From the Editor

Hello again

In this month's edition we have reports on the horticultural shows at St Ive and at Pensilva. Though the weather is still fine it feels like these shows are the last event of the summer, or the first of the Autumn. The equinox has passed, the football has started (did it ever stop?) and the first round of the winter skittles league has been played (please, don't ask!). Soon the lawn-mowers will fall silent and any day now we will start to catch the scent of wood smoke from fires and stoves. The fires particularly remind me that Winter has its compensations. I love that smell and I find myself looking forward to laying the first log fire of the Autumn, anticipating the special cosiness of a warm sitting-room for the coming months while outside the snow falls, or the wind howls. We are indeed fortunate that we can look forward to the Winter with such equanimity. It was not always so which is why, for the ancients, the biggest festivities of the year marked the point at which the days started to grow longer again and our ancestors started to feel that they might actually survive the Winter. Somehow those festivities turned into what we call Christmas: 85 days from October the first, in case you were wondering, though not all are shopping days, in theory anyway.

All the best! Joe

St Ive Village Show report (Cover picture)

The 39th St Ive Show on 3rd September was a huge success in every way with more entries and several new competitors among the winners. CB Arthur and Helen Dabbs were the stars in the Adult Sections with a galaxy of stars in the Young People's Sections producing cookery, pictures and craftwork to be proud of. Local milkman and personality Chris Davis, who opened the show, awarded the Adult Opener's Choice to Sue Turpin for her flower arrangement and the Young People's to Kirsty Stokes for her cookery.

Power Cut – Call 105

This is a new three-digit number that people can call to report or get information about power cuts. You can also call 105 with any welfare concerns related to a power cut, or if you are worried about the safety of over or underground electricity cables or substations.

105 is free of charge and will put you through to your electricity network operator.

You can call 105 from most landlines and mobile phones.

It will be launched in September 2016 for people in England, Scotland and Wales.

The powercut105.cm website will be live in time for the launch, providing people with more information and signposting them to their network operator.

From Cllr Steph McWilliam - October 2016

The Governance Review External Group (GREG) has produced its report and recommendations on how Cornwall Council might change its governance structures going forward. One very interesting comment is that Cornwall Council has a very good reputation outside of Cornwall, winning awards for its services, being granted the first devolution deal etc but a really poor reputation inside. Why is that? If you have any ideas, do please let me know.

You may be aware that the boundary commission has published its first draft on how the boundaries of parliamentary constituencies might look when the number of MPs is reduced from 650 to 600. This includes the number of Cornwall MPs going down to 5.5 – that is, one of them will cross the Devon/Cornwall border. I joined a protest at Saltash when this was suggested some years back and it didn't happen then but it is back on the agenda now so, if you aren't happy about it, do please let our MP know.

You may be aware that there was great concern about the highways issues associated with the planning application submitted by Ocean Housing. It was good to see some residents at the planning committee in Liskeard when it was considered and I am grateful to Mr Collins and Cllr Dipper for speaking at the meeting. The committee were persuaded that there were valid reasons for the concern and refused the application. However, there is a strong likelihood of it going to appeal so this may not be the end of the story.

I am also pleased to see the level of interest in the plans for the Butcher's Arms. It really does make a difference when the local community makes the time to consider significant developments such as this so thank you.

Finally, this is quite short as August is a quiet month for meetings and I am writing this in mid-September. However, I am back at County Hall several times a week again now so I'm sure next month's will be quite a bit longer. In the meantime, please don't hesitate to get in touch if there is anything council-related where you think I may be able to help.

Thank you. Cllr Steph McWilliam

The Latest from Your Parish Councillor - Martin Corney

There is a lot of planning news this month. Cornwall Council's planning committee has turned down the proposed estate of 46 dwellings (PA16/00182) between Pensilva industrial estate and Amanda Way. This followed the Parish Council and community view expressed at our public meeting but goes against planning officer recommendation, so will probably be appealed. Plans have been submitted (PA16/07605 & PA16/07606) for the Butchers Arms to be reopened supported by two retail units between the pub and the garage in St Ive. Diagonally opposite the pub, listed building consent (PA16/07006) has been submitted by The Emily Trust to restore The Chantry to the original configuration when it was the village rectory where Emily Hobhouse was born. Emily is probably the most famous person ever born in our parish. She is certainly as famous in South Africa for her campaign against British concentration camps of the Boer War as Florence Nightingale is over here. Many visitors should be attracted to her birth place. The final big planning application (PA16/02519/PREAPP) covers the fields behind the new Ford Close estate in St Ive and appears to extend the estate to about three or four times it's current size.

If you see a problem with potholes or other road problems you can report them directly to Cornwall Council Highways online at <http://www.cornwall.gov.uk/transport-and-streets/roads-highways-and-pavements/report-a-problem-with-a-road-highway-or-footway/> or by phone to 0300 1234 222.

Don't forget the parish website st-ive-parishcouncil.gov.uk with council meeting agendas and minutes; also downloadable copies of the Parish Pump. For those of you who do Facebook, our St Ive Parish Council page is still being updated with parish news. Phone me, email me on martin.corney@btinternet.com or "martin corney blog st ive" in search engines will find my blogs for you to comment on this article and other gems.

September meeting of Pensilva W.I.

Graham Reed was the speaker at the September meeting of Pensilva W.I. He gave a very informative talk and demonstration on glass blowing. Graham's passion and hobby as a child was making things from glass, this led him on to 50 years in the trade starting as an apprentice glass blower at the age of 16.

Glass is magical stuff. When we look at a glass object you might never guess that it was once liquid that could be moulded and blown into almost any shape. The first objects to be made of glass date from 2,500 BC.

Graham showed us the techniques involved, first heating a glass tube which became pliable and could then be blown or twisted to make different objects, this included beautifully made candle sticks and glass ornaments of every shape and size. He finished the demonstration by making a glass caterpillar. He was warmly thanked by President Frances Tucker.

Frances reminded us that our Harvest Supper and Auction will be the 12th October at 7.15pm. Family and friends welcome.

Four birthday posies were presented this month. Marie Warne, Ann Robinson, Rachael Palmer and Irene Elliot.

Horticultural Show.

Once again horticultural secretary Jill Pascoe and members helped to make another very successful show. There were once again many items of handicraft, cooking, vegetables and plants and a good showing from the children. It is amazing how talented the people of the village are, every year producing something for us to admire. Thank you to Carolyn Cox for opening the show and presenting the prizes, and to everyone who helped in any way.

Cup winners (picture opposite) are: Mr B Arthur. Mrs J. Pascoe. Mrs V. Dawe. Mrs S.Parkin. Mrs S. Draper. Mrs F.Tucker. Miss V.Hocking. Mr. B.Hocking. Lottie Thomas. Katherine Thomas. William Hicks. Thomas Sichel, Chloe Northy. Victoria Sichel. Mrs J. Thomas. Mrs D. Sykes.

VOLUNTEERING AT THE GROWING PROJECT As a result of the great response to last month's article we have decided to launch a second work day for volunteers on a Thursday afternoon from 12-4 p.m. We'll have a snack during the afternoon. I'm very excited about this opportunity to involve more local people and get lots of extra work done. If you are free on Wed 10-2 or Thu 12-4 please join us.

CROPS AND PLANTING We have had a fairly good season and have learnt a lot too. We've grown many more squashes, peppers, aubergines, chillies, golden beetroot and sweetcorn than ever before. Beans have generally done well, though the collapse of the runner beans in a storm was a disappointment; so much damage was done that the crop suffered. I'll do shorter stands next year, in the hope they catch the wind less. Any other suggestions are welcome, given our exposed site. I wish I had planted a second crop of peas a few weeks after the first: my much later planting isn't going to yield this year, I suspect.

Our potato crop was magnificent; we've just lifted the Sarpo Mira maincrop and I'm thrilled with both the quantity and quality. Altogether this year we've grown about 80kgs in a fairly compact space, so I think we've shown the value of our raised beds. We also have excellent chard, parsnips, Jerusalem artichokes and celeriac still in the ground. The real disappointment has been the plague of caterpillars eating our brassica crops down to the ground. I would really welcome hearing how others protect their crops without using chemicals. Any good designs for a moveable brassica cage that would survive our winds would also be welcome.

Over the next few weeks we'll be taking out the spent summer crops and planting overwintering broad beans, peas, onions, garlic and shallots. We'll also be planting more brassicas and covering them against the cabbage whites that are around.

A recent staff trip to Riverford Organic Farm's trials polytunnel has got us really excited about more unusual vegetables, such as white and orange aubergines, padron peppers, cucamelons, strawberry sweetcorn and a strawberry which crops for 6 months of the year. We'll be experimenting with some of this next season.

OUR VEG BOXES I hope customers have enjoyed this summer's glut of beans, courgettes, tomatoes, chards and kales. We now have autumn crops, such as celeriac, parsnips and brussel sprouts to come. Fingers crossed some of the purple sprouting broccoli survives, as it's a firm favourite.

To enjoy fabulous fresh local fruit and veg, delivered to your door every Wednesday afternoon, order your mixed veg box now. Prices are: £7.50 for 1/2 people, £10 for 3/4 people, £15 family box and the very popular £5 fruit bag. Or drop by our veg stall which is refreshed with seasonal delights every Thursday.

COMMUNITY COMPOST SCHEME We welcome your lawn clippings, used rabbit bedding, cuttings, etc at our compost bins by the gate. If you use weed-killer on your lawn, please dispose of your clippings through the Council scheme.

The Growing Project CIC is a Community Interest Company producing organic fruit and vegetables. We have opened the growing space at Kenwyn, Higher Rd to the community and welcome volunteers for all sorts of jobs. Ruth Wilson.

PENSILVA TEA PARTY HAPPY 80TH BIRTHDAY CELEBRATIONS

Mrs Margaret Andrews celebrated her 80th birthday in style at the monthly Pensilva Millennium Centre Tea Party. She is pictured here receiving her birthday cake from Sophie Volders. Margaret moved from London in 1995, and has lived in Rilla Mill for 20 years. Pensilva Tea Party is a

community-run event raising money for local and national causes. It is held on Saturdays, usually once a month, between 3pm and 5pm. People of all ages are welcome to come and enjoy tea, cake, music and a raffle. Our **next tea party, on October 1st**, will be in aid of MacMillan nurses, so please come and support this excellent cause

PLEASE HELP TO KEEP FOOTPATH CLEAR - an appeal from S Malone

This is a request for help to clear the field between Belmont Park and Goodmans Lane. Many people walk through this field but this year because of the wet and warm weather it has become very overgrown and impossible to walk through. Over the years I have clipped back the bushes/brambles by hand but it is now too much for hand clippers. A few years ago the owners ripped out the blackthorn from the surrounding hedge and left it in the middle of the field, which has now taken root again and taken over the field. The nettles at the entrance have been cut back twice this year by myself and another person, the council have strimmed them back once in the 20 years I have been using this path.

This foot path is on the OS map so should be kept clear, I have contacted the council and they in no uncertain terms informed me, where my bike was, because of lack of funds.

I was hoping that the owner or someone with a tractor and cutting equipment could cut a path through this field so that we can start using it again.

I live in hope we can have our field back soon. S Malone
