From the Editor

Hello everyone and happy new year. Let's hope that it's a good one for our parish, our country and the World as a whole.

I must draw your attention to the Parish Council announcement on the facing page concerning Millennium House. As chair of PCA I am obviously very disappointed that we have been unable to convince this council to work with us in finding a way to allow the users of Millennium House to take responsibility for it. It is also disappointing that, after two and a half years of working in partnership with them on this project, the Council has apparently not considered it necessary to inform PCA directly of its decision. PCA will meet in the new year to discuss what we do next.

In his piece on page 6, Martin Corney explains his reasons for standing down as Parish Council chairman. I have seen for myself how hard Martin has worked in his twenty months or so in that post, and prior to that as a councillor and as vice-chair. I would like to express my personal thanks to him for his dedication to the cause of making our Parish (and our planet) a better place to live.

For those interested in Parish politics, the Parish website has been updated with the minutes of many recent council meetings and other documents, though not yet with the minutes of the latest EGM.

All the best! Joe

Received by The Parish Pump on 16th Dec. 2016 from the Clerk of St Ive Parish Council, regarding the management of Millennium House.

I am sure you will have heard that at an Extraordinary General Meeting of the parish council on the 28th November, it was decided not to proceed with the transfer of Millennium House to the Pensilva Community Association. I know that those who supported the proposed transfer and gave their time to putting some of preliminary arrangements in place will be disappointed by this decision.

Prior to the EGM the parish council sought a legal opinion on the proposed transfer and the subsequent payment of a substantial amount of the parish tax precept to PCA to assist with running Millennium House. The legal opinion was that without certain preconditions having been met, the lease to PCA and the offer of money was extremely likely to be unlawful. In order to demonstrate that the council had obtained good value for money and met the requirement of its own standing orders, it was believed that the parish council should undertake a valuation and public marketing exercise. In effect this would involve inviting tenders from other bidders, this would be both expensive and offer no guarantee that other bidders would have the same community interests as PCA. Moreover, it seems very unlikely that this formal process could be completed before the election of a new parish council in May 2017.

The parish council believed it would be unwise to enter into an expensive tendering exercise that could extend beyond the life of the present council. In the meantime the income of Millennium House has shown some improvement and hopefully this would continue. The parish council with the help of staff and volunteers will now continue to manage Millennium House and work to improve its financial position. In May, a new Parish Council must be elected, at that time and if they so wish parishioners will have an opportunity to elect a new council with a mandate to pursue a different course of action. We would urge all those who have an interest in the future of Millennium House to consider standing for election in May.

The Latest from Your Parish Councillor - Martin Corney

I am no longer Chair of the Parish Council; just an ordinary Councillor. The EGM on 28th November 2016 to discuss legal advice on the correct procedure for leasing Millennium House to any organisation such as Pensilva Community Association resulted in three Parish Councillors walking out of the meeting and resigning along with a fourth. The EGM was held in closed session so the minutes would not normally be made public. The Parish Council has decided to issue a statement about the EGM which should be in this issue of the Parish Pump. Since this EGM was so significant to the community and the future of Millennium House, I wanted to make the minutes of the EGM public but had no support from the remaining Parish Councillors at the December meeting. I also disagree with the statement about the EGM (*see pg 5. Ed.*) as I do not think it accurately reflects the legal advice we were given. Because of this I could no longer remain as Chair. I decided to remain as a Parish Councillor because we have been reduced to five when we should be thirteen, which puts us in a difficult position. At least two Parish Councillors are needed to make payments from the bank account and this has been me, the Vice Chair and one other who has now resigned. I am also the only one adding anything to the parish website. We are not allowed to recruit new Parish Councillors because we are within six months of the next election in May 2017. The Parish Council precept (the Parish Council part of our council tax) for 2017-18 has been set at £64,000 which is a small reduction on the current precept of £64,770.

Don't forget the parish website st-ive-parishcouncil.gov.uk with council meeting agendas and minutes; also downloadable copies of the Parish Pump. For those of you who do Facebook, our St Ive Parish Council page is still being updated with parish news. Phone me, email me on martin.corney@btinternet.com or "martin corney blog st ive" in search engines will find my blogs for you to comment on this article and other gems.

Share your views about any local issues that concern you. Write to the Parish Pump editor c/o Millennium House, Pensilva, or by email at parishpump@btconnect.com, or leave a comment on the Parish Facebook page: www.facebook.com/stiveparishcouncil/

From Cllr Steph McWilliam - January 2017

Well, here we go again – starting a new year before we know it. I do hope you enjoyed time with family and friends over the festive period.

We are now only four months away from the election for Cornwall Councillors for the next four years. Town and Parish Council elections will be on the same day, 4th May 2017. Democracy depends on voters having choices so it is good if there are plenty of people standing for election and I do want to encourage people to consider it. If you have any questions, do get in touch. I will be happy to help answer them and it doesn't matter if you are thinking of standing for a political party or as an independent. Just give me a call on 01579 362037 and leave a number if I'm not available. If I haven't returned your call within a few days, please try again in case I haven't picked up your phone number correctly.

Cornwall Council is working hard on plans to encourage people out of their cars and onto public transport, onto bikes or to walk more. This is good for the environment as well as our health, although I freely admit it is very unlikely you will see me on a bike!

There is also work going on to consider the integration of health and social care, which is a huge challenge. There are people working locally to give us all a voice, arranging meetings with speakers and to hear our views. Please consider supporting them.

At the recent Liskeard Have Your Say panel we were shown images of fly tipping caught on camera. We live in a beautiful part of the world and many of us struggle to understand why anyone wants to spoil it like this but please be aware – and share this information – that we are not just accepting it. You may think you are saving a few pounds by not taking it to the Household Waste and Recycling Centre but it will cost you a lot more if you are caught. I'm not going to say where the cameras are, for obvious reasons, but the images are very good.

Many of us are keen to try and get a speed limit of 40mph across the whole of Bodmin Moor to save more animals being killed on the roads. Please lobby your Parish Councillors and MP about this as we need as much support as we can get.

Finally, the Great British Spring Clean is from 3rd to 5th March 2017. Well done to Pensilva Primary School who are already signed up. Can we all put the dates in our diaries, support this and see if we can make our local area even better than usual?

Thank you.

Information about the next round of grants from the High Down Wind Power Fund.

The High Down Wind Power Community Fund shall exist for the promotion of projects, with priority given to the Parish of St Ive, with potential for the improvement of environmental education in the face of climate change, highlighting the need for sustainability, for renewable energy and energy efficiency, or which address problems of rural isolation, especially for younger members of the community or projects which otherwise address local needs.

Examples of projects could be a youth project wishing to extend their range of equipment or a community hall requiring repairs etc. Grants range from £250 - £3,000.

The Cornwall Community Foundation (CCF) administers this grant programme and are welcoming applications for the next round.

The deadline for applications is on the 6th February 2017 followed by the panel on the 6th March 2017.

Further details about the fund including the downloadable application form and guidelines can be found at

www.cornwallfoundation.com or alternatively phone CCF on 01566 779333.

All Being Well

Newsletter - January 2017

The equipment purchased with the National Lottery grant (announced last month) has now been installed: an upper body ergometer for use by wheelchair-users and others with chronic conditions, two rowers, two cross-trainers and a treadmill.

LOTTERY FUNDED

We also mentioned last month that we had applied for grants to replace the bikes and we are delighted to announce that we have been successful in obtaining a grant to purchase two upright cycles, which are also now in place. This second grant comes from the High Down WindFarm Community Fund, administered by Cornwall Community Foundation. We are delighted with the new equipment and extremely grateful to the awarding bodies for their generosity, which will allow us to continue providing this valuable service in our area.

After 17 years of using the old machine we suddenly don't know ourselves with so much new kit about the place! If the thought of new equipment is the incentive you need to join the gym, or to return after a period of absence, then take that new year resolution and get yourself up here. We would love to see you.

It is proving difficult to find a replacement for Mel (we knew it would be!) and we would just like to say that we would love to talk to anybody who likes the idea of working at All Being Well. Even if you feel that you are not sufficiently qualified, it's worth a phone call. We are prepared to be flexible for the right person. The job advertisement is on the next page.

We wish everybody a happy and healthy new year!

Pensilva Primary School

On the 28th November 2016, a man called Mike Grocott, who worked with Tim Peake, came in and did some experiments with us. He asked us what the properties of a rocket would be and we said it would have to prevent heat, gravity and must be strong. We also thought of a few more things. Mike put a plastic box with 8 materials, all roughly the same size, in it. There was polystyrene, wood, stone, zinc, iron, copper, aluminium and brass. We had to see which one would be the best to build a rocket with. We were split into groups and did several fair tests on the materials and the result was a mixture of metals. We all really enjoyed the experience because we worked together in groups and had real scientific equipment to work with.

JOB VACANCY

We are looking for a part time gym instructor who has the necessary qualifications to manage GP referrals, or is willing and able to acquire the qualifications in a short space of time.

The successful applicant will have exceptional interpersonal skills and must be able to interact easily with gym members from a wide range of backgrounds.

Initially 10 to 15 hours per week. The hours could suit parents with school age children. Hourly paid. Rate of pay commensurate with qualifications and experience. The position reports to the management committee. There is scope for the role to be adapted to suit individual circumstances.

To apply, please contact us either by email to abwgym@gmail.com or by phone on 01579 363890, or by post or in person to:

Pensilva W.I December meeting

No meeting this month but instead we had our Christmas party. Family and friends were also invited and it was very much enjoyed by all.

It has been quite a busy month. First we spent an enjoyable day at Jo Collwills Cowslip workshop at Launceston and after a lovely lunch we settled down to making snowmen decorations. We have also taken part in St Cleer and St John's Churches Christmas tree festivals, entering trees from our sewing and knit and natter groups (see photo). Some members also attended the CFWI carol service at St Michael's Church, Newquay.

Our Christmas lunch this year was held at Lanhydrock golf club another well attended event.

Frances Tucker president, reminded us that Cherry Woodhouse will be starting sugar craft classes for beginners on the 23rd January; also we shall be holding a Skittles afternoon on Saturday 18th February with a bring and share tea and raffle. Family and friends are also invited.

Names are now being taken for those wishing to go to the Liskeard Lions Pantomime on Friday 27th Jan.

The next meeting will be Wednesday 11th January at 7.15 at Millennium House when Iris Merriot will give a Talk about "Costumes".

Competitions: A piece of costume jewellery, and flower of the month.

Why not come along as a visitor and give it a try. We are a friendly group and you would be made very welcome.

Pentiddy Community Woodland

Many of you will have noticed the new granite sign at the entrance to the site. We're really pleased with how it looks and that we've supported a local company in producing it for us. There are also new boulder 'seats' throughout the woodland as perches to use whilst you're out enjoying the woods. Many thanks to all of you who generously donated money towards the replacement of the sign – we really couldn't have done it without you!

The New Year at Pentiddy always entails some work in the woods. This year will see yet more selective thinning of the Ash to allow more light to reach the Oaks. This is work that can include anyone of any age and ability. There will be branches to cut off, piles of brash to create for wildlife habitat, brambles to cut back and logs to carry. Any timber that comes out of the woods from the work days will be split between those who come to help with 2 or 3 loads put aside for sale to cover insurance costs for the following year. This has worked very well over the last few years.

The volunteer days this year are the 29th January and 19th February 10am - 4pm. Please come along with family and friends and bring hand tools that you think might be useful as well as work gloves if possible. We will provide drinks, soup and cake. The volunteer days are a great way to give back a little for all that the woods offer us as well as a time to meet other people who enjoy the woods, get some exercise and have fun!

Another date for your diary: Advanced notice that on the 8th April 2017, Pentiddy is having an open day, combined with the small woods association's national bean pole week, to support coppice woodlands in the UK. As well as an opportunity to see the completed timber frame straw bale house and its off-grid systems, we will be showcasing over 20 local businesses who provide sustainable products and services in the area. We have received an overwhelming response so far so it's set to be a great day. Please contact us if you would like to get involved in any way.

Ele Waters ele@pentiddy.co.uk: 01579 363775 or 07765 103504

From Pensilva School & PSA

Disappointingly, this year we had to admit defeat. After a very valiant effort from the community, fundraising, we were unable to fundraise / source enough grants to save our School Swimming Pool.

The money raised needs to be put to good use and, following on from lengthy discussions, public meetings & careful consideration, the Governors of Pensilva School and the School PSA have agreed that the money raised will be used to provide a useful covered area to allow the children to get outside on rainy days and not be cooped up indoors. This will also provided shade on sunnier days and will increase the amount of time the children can be out of doors.

It is important the community is kept up to date and informed of our intention.

The plan is for installation to take place around/during the February half-term to minimise disruption to the children's play times.

This installation will use the majority of the money raised and the intention is to use any remaining monies on structure or equipment linked to on-site physical activity for the children. The community will continue to be kept up to date on how the final funds are spent.

Major changes to the delivery of Health and Social Care Services in Cornwall.

We have been contacted by the Tamar Valley Health Patients Group. They tell us that NHS Kernow and Cornwall Council are working on a Sustainability and Transformation Plan which will bring about the biggest reforms to our health and social care system since the creation of the NHS. In order to engage people in our area they are holding local events as follows:

Liskeard Public Rooms – 17th January. 3pm – 4.30pm

Bodmin Shire Horse Suite – 12th January 3pm -4.30pm

For further information about the plan you can visit the website and please complete the survey at:

www.cornwall.gov.uk/shapethefuture.

Add your views online or print a copy and post it in.

To be confirmed
7pm Annual General Meeting then at
7:30pm Carol Richards will show us how to have
Fun with Fuscias.

Visitors and new members are always welcome to join us.

ART AND CRAFT GROUP

We are a small friendly informal group who enjoy doing art and craft. If you paint or do any type of craftwork and would like to join us we'd love to welcome you.

There is no 'teaching' but help/advice is always forthcoming!

We meet at St. Ive Institute Hall from 1.00pm to 5.00pm Tuesday afternoons.

Only £3.00 for the afternoon plus 50p for tea/coffee and biccies.

If you are interested please give Jackie a call on **01579 362216.**

We look forward to meeting you.
