From the Editor

A packed edition this month - 60 pages compared to 52 last month!

At its meeting on April 11th the Parish Council passed a resolution setting a target of the end of May for getting the Millennium House lease completed and signed. Both the Council and PCA are working hard to achieve this. Between now and then the general public will have another opportunity to express its views on the subject of the Millennium House transfer, at the annual Parish Meeting on May 25th where the proposed transfer is due to be discussed (see notice on pg 6). This is an important matter and I would encourage everybody who has views on the subject, both positive and negative, to attend and to express their views.

I have had three letters this month from members of the public - a record since I have been editor! Two of them are printed on page 8. With regard to the third (from a lady concerned about the condition of the walkway down to Lower Glen Park) I have to offer an apology. I received the letter and was preparing to publish it when I realised it was addressed to the Parish Clerk and not the Parish Pump. In fairness I need to let the Parish Clerk see it before I can publish it; time does not permit this month, so we will return to the issue next month. I am really sorry for the misunderstanding. Please keep the letters coming!

All the best - Joe

COVER STORY - St Ive Play Park

A good crowd gathered to celebrate the opening of the new St Ive Community Play Park on Saturday 9th April. The opening crowned eighteen months of work by the community of St Ive, from the initial Fun Day held on 4th October 2014 and including many other fund raising activities. Community involvement was essential in obtaining grant funding from Viridor Credits and the Solar Farm on the St Ive / Quethiock border. Parish Council support, enthusiastic community involvement and the work of the committee led by Keith Mutton and Sally Bellringer all contributed to a successful outcome.

A big thank you to the funders and well done to all concerned!

CALL TO TENDER FOR THE MAINTENANCE OF TOKENBURY CEMETERY

St Ive Parish Council invites local businesses to tender for the annual maintenance of Tokenbury Cemetery (Pensilva). All quotes to be received by the Parish Clerk by 31/05/2016.

Any queries contact the Parish Clerk on 01579 363096 between 9am and 2pm on Mondays, Wednesdays and Fridays.

Neighbourhood Development Plan Event

The Future of St Ive Village

St Ive Village Hall, Friday 27th May, 5pm to 8pm

The Neighbourhood Development Plan Working Group will be presenting new ideas and hearing your feedback, for development in St Ive along the A390.

The parish has a development dilemma. Pensilva has lots of development, but poor access. St Ive has little development but being on the A390 excellent access. Should St Ive be the part of the parish for more future development? Does St Ive need more development in order to thrive as a community?

The Butchers Arms has been closed for a while, but could be reopened with a nearby shop. Would this be a viable concern without other development in the area? The field opposite has planning permission for industrial units. Would this provide enough extra business? The old rectory where Emily Hobhouse was born may be opened as a museum about her. The church has been in difficulties with a reducing congregation. Does the village need new families to invigorate it? Should St Ive stay as a collection of scattered housing with few facilities, or develop with job opportunities and housing for young families? Would St Ive benefit from mains sewerage and mains gas as part of development? If development happens, where should it be sited? All these issues will be presented for you to consider and give your feedback. Please come along at any time between 5pm and 8pm on Friday 27th May to participate.

Letter received from Craig Vaughnley, chairman of the Pensilva School Governors, in response to comments by Martin Corney in the April Parish Pump concerning the Pensilva Recreation Ground Field.

In last month's edition the parish councillor for St Ive claimed that if the land were to be transferred to the school it might be possible that the school would sell the land to raise money.

The first inaccurate comment was that the land was to be transferred to the school. This is incorrect and the land is being transferred from Cornwall Council to CCET, the Caradon Cooperative Educational Trust. The land is an important asset to the Trust. We requested the transfer to prevent the sale as the land could have stayed in Cornwall Council control.

The school has never owned the land which has always been owned by Cornwall Council. The school only has responsibility for its upkeep and maintenance.

Martin's comments were not based on fact unfortunately and if this concern had been raised with myself I could have easily clarified the points raised in Martin's section of the Parish Pump.

I apologise on behalf of the school if Martin's comments have raised concerns over the running of the school. The land is simply being transferred into trust.

If you have any further questions please contact me on 01579 364083

Regards

Craig Vaughnley.

Email received from Martyn Skynne of St Ive

Dear Joe

In reply to your question in the Parish Pump, should the Parish Pump cover national politics, I don't think the Parish Pump should cover National Politics because members of the public are subjected to news on National Politics via many other medias and for many of us it is nice to read about local news, which in the Parish Pump is mainly positive news. I for one do not wish to be reminded about National Politics.

Yours sincerely

Martyn Skynne

From Cllr Steph McWilliam – May 2016

Spring is definitely on the way but with our typical Cornish climate, we seem to be managing two or three seasons in a day at the moment. Even so, the warmer sunny days when the wind drops are really welcome, as are the longer daylight hours. Whatever the weather, I am still always grateful to live in and represent this part of Cornwall.

The community chest is open again. I am delighted to say that all the money was used last year for activities within this division and I hope we can do the same again this year. Please don't hesitate to contact me if you are seeking funding for local community projects.

Initial responses to my question about setting up a 'question and answer' event about the EU referendum suggested there wouldn't be much interest. However, I have now had more replies and there does seem to be support for the idea so I will see if I can find someone to join me who is already committed to voting to remain. Any suggestions for somebody who is clearly impartial to chair it will be much appreciated, as will your thoughts on when and where to hold it. I don't think it will be worth holding sessions in each parish so, at the moment, I am considering Millennium House which is quite central, perhaps on a Sunday afternoon.

Although work is underway on the electoral review (Boundary Commission), the Devolution Deal and a Governance Review, there are no decisions or outcomes to report yet but I will keep you posted when there are.

I drove around the three parishes after the last storm and would like to use this column to thank all you heroes who do your bit to look after yourselves, your neighbours and your neighbourhood. I know I didn't see all of you to thank you personally but it is appreciated. I know we still have some real problems to sort out – and we will – but we would have a lot more if it wasn't for our civic minded residents who just quietly get on with things like clearing drains and waterways.

Thank you all.

WANTED. If there is anybody who has any amount of wool that they no longer need, I have a lady who knits items of jumpers, cardis and the like for children in Africa. You can ring me on 363372 and I will collect.

The Latest from Your Parish Councillor - Martin Corney

Pensilva is within two miles of the Bodmin Moor Area of Outstanding Natural Beauty and so will be included in the buffer zone of the newly proposed Bodmin Dark Sky Park. The Parish Council supports this proposal as will strengthen planning regulations for a better environment and improved year round tourism. Bodmin Moor has crystal clear skies because of the prevailing winds coming over the Atlantic washing out most atmospheric dust. Cornwall Council have been putting together a bid with the technical support of Caradon Observatory at Upton Cross. The bid for Dark Sky Park status is currently at the consultation stage and will be ready to be submitted this Autumn. More details and links to the Cornwall Council information are available on the parish website. The Parish Emergency Plan will be presented at the annual parish meeting 7.30pm 25th May. This is a plan that has been created by members of the community together with the guidance of Cornwall Council.

I've been asked to remind people that they must pick up waste from their dogs when walking them. This is a very emotional issue for many people, and now that it is mandatory for all dogs to be chipped, there is a demand from many to take the DNA profile of dogs when they are chipped so that each dog can be traced from anything they leave behind. I've also noticed that large carrier bags are being left next to the specialist dog waste bins. This is totally unnecessary since the dog waste disposal rules have changed to allow inclusion in household waste. We used to have to buy special dog waste bags from the council, to be collected on special days; this is no longer the case.

Don't forget the parish website st-ive-parishcouncil.gov.uk with council meeting agendas and minutes; also downloadable copies of the Parish Pump. For those of you who do Facebook, our St Ive Parish Council page is still being updated with parish news. Phone me, email me on martin.corney@btinternet.com or "martin corney blog st ive" in search engines will find my blogs for you to comment on this article and other gems.

Pentiddy Community Woodland News

The woods are again treating us to the glorious green tones of Spring and the ever-increasing evidence of the wildlife that have made it their home. On a sad note, many of you will have heard or seen that the carved sign at the entrance to the community woodland was vandalised beyond repair in early April. Upsetting as it is to feel that there are people in the village who can do that to a community resource and a charity set up for the people of the village, these things happen and we move on. Our next task is to set our minds to raising the funds to replace it. (We have a quote for about £450!).

More now than ever, we need your support. You can of course make a donation to the charity or put in an order for firewood for next winter, the funds from which go back to the charity. We also need people who use the site to join the committee to help us look after the woods and encourage community involvement. No experience necessary and no need to get involved in the physical management of the woods unless you feel able. It's more about showing support than anything else. We are having our AGM on Monday 23rd May, meeting at the main gate to the woods at 7pm then wandering through the woods and down to our home for tea and cake. Please come along and do your bit to keep the woods open to the public and a beautiful place for people to visit and for wildlife to thrive. We hope to see you there. Until then, enjoy all that the woods have to offer at this amazingly vibrant time of year.

EARLY PLANTINGS Our team of weekly volunteers and our HelpX volunteers, Erin, Alex and Lorenzo have worked their socks off over the last 2 months. We have filled all of the raised beds with green waste compost and manure and planted most of them with their first crops. Coming up now are carrots, cabbage, kale, turnips, parsnips, peas, broad beans, onions, leeks, onions, shallots, garlic, salads and potatoes. We still have space for French and runner beans and courgettes, squashes and sweetcorn. Fingers crossed that the weather is with us, after such a dreadful season last year.

FURTHER WORKS Because Bond Timber gave us a hefty community discount on our timber order, we are able to afford 6 more new wooden raised beds and Trevor Webb has agreed to help us clear the land for those very soon. After that, we will renovate the veg packing area so that Lily has a safe and comfortable space in which to pack our veg boxes. We will also create a warm dry volunteer rest room for those days when it's too cold to eat lunch in the field. We have also been donated the materials to build some cold frames, so that we can thoroughly harden off seedlings before planting them out.

VOLUNTEER SESSIONS In recent weeks we've sometimes had over 10 people working on site and that has allowed us to do make big improvements, clearing grass, brambles and organising things in a much better way. The tunnels look fantastic, the craic is great and we are building a solid team, as well as having fun and staying healthy. If you'd like to join us, we're here from 10-2 every Weds.

OUR VEG BOXES enjoy fabulous fresh local fruit and veg, delivered to your door, order your mixed veg box now. Prices are: £7.50 for 1 /2 people, £10 for 3/ 4 people, £15 family box and the very popular £5 fruit bag. Or drop by our veg stall which is refreshed with all sorts of seasonal delights every Thurs. Please put your cash in the post-box on the gate.

COMMUNITY COMPOST SCHEME We welcome your lawn clippings, used rabbit bedding, cuttings, etc at our compost bins by the gate. If you use weed-killer on your lawn, please dispose of your clippings through the Council scheme.

The Growing Project CIC is a Community Interest Company producing organic fruit and vegetables. We have opened the growing space at Kenwyn, Higher Rd to the community and welcome volunteers for all sorts of jobs. Pensilva WI March Report

Tony Wood came to our meeting on 13th April to talk to us about how Liskeard came to be the town it is today. There is a well in Liskeard, that has been there for a number of years and has never run dry. The first time that Liskeard has been mentioned was in the Domesday Book in 1086. Liskeard was a village and the main occupation was agriculture. In 1240, Richard Earl of Cornwall granted certain rights, such as markets and fairs and the town became a thriving market town. Eventually copper was found in the Caradon mines on Bodmin Moor and the population in the town grew. Many fine houses were built to cope with the rising population, and there were a great deal of slum buildings too. St Martins church, the second biggest church in Cornwall was built on a former site of a Norman church. The granting of markets and fairs helped the town to grow and prosper, and the finding of copper was another good factor for the town, but the Copper dwindled and so did the population. Tourists are now what the town relies on. Henry Rice, a great architect, built many fine buildings in the town which still look good many years later. Mr. Wood showed us slides of the town which show the town as it was growing and as it is today.

SNOOKER REPORT

Another season has drawn to a close but for this team, the only one left in the village, it finished very differently than in previous years. After trying for nearly 30 years we finally won the first division, winning 16 matches and losing only 4, winning the league on games lost.

The team consists of:	<u>Played</u>	<u>Won</u>
Dave Crowle (Capt)	14	5
Phil Bond (Vice Capt.)	18	8
Mike Dustan	20	14
Josh Dustan	17	9
Nigel Emms	20	16
Tony Brend	9	7
Aldon Livingstone	2	1

There were individual successes also for Nigel Emms who had the highest break of 55 and finished tied for most wins, and for Mike Dustan who won the Division 1 Singles by 3 frames to 1 in the final, knocking in a break of 41.

So next season we are in the big time with the big boys! We are all looking forward to it.

SILVERWARE FOR TWO PENSILVA SKITTLES TEAMS

Pensilva Skittles teams Rebels and Hilltops were involved in nail-biting finishes to the 2015-16 East Cornwall Skittles League season.

In Division 1, Rebels had to win their last match at least 5-1 to clinch the title. In an impressive display they knocked down 549 pins to win 6-0 and take the title by 2 points. They were less fortunate in the final of the 8-a-side Cup; in a sparkling and high-scoring match they missed out to Terriers (from Duloe) 567 to 553.

Meanwhile, in Division 2, Hilltops had set the pace since before the half-way point and with 5 games to go had lost only 2 league matches. But they faltered in the closing stages, losing 3 out of the last 5. It all came down to the last match: Hilltops were a little unlucky to lose by just 3 pins for a 5-1 defeat. Closest rivals S Club 8 (from Callington) now needed only 1 point to win the Division on pin difference. And 1 point is what they got, knocking down the 2 pins they needed with the very last ball of the Division 2 season! If the tiebreaker had been matches lost, rather than pin difference, Hilltops would have finished top! Still, they have the consolation of promotion to Division 1 for next year, and they finished the season on a high with a win in the Presidents Cup, 529-510 over Demons (from¹⁴ St Dennis) in an exciting and enjoyable final.

PENSILVA HEALTH CENTRE - PATIENT PARTICIPATION GROUP

We are a group of patients who meet regularly with the Health Centre to bring forward for discussion ideas, comments and suggestions about your surgery. In the past we have held open days, helped at the flu clinics and participated in a trial Peoples Commissioning Board Project.

We also organise a Carer's and bereavement group (see below) and a 'Walking for Health' group

(Contact Ann Wood 01579 364085).

PENSILVA HEALTH CENTRE - PATIENT PARTICIPATION GROUP CARERS AND BEREAVEMENT GROUP

Are you a carer, bereaved or lonely? Then come along and join our group.

Tea, coffee, biscuits and plenty of friendly chat.

Every 2nd Tuesday of the month 1:30 to 3:30.

Enter by Health Centre side door.
