## From the Editor

Instead of my editorial this month I'll leave the space for a brief update on the PCA project and other contributions. Martin Corney also touches on the former subject in his piece this month. All the best! Joe

### **PENSILVA COMMUNITY ASSOCIATION CIO - Update**

Several trustees of PCA and directors of PCB attended the Parish Council meeting on August 8th where four relevant resolutions were on the agenda. It quickly became obvious that the Council was in no position to move the project on quickly. There were still unanswered questions about the legal framework and the deal is also threatened by the Council's severe financial problems.

At a trustees meeting held on Tuesday August 16th PCA resolved to withdraw from the process until the Council is in a position to deliver on its side of the bargain. We feel that we have done everything in our power and everything that has been asked of us; there is nothing left that we can do to assist the Council at this point. We have written to the Council to this effect, also asking to be informed when the Council is in a position to proceed.

*I have received the following article from Martyn Skynne who works part-time as a counsellor and wishes to bring this issue to the attention of fellow parishioners. Ed.*

### **ADVICE FOR PEOPLE HAVING DIFFICULTIES MAKING COUNCIL TAX PAYMENTS.**

Council tax payers who are experiencing difficulty paying their bill should revisit the matter with the Cornwall Council, Council Tax department in writing. It is of the utmost importance that written replies are obtained from CC Council Tax department to provide a record for future use. The evidence might be required at a later date by the Ombudsman or a member of the Citizens Advice Bureau (CAB).

The Council Tax department has the power to assist council tax payers who are having difficulty paying their bill. For example, they can defer payment of council tax or agree alternative payment schemes. It is unlawful for Council Tax department employees to pressure people to obtain payday loans in order to pay their council tax, or to pursue court action when a deferred payment agreement can be put in place. Deferred payment agreements are especially helpful to people who do not have regular incomes or who are experiencing exceptional difficulties such as illness, meeting the cost related to care commitments, or cash flow problems.

The Government's "Guidance to Local Councils on Good Practice in the Collection of Council Tax Arrears" includes information on complaints procedures. The guide is available free of charge at <https://www.giv.uk/government/publications/council-tax> or from the CC Council Tax Department, any CC One Stop Shop or any CAB Office.

If a person is not happy with the service provided by CC Council Tax department they can ask the Local Government Ombudsman to consider their complaint. Details of how to do this are set out at: <http://www.lgo.org.uk>. Alternatively anybody can contact the Citizens Advice Bureau for free, independent advice or Google: <http://www.citizensadvice.org.uk/>

### **Power Cut – Call 105**

This is a new three-digit number that people can call to report or get information about power cuts. You can also call 105 with any welfare concerns related to a power cut, or if you are worried about the safety of over or underground electricity cables or substations.

105 is free of charge and will put you through to your electricity network operator.

You can call 105 from most landlines and mobile phones.

It will be launched in September 2016 for people in England, Scotland and Wales.

The [powercut105.com](http://powercut105.com) website will be live in time for the launch, providing people with more information and signposting them to their network operator.

## **From Cllr Steph McWilliam - September 2016**

How amazing was the Man Engine? It seemed to me to combine all that is best about Cornwall – our history and mining culture, creativity, engineering, construction and teamwork. Well done to everyone involved.

I am aware that we have many unknown, unrecognised local heroes, voluntarily doing amazing work around the parish, just because they are happy to make their own contribution to where we live. They check on public areas and report back, pick up litter, clear drains after storms and various other activities. However, like housework, you only notice when they stop and something isn't done. A few of these wonderful people are finding that they can't do as much as they used to and are having to cut back. Do you enjoy walking in our beautiful countryside? Do you ever use the footpaths in and around our villages? If so, could you be a volunteer to be the eyes and ears of the Council? Is your parish a member of the Local Maintenance Partnership? If you would like to do your bit, do please consider contacting the parish clerk or me (362037) to have a chat about what you could do.

August is a quiet month for meetings but a good time to try and catch up with case work. I am concerned about one caller who left their telephone number on a message for me to ring them back but the number I picked up doesn't work. If you have tried to contact me and I haven't responded within a week or ten days, please call again.

I had a few days away in the Isles of Scilly, which was wonderful, and I must have done something good because the weather was perfect. However, it did make me realise how disappointing it must be if you have saved hard all year, sat in traffic jams to get down here for your summer holiday and have wind and rain for your summer break. We are very lucky to live here all the year round so let's be especially friendly to visitors who haven't done as well. If we can't give them warm weather, we can at least give them a warm welcome.

I am keeping this short this month because I know there is a lot going on so other contributors will be needing more space. Enjoy yourselves but don't hesitate to get in touch if you have any council-related problems.

Thank you.

P.S. A warning from the police. There seems to be a crew going around stealing from cars. They are doing it just because people leave valuables in sight and leave cars unlocked. Please remove valuables and lock cars – then our crime rate would drop by about 30%.

## **The Latest from Your Parish Councillor - Martin Corney**

Last month's Pensilva Gala Day was fun. My photos of the day are on Facebook and shared to various related pages; Pensilva Carnival Week and St Ives Parish Council. A petition to save Millennium House was circulated on the day and handed in to the Parish Council. I have heard that at least one

Councillor has been saying that Millennium House will close but I can assure everyone that that is not what the majority of Councillors want. There has been clarification of the process we need to follow if the management of Millennium House is to be handed over to the community. Unfortunately this means more work and more delay which is very frustrating for everyone.

I have had more complaints about dog fouling. If you have a problem with dog behaviour (noise, fouling, strays) you should contact Cornwall Council's Dog Welfare and Enforcement Service. They are available on Cornwall Council's website and email to [publicprotection@cornwall.gov.uk](mailto:publicprotection@cornwall.gov.uk) or phone 0300 1234 212. If dogs are dangerous or in danger then you should contact the Police. Please remember that dogs are not allowed on the recreation grounds because they can deposit parasites that could be picked up by the children who play there. These parasites have been known to blind children.

Don't forget the parish website [st-ive-parishcouncil.gov.uk](http://st-ive-parishcouncil.gov.uk) with council meeting agendas and minutes; also downloadable copies of the Parish Pump. For those of you who do Facebook, our St Ives Parish Council page is still being updated with parish news. Phone me, email me on [martin.corney@btinternet.com](mailto:martin.corney@btinternet.com) or "martin corney blog st ives" in search engines will find my blogs for you to comment on this article and other gems.

## **FRIENDS OF PENSILVA HEALTH CENTRE**

A meeting will be held on **Tuesday 6th September 2016 at 2.p.m.**

Millennium House, Pensilva.

Everyone Welcome

**VOLUNTEERING.** We have the most amazing group of volunteers ever and we are keen to recruit more, as there's always so much to do. At the moment we meet on a Wednesday between 10a.m and 2 pm, with a break for soup and bread at 12.30. If Wednesday doesn't suit you, but you fancy being involved, please let me know; there may be scope for another day.

People find that volunteering really helps them, particularly if they have difficult things to deal with. One who is going through strenuous medical treatments said: *it helps me to know that I'm doing something positive. And it's keeping me healthy too.* We can tailor the jobs you do to your particular abilities, so nobody does work that's too strenuous for them.

What we do each session changes every week, according to the weather and what is needed. Typically, we spend the first part of the morning harvesting crops to go into the veg boxes, which are packed by Lily, with the help of a volunteer. This week we harvested tomatoes, chilies, runner beans, green beans, shallots, cabbages, kale, chard and courgettes. Once that was done, empty beds were cleared and some of us planted more peas, beetroot, radish and chard for a second crop. Others were picking caterpillars off the cabbages, while we planned how to build a brassica cage for next year. We can't tend to the tomato plants in the polytunnel once the sun gets high, so then it's outdoors for some weeding. One brave soul was mowing the grass, while another attacked the dock leaves. Do come if you feel like lending a hand, meet a lovely group of people, grow some food and get a workout too.

**OUR VEG BOXES.** Our new raised beds mean that we are growing so much more of our own produce; this week most of what we delivered was either grown here in Pensilva, or in Cornwall. Typically, there are always potatoes, onions and carrots. Then we add in whatever is seasonal at the time: this week we had tomatoes, courgettes, cabbage and beans, with some of our own blueberries for the fruit bags. To enjoy fabulous fresh local fruit and veg, delivered to your door every Wednesday afternoon, order your mixed veg box now. Prices are: £7.50 for 1 /2 people, £10 for 3/ 4 people, £15 family box and the very popular £5 fruit bag. Or drop by our veg stall which is refreshed with all sorts of seasonal delights every Thurs. Please put your cash in the post-box on the gate.

**COMMUNITY COMPOST SCHEME** We welcome your lawn clippings, used rabbit bedding, cuttings, etc at our compost bins by the gate but not if you use weed-killer on your lawn. Sorry.

**The Growing Project CIC is a Community Interest Company** producing organic fruit and vegetables. We have opened the growing space at Kenwyn, Higher Rd to the community and welcome volunteers for all sorts of jobs.

## **CARNIVAL DAY HELP**

A sincere thank you to all the helpers who turned up at 8.30am on Saturday morning in response to my appeal for help to carry tables/chairs and carry out various other tasks on what is a very busy day,

I was very impressed to see several youngsters keen to help. These events need younger people to come forward with their thoughts and help for the future. Please come along to one of our events group meetings. You will be welcomed.  
Keith Richards.

## **PENSILVA CARNIVAL THANKS**

Just to add to Keith's message above, I thought Carnival was absolutely brilliant again this year. For the second year in a row the Millennium House Events Group not only organised a great day but managed to arrange for the sun to shine all afternoon. The group deserves our sincerest thanks for all their hard work, as do sundry volunteers who lent a hand before, after and throughout. Thank you one and all. None of us should take for granted the people behind the scenes at these events, and they can always use more help! Don't be shy to offer your help if you value this annual village jamboree. It shouldn't always come down to the same people to do the work. *The Editor.*
