## From the Editor

The big news from my point of view this month is that Pensilva Community Association has been awarded charity status (see pg 10). In the next couple of months we will be doing our utmost to achieve the January 1st start date.

There seems to be a lot going on around the parish at the moment. Lots of reports and notices this month have meant that I have had to go to 60 pages in this month's Pump. First time since November *last* year!

One thing about writing my few words here every month is that it makes me very aware of the passage of time. It doesn't seem five minutes since I was writing about the glorious Spring weather we had this year. So now we have also had a glorious spell of early Autumn weather, though, as I write this, it seems to be over and Winter seems quite close at hand all of a sudden. Still, look on the bright side, it won't be five minutes before we'll be welcoming in the Spring again!

All the best - Joe

My apologies to the Pensilva Post Office for inadvertently chopping the bottom line off last months advert. In case of doubt, **the Post Office continues to open on Fridays as normal.** The Editor.

## **From Cllr Steph McWilliam - November 2015**

I cannot believe I am writing a newsletter for the November editions of parish magazines. How on earth has this happened? There are some reports that we are in for a very long, hard winter. If that is the case, please look out for each other and, in particular, check on elderly or vulnerable neighbours.

We are nearly ready to finalise the emergency plan but we could do with volunteers who might be able to help rig up emergency heating and lighting if required, who are Raynet users and one or two volunteers to help in an emergency around Gang and Bicton. If you can, please contact Jane on 01579 362960.

If you have any time to spare, do please consider volunteering. There are many ways you can do this. Some are indoors, some driving, some outdoors, some involve working with people and some don't. As budget pressures mount, it is going to be harder to maintain all services to the same level. This doesn't have to be all bad. If it means we take back some local community working, there may be many benefits. In particular, can I make a plea to our young people? It can really help you in applying for your first jobs to have some sort of volunteering to put on your CV and to have people prepared to provide you with really good references, which all helps improve your chances in life. It also feels pretty good to have done something worthwhile with your free time. Just search 'Volunteer Cornwall' and do let me know if you decide to give it a go. I'd love to mention you next month.

I mentioned last month that councillors don't seem to have a role in planning enforcement cases. It seems the terminology may change from 'enforcement' to 'compliance', which isn't exactly the outcome I was aiming for but it is a start.

With the introduction of the Bodmin Moor Commons Council next year, there may be an opportunity to look again at a 40mph speed limit to protect the animals. Please let me know how you feel about this.

You have probably heard in the news lately about the pressure on policing and probable closure of more police stations. We are very fortunate to live in a low crime area but please help the police by reporting any suspicious activity, especially if you can give reg. numbers of unfamiliar vehicles in unexpected places. Just ring 101. (Yes I know – but the response time is getting much better.)

Finally, the Minions sign has certainly been a talking point. Unfortunately there has been a misunderstanding about it. It doesn't belong to Cornwall Council or to a parish council - either Linkinhorne or St Cleer. The decision to remove it was Universal's who own the copyright. However much we may wish to see it back up, it isn't going to happen unless Universal agree and so far they haven't, despite our best efforts. We do know how popular it was and how much extra business it brought to the local businesses but we don't own it and we can't put it back. We aren't all miserable grumps and I would love to be able to take my grandchildren up to see it but there is nothing more any of us councillors can do. Sorry!

## **The Latest from Your Parish Councillor - Martin Corney**

I want to tell you about the Caradon Community Network Area Panel this month. When Cornwall Council became a unitary authority the old Caradon District Council was abolished, but this left a big gap between the parish and town councils and the new unitary authority. This gap has been filled by community network areas; each has a panel which is

the main way Cornwall Council communicates with local communities. These panels meet every two months and consist of the local Cornwall Councillors and representatives from the Town and Parish Councils. Three community network areas have been set up covering the old Caradon District Council area; Liskeard & Looe, Cornwall Gateway (Saltash & Torpoint), and us in Caradon Community Network Area. I attend these meetings to represent and report back to our Parish Council. These panels have no powers or budgets, but do provide an opportunity to question Cornwall Council officers, Devon & Cornwall emergency services; fire, police and ambulance or any other local service providers. Recently we have heard from the Devon & Cornwall Police Commissioner. He explained months ago that with the cuts imposed by government, there would have to be cuts in policing services. This has now been detailed as the closure of 30 police stations, including local stations; Callington and Liskeard, both of which have been running down for years. With this reduction of policing, the emergency and non-emergency phone services have become even more important. We know that there have been problems with the 101 non-emergency phone service. I heard that some times you had to wait up to 45 minutes for a response, but the service is supposed to have been improved recently. We are trying to get the police service to demonstrate this, with meaningful statistics.

Don't forget the parish website [st-ive-parishcouncil.gov.uk](http://st-ive-parishcouncil.gov.uk) with council meeting agendas and minutes; also downloadable copies of the Parish Pump. For those of you who do Facebook, our St Ive Parish Council page is still being updated with parish news. Phone me, email me on [martin.corney@btinternet.com](mailto:martin.corney@btinternet.com) or "martin corney blog st ive" in search engines will find my blogs for you to comment on this article and other gems.

## ST. IVE VILLAGE SHOW REPORT

Congratulations. Once again St. Ive has put on a busy show in the Village Hall, with all the categories being entered. After a very wet summer it seemed everyone had made an extra effort to enter fruit, vegetables and flowers, so the tables would not be bare. From cakes to craft and photos to children's entries the whole show had a friendly village feel, with the extra bonus of seeing new faces. Our village resident Keith Mutton opened the show, also giving out the prizes which included his own two special choices. One was to Jack Bellringer for "A PIECE OF SCHOOL WORK", and the other to Brigitte Mann for "A DISPLAY OF VEGETABLES". The auction at the end of the day was a great success with donated fruit, vegetables, jams, cakes and flowers being sold off. It was worth everyone's hard work.

The following are the categories for next year in the ADULT PHOTOGRAPHY and ADULT HANDICRAFTS just so you can be prepared:

Photography... **A**nimal in action, **F**un and games, **N**ature in motion, **C**lose-up in any subject, a **L**andmark.

Handicrafts ... **H**andmade greeting cards, **I**tem made of wool, **I**tem of Patchwork, **Q**uilting and **A**ppliqué, **S**omething New from **S**omething Old, **E**mbroidered Item, **G**ift for a friend or a child, **K**nitted item for a child, **I**tem of Tapestry/Cross-stitch.

Pensilva W.I October Report.

Frances Tucker president, welcomed members, family and friends to our annual harvest supper. After a few short notices it was down to business and diets flew out the window when faced with the lovely supper with so many lovely things to try and to enjoy.

When all had eaten to their fill it was time for the auction of produce so generously supplied by all, to begin. Evelyn Dwelly agreed to be auctioneer for the evening and did an excellent job.

Bidding was brisk with everyone trying to outbid the other. It seemed that in no time at all, the table that was groaning with produce of every kind was empty and carrier bags where full.

We are reminded that Pensilva Remembrance Day Parade will be on Sunday 8<sup>th</sup> November, 10.45am at the Memorial, Millennium House.

We have an invite to Launceston W.I for a coffee morning on Tues 3<sup>rd</sup> Nov, and our Christmas Lunch will be at Whitsand Bay Hotel on Sunday

6<sup>th</sup> Dec. 12.30 for 1pm. On Mon.7<sup>th</sup> Dec we shall be visiting Cowslip workshop, Launceston, to make a Christmas Reindeer wall hanging.

Frances announced that £330.00 was made at the Macmillan Coffee Morning. A big thank you to all who supported this in any way.

Birthday posies and cards were presented to members who had birthdays this month. Liz Clayton, Verna Dawe, Mary Gilbert and Pat Anderson

The next meeting will be on Wed 11<sup>th</sup> Nov. at 7.15am at Millennium House when Fiona Hammond will give a flower demonstration called "Impromptu Flowers for Christmas" Why not come along as a visitor and give it a try; you would be made very welcome.

### **PENSILVA W.I SEW, KNIT AND NATTER**

Please join us for sewing, knitting, or just come along for a cup of tea and a natter at St John's Church, Pensilva at 2 to 4pm on the last Tuesday of every month.

Open to all and everyone very welcome.

Next meeting on September 29th.

**SUPPORTING LOCAL ORGANIC GROWERS** There are many community benefits to the wonderful support we receive from the village, which has helped us to grow a successful social enterprise. We are able to bring fresh organic fruit and vegetables to peoples' door at a competitive price and we are able to employ Lily, a local young person to pack and deliver the boxes.

This week I met with some other people who benefit from our success. They are Diane at Chapel Bank Organic Farm, Warleggan and Laura, at Tregillis Organic Farm, South Petherwin. They both wholesale their organic fruit and vegetables to us and we also buy potatoes from Jim Candy at Dowerry. Laura, Di and I met to plan our crops for next year; to decide who's going to grow how much of what and to discuss whether we can increase our capacity to generate more produce. We know of course that Mother Nature will be laughing up her sleeve as we plan, but that's half the fun.

Because we are able to take as much produce as they can grow, Laura and Di have been able to expand their growing operations with confidence and that pleases me very much. Despite that, they are not able to grow all the produce that we need, so we still have the capacity to take much more local organic veg. If there's anybody out there who's growing more than they need and who can keep that going throughout the year, please get in touch to discuss.

**OUR VEGETABLES** To enjoy fabulous fresh local fruit and veg, delivered to your door, order your mixed veg box now. Prices are: £7.50 for 1 /2 people, £10 for 3/ 4 people, £15 family box and the very popular £5 fruit bag. Or drop by our veg stall which is refreshed with all sorts of seasonal delights every Thurs. Cash in the post-box on the gate please.

**COMMUNITY COMPOST SCHEME** We welcome your lawn clippings, used rabbit bedding, cuttings, etc at our compost bins by the gate. If you use weed-killer on your lawn, please dispose of your clippings through the Council scheme.

The Growing Project CIC is a Community Interest Company producing organic fruit and vegetables. We have opened the growing space at Kenwyn, Higher Rd to the community and welcome volunteers for all sorts of jobs. # Christmas Tree Festival

**St Ive Church** is planning to stage a Christmas Tree Festival from Wed 9<sup>th</sup> December to Sunday 13<sup>th</sup> December, and local organisations are invited to provide and decorate a fresh or artificial tree. The intention is to make this a community event, with any profits from donations divided between the church and local charities. All you need to do is to make a contribution, (we suggest a minimum of £10) then come along and have fun decorating your tree. We hope that the trees will celebrate each individual group in their own way and that it will be a great way to promote your groups activities to the festival visitors. There will be access to a power point for lighting if you wish.

Your tree must be no larger than 5 feet tall. The Church will be open for decoration on Wednesday 9<sup>th</sup> between 10am and 4pm and again from 6pm to 8pm. The trees will be available for visitors from Thursday 10<sup>th</sup> to Sunday 13<sup>th</sup> between 10am and 7pm. Two Christmas events take place during the Festival: the first is a Carol service on Thursday 10<sup>th</sup> at 11am, and also Christmas lunch on Sunday 13<sup>th</sup>.

Decorations must be removed on Monday 14<sup>th</sup> December.

Like for many charities and community groups, the lead-up to Christmas is our busiest time for fundraising. This year is no exception. We will again be organising a prize draw with lots of amazing prizes, as well as selling our ABW Christmas cards. Alan Moss (ABW member and committee member) will be running a half marathon in November to raise money for ABW (sponsorship forms in the gym and on Millennium House reception); please support if you can. We will be at Tesco's in Callington again over the Christmas period, raising the profile of ABW as well as supporting the Tesco national charities and hopefully raising a few bob for ABW also. This year has certainly been a struggle for us financially but we very much hope that your generosity will see us over the hump.

In October the challenge was to walk the length of Cornish coast path on the treadmills and cross-trainers in the gym. Between us we made it from Tintagel all the way round to Fowey. The November challenge is the ever-popular Iron Man, which never fails to generate a bit of a buzz.

Congratulations to our wonderful manager Mel who continues to extend her impressive list of qualifications; she has now successfully completed a course on Obesity and Diabetes run by the Wright Foundation.

Keep well!
