THE MEL BAR

Relax and wind down

From the Editor

What a spell of weather we had in June! The hottest since 1976, apparently, only this time I wasn't sitting exams! In other ways it was a stormy month: tragedy in London, another election shock, and the start of negotiations in Brussels. It feels as though we are living through a period that could shape the world for a good time to come.

This edition is packed with information about the Pensilva Carnival, which will once again be organised by the Millennium House Events Group. A big thank you to them for all the work they put in! I'm afraid I won't be there this year as we have a wedding to attend, but I hope lots will be there and have fun.

The café in Millennium House is open again, three days a week for coffee and cake etc (see the notice later in this edition). It is being run by volunteers for the moment. I understand that the Parish Council is looking at options for its future. With your support it can once again become a hub for community life in the Parish.

All the best! Joe

St Ive Parish Council - Chairman's Column

Firstly I would like to introduce myself, I am Pete Haines, the new Chairman of the Parish Council. Ruth Wilson is the Vice Chair. Thank you for voting for a complete Council of Platform for Change candidates. We have already set up all our committees and they are looking at all aspects of the way things are run throughout the Parish, with a view to making a more efficient Council and, more importantly, save money.

Now for what you can do to help. The new Parish Council is asking for volunteers to help clean up around Millennium House and the recreation ground prior to Carnival Week. If you are available and would like to help, please come along on Sunday 2nd and Saturday 8th of July at 10 am, (with gardening gloves if you can.)

Also, we are trying to set up a band of community volunteers (in St Ive and in Pensilva). Please come along to a meeting in Millennium House on Saturday 22nd July from 10 am to midday. There will be free tea/coffee and biscuits and we can chat about skills you have to offer, i.e. gardening, befriending the elderly, shopping, DIY. or anything else you have to offer. Please help make this a community to be proud of.

We are also starting a Councillors' surgery for Parishioners. If you have any problems, questions or requests come along to Millennium House on the last Sunday of the Month, (to coincide with the Antique Fair) from 10am to 12am, upstairs.

From Cornwall Councillor Sharon Daw - report for June 2017

How time flies! One month on and several meetings and training sessions to include miscellaneous licensing, licensing Act... Code of Conduct... Scrutiny... Induction... Full Council... and 2 day planning...

As licensing Act member I have found myself in the forefront of licensing issues and hearings making up a team of 3 to consider issuing licenses of premises. I have also been selected for planning central and the new rules mean we can't vote on planning in our area... we can support planning applications and speak at the meetings; but if it's in your own division you can't vote....

Planning training opened my eyes to the fact Cornwall Council have selected sites to build 52,500 houses of which 38,000 are already earmarked...

Which I raised the question who are these house for??? As I have not seen many earmarked for local need and when I challenge Cornwall council where are the jobs to support these houses; along with hospitals and schools. The reply was 60% were for people moving into Cornwall retired so would not need jobs.....So it looks like Cornwall is going to become a retirement hub?????

Now the new leader Adam Paynter is against this housing too so let's hope it's not too late... I do struggle with the concept of building so many houses which are in open countryside i.e. Launceston...

Liskeard Newquay ... yet hardly any are eco friendly... carbon neutral ... and once built costs not only drain the world's resources but encourage fuel poverty

So when is open countryside not open countryside ????

It's been busy in the division with highway issues... pot holes... speeding... rubbish... signs no one wants to see... several planning applications and the ongoing appeal 46 houses St Ive Road....

If anyone who has a 1 or 2 bed bungalow would like to swap with an elderly couple who can't cope with two sets of steps I would be delighted to hear from you ... must be in Pensilva ... Home-choice seem to be hopeless!!!!

Looking forward to meeting more people in the coming weeks and remember the Millennium Centre is yours and now's the time to get involved!!

CC Daw

YOU ARE CORDIALLY INVITED TO OUR OPEN DAY. 22nd JULY 12–4 pm.

We will have children's activities, wild food, a pickling demonstration, live shows, tours of the garden and all manner of delights yet to be finalised. But best of all, light lunches and cream teas in wonderful company. All welcome, especially children

VOLUNTEERING OPPORTUNITIES we have had a fabulous influx of new volunteers recently and I hope that continues. It's so rewarding to see local people between 20 and 70 years old and of all sorts of abilities working happily alongside each other: long may that continue. Our volunteer days are Weds from 10 a.m. to 2.30pm and Thursday from 12 to 3pm and lunch is provided. Our volunteers find that they enjoy the fresh air and exercise, the great company and getting hands-on with growing vegetables.

CROPS AND PLANTING by the time this goes to press, we will have started to harvest courgettes, French beans, tomatoes and our second picking of peas. These are our staple crops over the summer, filling our veg boxes and the stall right up till the autumn. We have just sold our first strawberries and there look to be many more of these to come, with blackcurrants and gooseberries due before long. At the moment we are mainly harvesting salad leaves, onions and garlic. We are planting the last of the tomatoes in the tunnel; summer squash and outdoor courgettes are going in this week. Of course we will start to dig the 50kg of seed potatoes we've planted once we're into July; always an exciting underground adventure. Prize for this year's most dramatic crop so far goes to the mammoth globe artichoke that's dominating the back of the garden: 5 huge fruit off it so far and counting. We could do with a few more of those if anyone ever comes across them at a plant sale.

OUR VEG BOXES To enjoy fabulous fresh local fruit and veg, delivered to your door every Wednesday afternoon, order your mixed veg box now. Prices are: £7.50 for 1 /2 people, £10 for 3/ 4 people, £15 family box and the very popular £5 fruit bag.

OUR VEG STALL *I can see many of you are still enjoying having your very own organic veg stall on your doorstep. I certainly enjoy trying to anticipate what will sell well and making sure there's plenty of variety each week.* Please put your cash in the post-box on the gate.

COMMUNITY COMPOST SCHEME We welcome your lawn clippings, used rabbit bedding, cuttings, etc at our compost bins by the gate. If you use weed-killer on your lawn, please dispose of your clippings through the Council.

The Growing Project CIC is a Community Interest Company producing organic fruit and vegetables. We have opened the growing space at Kenwyn, Higher Rd to the community and welcome volunteers for all sorts of jobs. Contact Ruth Wilson 01579

PENSILVA W.I. REPORT

President, Frances Tucker, opened the meeting and welcomed members and visitors.

Following the reading of the Minutes our President told of all the activities that have been enjoyed since our last meeting. These included a trip to TR2 in Cattedown and a very tasty trip to Kelly's Ice Cream Factory.

Members were reminded of the Horticultural Show to be held on 9th September and our need to encourage friends and family to enter.

Forthcoming events will include a picnic at Cotehele following a game of croquet on their lawn. Three visits to Sterts to see My Fair Lady, Bussy Malone and the BeeGees. In August we will also be taking a trip to Trelawne Manor followed by a cream tea. Also in August we will be holding a Barbecue at the home of our Secretary, Jean Hoare.

Our President informed us that one of our ladies, Sue Draper, had achieved a second place at the Royal Cornwall Show with a stunning cushion she had sewn. Well done Sue.

Our speakers this month were Margaret and Tony Ward. They gave us a very interesting and informative talk about their visit to Brazil to enjoy the Rio de Janeiro Olympics in 2016. Some lovely pictures accompanied their tales of the incidents and excitement they experienced on this once in a lifetime trip.

Competition winners this month were:

Flower of the Month

1st Gill Pascoe 2nd Janet Butcher 3rd Cherry Woodhouse

Medal

1st Irene Elliott 2nd Cherry Woodhouse 3rd Janet Butcher

Next Meeting: Wednesday 12th July at 7.15 p.m. in Millennium House with a talk by Margaret Parker entitled 'Prime Ministers and Prostitutes'.

CHRISTIAN AID WEEK IN PENSILVA

Christian Aid Week this year focussed on the plight of refugees. It's difficult to comprehend what it's like to be a refugee. They have:-

- No country
- No money coming in
- No home
- No job
- No education
- No identity
- No future
- Nothing.

Christian Aid bacon butty barbecue

One story told in the literature provided this year was of a family fleeing war,

arriving penniless in Greece where they expected to be in a camp for ten days or so. Six months later they are still stuck there with no prospect of moving on. Pensilva's Christian Aid representative is Frances Tucker, who arranged the now traditional Bluebell Woods Walk followed by a Pasty Supper in Penharget Cottage. Although the Monday evening was damp and overcast the intrepid walkers enjoyed the company of friends and the beauty of the woodlands. And, of course, the pasties!

This was followed by a Bacon Butty Barbeque at St John's Church on the Saturday. This was accompanied by several heavy downpours, leaving the road like a river. The gazebo standing over the barbeque saved the day.

59 bacon baps were sold with several unexpected but welcome customers. Our first customers were a lady and teenage son who had travelled from North Cornwall for a rehearsal at Sterts. They left before breakfast, so by the time they arrived in Pensilva they were ready for something substantial.

We also had a lone walker from Somerset who was walking to Lands End, grateful for the opportunity to lay his rucksack down and have something to eat. And then we had an American couple who were tracing their Grandfather's roots, a miner who travelled to America for work.

As well as providing tea/coffee and cake in the church there was a Rural Churches Together treasure hunt where a number of churches and chapels had brought historic documents about their buildings for people to search through to find answers to given questions. For our couple who came to learn about the area it was a treasure trove.

Enjoyable times of fellowship with friends new and old were combined with raising £630 (including envelopes) for a worthy cause.

Geoff.

Pensilva Primary School

Our whole school topic for last half term was space, a subject which is always thoroughly enjoyed by the children, whatever their age. As part of this, we arranged for Space Odyssey to bring their space dome into school. Space Odyssey is based in Exeter and visit schools all over the South West with their shows. Each class and Pensilva Preschool visited the space dome throughout the day. Each show was designed specifically to engage and enthuse children of different ages, for example, by looking at planets, constellations, Tim Peake's recent mission to the ISS, the space race etc. All the children agreed that this was a fantastic experience that really engaged them and complemented the work they had been doing in class on space.

QUETHIOCK CoFE SCHOOL

June has been a great month for the school. The children have joined a scheme in conjunction with the Cornwall Wildlife Trust to go wild for 30 days. Each day the whole school has participated in a challenge, including drawing pictures and exploring the wildlife in and around the school grounds.

In order to celebrate that the children have walked/jogged 250 miles in the "mile a day" initiative and to make the most of the scorching hot weather the children had a huge water fight. Everyone joined in including the teachers and I am sure the whole of Quethiock would have heard the excited screams and laughter. It was certainly a day to remember.

The community lunch was well received and the children enjoyed welcoming old and new faces into the dining hall to share lunch with them. Sarah Bodman the Catering Manager made a wonderful lunch and everyone seemed to really enjoy the whole experience. A big thank you to everyone who came along. We are hoping to organise another date very soon.

The preschool has been having "stay and play" sessions for its very first children who will be starting in September. It's not too late to register children who are 3 and over from September. Please give Helen a call on 01579 343588 or email hnewbitt@stbarnabasmatt.com to express an interest or to arrange a visit.

Pensilva Memory Café

Are you caring for someone with Dementia, or do you perhaps have concerns about your own memory? It can be lonely and worrying but you're not on your own. Many people around you are in the same boat. You don't have to feel isolated. More people than ever are becoming dementia aware, and most organisations need, and want, to be dementia friendly.

You may have seen posters for Memory Cafes and wondered what they are about. They are a great place for people with dementia and memory problems to socialise in an informal and friendly atmosphere. Memory Cafes are held in Liskeard, Callington, Launceston, Downterry, Looe, and many more places in the South West. Most are held monthly, some are more frequent.

Pensilva has its own Memory Cafe. It is a small friendly group who meet once a month for tea and cake and a bit of relaxing fun. We might have some music, a simple game or quiz, and a bit of reminiscing. You can join in if you want to, but nothing is compulsory. We hope you will just relax and not worry about anything for a couple of hours. There is no charge but we do appreciate a donation in the region of £1 each towards expenses.

It might be worth coming along to join us just to see what goes on. You might find it beneficial to yourself, or your partner, or a parent, or friend. You might even enjoy it. Why not give it a try? You'd be most welcome. There's nothing to lose.

We meet on the fourth Thursday of each month from 2pm - 4pm. We'd love to see you at St John's Church, next to the Millennium Centre, PL14 5NF.

Doing the small things that make a big difference

Many older people in Cornwall can have their lives changed through contact with befriending schemes. Loneliness and isolation are common among older people living alone.

Volunteers provide a range of services to people who require additional support to remain independent and active in their community. Anyone can become a volunteer and make an incredible difference to someone else's life. Even an hour a week will make a difference.

Services provided by volunteers include:

- Home visits, sharing a cup of tea and a good conversation
- Reading to those who are visually impaired
- Assisting with correspondence
- Accompany people on short walks
- Play a game of cards or scrabble for example
- Accompany clients on shopping trips or shopping on their behalf

There is no specialised requirement for volunteers, you just need to;

- Possess a willingness and desire to help
- Be committed to providing reliable, consistent support
- Identify how much time you are able to comfortably give
- Identify the kind of service you would like to offer
- Enjoy sharing your time with others and meeting new people

The benefits to both volunteers and older people are numerous and rewarding;

- You meet new people
- People retain their independence and self-esteem
- Real difference to the life of someone else
- Volunteers experience a feeling of contributing to an invaluable service and of making a real difference to the life of someone else
- You learn new things about others and the area in which you live

Could you be a member of this fantastic team and help to improve someone's quality of life? If you would like more information, please contact:
