recognition of PCA by the Charities Commission and signature of the lease and handover agreement once the solicitors have done their work.

## **Pensilva W.I Report of the July Meeting.**

The July meeting of Pensilva W.I opened with the sad news of the passing of Doreen Jeffrey. She had been a loyal and hardworking friend and member for a lot of years, serving as President and committee member for most of them. She will be very much missed by us all.

Our speaker for the evening was Pat Mallett who is the president of Coads Green W.I. The name of her talk and demonstration was A Late Summer Meal, Adapting recipes to make them healthier. She demonstrated a three course meal starting with a salmon pâté followed with a spring risotto followed by cheese cake and chocolate brownies. Pat explained she had been very over weight and had joined Slimmer's World and some of the recipes had been adapted from there. All were low in fat and sugar and were delicious. Pat is an inspiration to all of us who struggle to lose weight. She was warmly thanked by President Frances Tucker. Jill Pascoe reported the arrangements for the Horticultural Show on the 12<sup>th</sup> September where going well and a meeting to sort out last minute details arranged for 17<sup>th</sup> Aug. Frances requested prizes for our stall for Pensilva Gala Day on 8<sup>th</sup> Aug. We were reminded of our visit to Sterts to see the Adams Family Fri. 31<sup>st</sup> July and Some Enchanted Evening 14<sup>th</sup> Aug. All agreed that our visit to see Lady Killers had been a huge success and had been enjoyed by all. How lucky we are to have such talent on our door step.

The August meeting will be a social evening with a visit to Jamaica Inn Museum with a meal after. Names were taken and transport organised.

Three members had birthdays this month, Barbara Bennett, Evelyn Dwelly and Jane Hall. Posies and cards were presented to them.

The Competition for this month was for an Individual Healthy dessert. Verna Dawe came first with her colourful fresh fruit salad and Cherry Woodhouse 2<sup>nd</sup> with her yogurt and fruit dessert. Cherry Woodhouse came first with her flower of the month with Jill Pascoe 2<sup>nd</sup> and Jane Hall 3<sup>rd</sup>. Another very enjoyable evening. Why not come along as a visitor and give it a try.

## **A GUIDED WALK AROUND THE GREAT PHOENIX MINE**

The walk will be about 2.5 miles in total with the optional extra of going to the valley bottom to see the wheel pit and slime works. # THE Growing Project

PENNSILVA

**KEEP YOUR EYES PEELED** as you head up Higher Rd for what might be the only purple roadside stall this side of the Tamar. By popular demand we will soon be selling our bountiful crops of tomatoes, French beans, courgettes and soft fruit, as well as salads, apples, oranges, pears and seasonal organic vegetables from other suppliers. Your business helps us to keep working together to grow healthy vegetables and healthy people.

**NEEDED** We have decided to convert our entire outside growing operations to raised beds. At the moment the land is constantly trying to revert back to a field and we struggle to stay on top of weeding, strimming, etc. So we will need a lot of tannalised timber and would be very grateful to collect/receive old decking, or anything that we can upcycle into raised beds.

**VOLUNTEERING AND GROWING LOCAL PRODUCE** Our fabulous volunteers work hard every Wednesday and the results are showing. We are harvesting tomatoes, climbing beans, new potatoes, courgettes, basil, blackcurrants and raspberries; we hope the runner beans and peas are going to catch up with themselves soon after an uncertain and cold start to the growing season.

It's satisfying being part of the whole process from crop planning to planting, harvesting and then taking the veg boxes to our customers. We are always keen to welcome new volunteers; there's certainly plenty to do.

We meet every Weds 10 am – 2pm, have a great time together and get fit too. Home-made soup and bread provided for lunch.

**VEG BOX SCHEME** To enjoy fabulous fresh local fruit and veg, delivered to your door, order your veg box now. Box Prices are: *£7.50 for 1 /2 people, £10 for 3/ 4 people, £15 family box and the very popular £5 fruit bag.*

**COMMUNITY COMPOST SCHEME** We welcome your lawn clippings, used rabbit bedding, cuttings, etc at our compost bins by the gate. Please make sure none of it has been sprayed with weed-killer. If you use weed-killer on your lawn, please dispose of your clippings through the Council scheme, as it could damage our crops.

The Growing Project CIC is a Community Interest Company producing organic fruit and vegetables. We have opened the growing space at Kenwyn, Higher Rd to the community and welcome volunteers for all sorts of jobs. Contact Ruth Wilson 01579 363684/ 07853 244934

## Group Closure

It is with regret that I announce the closure of the 1<sup>st</sup> Pensilva Scout Group.

Efforts to increase our youth membership and adult support have not resulted in achieving the number required to enable us to continue.

In consultation with the East Cornwall District Commissioner it was agreed that the Group would close after the meeting on 9<sup>th</sup> July.

There are groups in Callington, Stoke Climsland, Menheniot, Liskeard and Upton Cross. Information about joining these groups is available by email:

**Liskeard Community Speed Watch** was awarded Community Watch Scheme of the Year for 2015 at the Devon and Cornwall Police Partnership Community Awards on July 12th.

Part of the citation reads: “In essence, policing is stronger and more effective when people participate actively in how it is delivered... It is vital that the responsibility for keeping our communities safe and healthy is a shared responsibility. People live longer and are happier, feel safer and more confident when

they are part of a community that is active and has good communication networks.”

Just a few words this month.

Our new treadmill is up and “running”. It’s great! Sincere thanks again to the High Down Wind Power Community Fund and to Cornwall Community Foundation.

For this year’s carnival week we are organising fun skittles on the Monday evening & the quiz on the Tuesday evening. On the big day on Saturday we will be doing more skittles plus our usual cake stall and tombola. Please support us if you can - fundraising efforts such as these are vital if we are to continue our efforts to improve the health and fitness of our local community .

Until next month - keep well!
