## From the Editor

Hello all. Well the referendum is over - now we just have to survive the aftermath. Please forgive my little joke on the cover; it just struck me that King Doniert's Stone was already almost 200 years old when William the Conqueror invaded Britain in 1066, so it has seen it all before. Before that, the stone that was used to make the monument used to be molten rock beneath the Earth's crust until, about 1.1 billion years ago, it cooled to become granite. It was then pushed to the surface (nobody is quite sure how) where it lay undisturbed for hundreds of millions of years. Then, all of a sudden, humans appeared and started laying into it with hammers and chisels, after which the world was never quite the same for those particular lumps of igneous rock. So when people use metaphorical language about seismic changes, or upheaval on a cosmic scale, we would do well to maintain a sense of perspective.

The saga of Millennium House has entered a new phase. PCA and the Parish Council have finally reached agreement over a new draft of the lease, which has now gone to the lawyers in Truro. Meanwhile, the Council has been advised that a contract will be required governing the terms under which PCA will manage Millennium House. Also, a risk assessment needs to be carried out by an independent, qualified person. In other words, more delays. We are hopeful that these delays will be measurable using a standard Gregorian calendar, rather than on the geological time scale.

Keep smiling! Joe.

## **From Cllr Steph McWilliam – July 2016**

Cornwall Council is still receiving a great deal of criticism for various decisions and sometimes it is justified. However, as I have said before, we do some things really well and I think we need to remember this from time to time. The latest Gold award is for our bereavement services. CC Joyce Duffin, portfolio holder for this service said “Any burial or cremation is a highly emotional occasion for those taking part and staff are expected to ensure that services are carried out in a sensitive and respectful way which meets the needs of the bereaved. Staff in our bereavement services work very hard to provide the best possible experience for people who have been bereaved and these awards show that we are meeting these standards. I would like to congratulate everyone who has been involved.”

I have asked this question before but not for some time and people’s views may have changed. You may have heard that central government has withdrawn funding for the Cornish Language Programme. This amounted to £150,000 per year. Whilst I do sympathise when we were apparently assured that the money would be forthcoming and now it isn’t, I would like to know if you feel Cornwall Council should make it up through your council tax. Last time I only had one person say they would be happy to fund the Cornish Language with about twenty saying they would not. This is still a very small proportion of the residents I represent so I would encourage you to let me know your views.

The community chest scheme is open again. If any local group or organisation is looking for financial help, do get in touch. There are some restrictions on how it can be spent but not too many and the application process is quite straightforward.

There are lots of road works planned between now and early September so let me know at the end of the summer if you believe your section has been missed. You can have a look at [roadworks.org](http://roadworks.org) in the meantime. During the winter, the priority is de-icing when necessary and dealing with flooding and urgent repairs, especially when springs pop up underneath the tarmac. At the moment the highways staff are busy with trimming of hedges and verges but are about to start on repairs and resurfacing. You may well have seen the different coloured spray paint on the tarmac. One colour indicates urgent work needed and the other shows the repair will be covered when more substantial and planned work takes place.

Do enjoy the longer days and better weather but don’t hesitate to contact me with any problems related to Cornwall Council. I will do my best to help where I can.....except for just a few days in mid-July when I will be away in the Isles of Scilly. I am very much looking forward to that and hope you all have plans to take a little time to enjoy living in the best part of the world.

## The Latest from Your Parish Councillor - Martin Corney

As I write this, the tragic news of the death of Jo Cox MP is the major news item. Like all of us I was shocked and horrified at this violent political assassination, but I was surprised at the strength of own my personal reaction. As a Parish Councillor I may only be at the

lowest level of the political structure, but even I have been physically assaulted, just because I was a Parish Councillor standing up for my integrity. This incident from the past clearly resonated and upset me far more than I expected. I mention this since it continues an ongoing theme of reminding everyone that Parish Councillors are all volunteers who get no financial benefit for the work they do. Why do we volunteer to be Parish Councillors? Mostly I think we want to make the community work better. We all have different ideas about what this means, but we generally agree about most things and work with integrity for everyone in the parish. For this voluntary work for the community by ordinary people we should be treated with respect.

The workload of the Parish Council has increased so I am making more use of committees to do the work and bring completed plans to the Parish Council meetings. This way we can hopefully keep the council meetings down to less than the recommended maximum time of two hours.

The slow process of transferring the management of Millennium House to PCA still continues and we now have clarification of the exact process so there is light at the end of the tunnel.

The Neighbourhood Development Plan is progressing. The Working Group met with the residents of St Ive to hear opinions about the development of the Butchers Arms supported by retail units and industrial units in the field opposite.

Don't forget the parish website [st-ive-parishcouncil.gov.uk](http://st-ive-parishcouncil.gov.uk) with council meeting agendas and minutes; also downloadable copies of the Parish Pump. For those of you who do Facebook, our St Ive Parish Council page is still being updated with parish news. Phone me, email me on [martin.corney@btinternet.com](mailto:martin.corney@btinternet.com) or "martin corney blog st ive" in search engines will find my blogs for you to comment on this article and other gems.

## PENSILVA WI JUNE REPORT

We were reminded at the meeting on 8th June that the Horticultural schedules are either in Millennium House or with Jill Pascoe.

There were various meetings and open days attended by some of the members which went really well. There was a small display of some of the items made at a four corner day recently which we shall be learning at our patchwork day.

We were reminded that Jean is holding a garden party at her house on Sunday, 12th June for the Queens 90th birthday. There will be a competition for the fanciest hat. (The garden party was held on Sunday with lots of food and chat.) There are several performances to see at Sterts theatre this summer.

A meeting to the Theatre Royal has been arranged, going by bus! Philip Styles is still doing his Saturday morning workouts. The ladies taking part seem to be enjoying themselves.

We shall be having our usual Tombola stall on Gala day.

There is a lot going on!

We were entertained by Viv and Roger Bennett playing the guitar and flute. They sang Cornish songs for us. As Roger explained, during the 19c people made their own entertainment at home with groups of family and friends then radio was invented and the world changed. Lots of songs were sung at the various fairs and fetes that were held in Cornwall, many of them still sung. Viv recited a story of a ghostly lady which some could see at St. Ives. Very eerie! It was a good night with many of the Cornish ladies singing the songs.

Our next meeting is on July 13th and Philip Rodda from Rodda's Cream will be the Speaker. I wonder if there will be samples!

Cherry's next sugar craft class is on Monday 27th June. There are two places available if you want to join.

Tuesday 28th June is Knit and Natter at St Johns church at 2pm. You do not have to be a member to join.

Flower competition was won by Verna Dawe, 2nd was Ann Robinson and 3rd was Dorothy Upton. The competition of a bell was won by Ann Robinson, 2nd was Verna Dawe and 3rd was Dorothy Upton.

## FRIENDS OF ST JOHN'S PENSILVA

St John's Church held what has now become the traditional annual concert in Pensilva School on Saturday 18<sup>th</sup> June. The concert included the Pelynt Male Choir accompanied by our own Barry Jay, and the Quethiock School Choir. Rev Mark Pengelly kindly acted as the MC. The Pelynt Choir treated us to a selection of their traditional Cornish numbers, reflecting life in Cornwall, of mining and fishing; and more modern numbers such as "I have a Dream" and "American Trilogy", finishing with a rousing "Trelawny".

Quethiock School Choir treated us joyfully and enthusiastically to a series of numbers on the love of God and Jesus Christ in their lives, about loving one another and building together. The joy they promoted filled the hearts of everybody in the hall.

The hall was packed, with many journeys to get additional chairs until it was not possible to fit any more in. The singing was inspiring, joyful and in many cases the words thought-provoking.

The whole event was a great success, finishing with refreshments and fellowship together, a real whole village event enabling many friends who don't often get the chance to meet up together to catch up with their news.

Our thanks to the Choirs and to all those whose work made it a landmark event for the community in which we live.

Every blessing- Geoff Cox

## **Quethiock School Summer Fair - Report**

We had a great Summer Fair! The weather was 'iffy' so we held it indoors. However, this did not dampen out spirits! We had a great turnout – and everyone enjoyed an afternoon of fun-filled activities. There were lots of games including joke telling by the year 6's! The children got involved with running the stalls and were all very pleased with their contributions. We raised an amazing total of £750 – which for a small school is incredible!! We would like to thank everyone for their support – to all the helpers, bakers, stall holders and buyers – a huge thank you from us all. We should now have enough money to take the children to the pantomime at Christmas – which was our aim. Many thanks one and all!

### **REMEMBRANCE DAY**

I know it's very early to think about Remembrance Day; however, a number of changes to the ordering of wreaths have taken place due to the retirement of Pensilva's Poppy Appeal Organiser.

Your organisation can order their wreath either through the Liskeard Branch of the Royal British Legion, or direct from the Royal British Legion Poppy Appeal, Royal British Legion Village, Aylesford, Kent, ME20 7NX. Order forms will be supplied to your organisation. It is essential that your order is sent by SEPTEMBER. Please, if you require a wreath, do order one to avoid disappointment on the day. They will not magically turn up as they have done in the past!

If you have any questions please contact me on 362698. Geoff Cox.

**CROPS AND PLANTING** The new outdoor beds are now all full to bursting and their crops are looking very promising. Parsnips, carrots, onions, garlic, peas, tomatoes, chard, squashes and courgettes, sweetcorn, cabbages and kales, broad, runner, climbing and dwarf beans are all taking off and the potatoes look like having a bumper year. We have harvested turnips, radishes and salads so far. I keep being surprised by how much produce it takes to fill these massive beds, so if you have spare plants out there that you don't have homes for, please let me know.

It is very exciting waiting to see what difference this investment in large raised beds will make to our overall productivity and therefore the amount of our own produce we can put in the veg boxes; as always, we need the weather with us now.

In the tunnels, the garlic and onions are nearly ready to harvest, while our indoor crop of first early potatoes was the best ever. Most of the summer planting is done now: tomatoes, sweetcorn, chillies, basil, courgettes, aubergines, dwarf and climbing beans are all looking great

**VOLUNTEER SESSIONS** As everyone knows, the trick now is to stay on top of everything. Weeds and grass are enjoying the combination of rain and sun; we need lots of pairs of hands to help keep the sight manageable. If you'd like to join us or our weekly volunteer session, we're here from 10-2 every Weds. Lunch is provided and there is much healthy exercise and fun to be had

**OUR VEG BOXES** enjoy fabulous fresh local fruit and veg, delivered to your door, order your mixed veg box now. Prices are: £7.50 for 1 /2 people, £10 for 3/ 4 people, £15 family box and the very popular £5 fruit bag. Or drop by our veg stall which is refreshed with all sorts of seasonal delights every Thurs. Please put your cash in the post-box on the gate.

**COMMUNITY COMPOST SCHEME** We welcome your lawn clippings, used rabbit bedding, cuttings, etc at our compost bins by the gate. If you use weed-killer on your lawn, please dispose of your clippings through the Council scheme.

We will collect and rehome bee swarms in the Pensilva area.
