## THE MEL BAR

Relax and wind down  
at the Mel Bar, Millennium House

### **From the Editor**

The skittles season is upon us once again. The start of a new season, of any sort, is a time of optimism, at least for the “glass half full” people amongst us. It’s true that the reality does not always live up to the anticipation but, for now, we can enjoy feeling that anything is possible. There’ll be time enough for disappointments later, at which point the “glass half empty” people will have their moment of satisfaction - or maybe not this time !!!

This month sees a landmark for Pensilva Stores: 25 years since Terry and Vickie McCarthy took over as owners. And they will be celebrating on Friday 29th. There will be things going on there all day, and a hog roast has been organised from lunchtime onwards. You can find full details on page 14.

Have a good month.

All the best! Joe

## **Skittles Evening - report**

The Bev Casban Memorial Trophy front pin competition held at Millennium House on Friday 21st July was a very successful night. Alison Berry from Seccombes and Gloria Wilton of Hot Shots each scored 69 and went into a play-off. Gloria hadn't missed the front pin all night but alas, it didn't continue, and Alison became the winner.

£260 was raised for the St. Luke's hospice. Many thanks for the money donations and raffle prizes and to everyone who came.

## **ANOTHER LETTER FROM AN ALL BEING WELL MEMBER!**

I would like to add to Steph McWilliam's praise of the All Being Well gym in last week's Pump. The popular conception of a gym is of mirrors and terribly fit young people striding forth on treadmills and looking oh so fit! There are no mirrors here, we don't wear shiny Lycra and we are all shapes and sizes. Above all we are friendly. And the instructors are gentle with us.

## **A message from the Revd Becca Bell**

Hello!

My name is Becca Bell and I am the Parish Priest here in Pensilva. I have been here for 9 months now and time has flown by. My first article for the pump is to share the good news that the members of St John's Church have taken the decision to leave its doors open during the week, for people to drop in and make use of the quiet space.

St John's Church is a church of friendly and kind people who work hard to maintain the building. However, it has long been felt that it is a waste for it only to be open for a few hours each week. It will be open from 10.00am to 4.00pm from the 1st September.

We need to ask for some help from you, the community. Would you be willing to pop in from time to time so that it is never long left empty? One of the risks that is posed in leaving it open is that there are those who may make mischief in there. If the community could take a moment to pop in and sit for a minute or two in the peace and quiet, then it would ensure that we could keep the building open in the long term, for the sake of those who may need to take time in the church.

Leaving the church open also means that visitors will have access to the loo!! (Please leave as you find it!)

We will keep you posted as to how this experiment goes.

## Parish Council Chairman's Column

I must start this month's column on a serious subject: in the middle of August a 3 year old boy was riding his bike in Pensilva recreation ground in the vicinity of the skate park with his grandfather when he fell off. Unfortunately he landed on a broken bottle and cut his hand very badly. His injury required 4 hours of surgery. Thankfully it appears he should make a full recovery, but it could easily have turned out very differently. I would ask all parents to impress on their children the dangers of broken glass and not to break any bottles they may find, just put them in the bin. Sadly two days after this incident 4 more broken bottles were found in the children's playpark. If anyone finds any broken glass please make it safe and report it to the staff in Millennium House as soon as possible please.

A change of subject now, car parking in the vicinity of St Ive Village Hall. This is a very narrow road and if people park in the road to attend functions at the hall they restrict the ability of residents to access their property and for large vehicles to use the road. I would ask all users of the Village Hall to please use the car park provided at the recreation ground.

As the evenings start to draw in I would like to remind all cyclists to have working lights on their bikes. Parents also, if your children are out in the dark please check that they have working lights on their bikes and ensure they know the importance of using them.

A quick advert for the coffee shop at Millennium House, it is now being run by volunteers for a trial period and it's open on Monday, Tuesday, Thursday and Friday mornings. Why not pop in for a cuppa and a chat, or even volunteer to help run it? **Use it or loose it.**

## **Upcoming Quizzes at MILLENNIUM HOUSE**

**Saturday 7th October, 2017**

**At 7:30pm**

**Organised by and raising  
funds for *All Being Well***

**Improving the health of our community**

## **From Cornwall Councillor Sharon Daw**

Lots of issues in the Division this month... re footpath 16, been trying to negotiate and move forward but dealing with the footpath people is proving difficult. They seem to think that some ancient right from the 18th early 19th century still stands in the 21st century and it's not fit for purpose... saying my way or no way is not productive and neither is the bullying of the owners... we need to bring the issues into the 21st century which means protecting our walkers from harm and farmers stock from attacks.... with more and more losses to farmers from attracts and rejects from abattoirs due to infestation from toxicara etc it makes sense ??

The boundary review closed and the members voted for 99 councillors so will be interesting to know the new boundaries .

Reports of overhanging trees this year has seen rapid growth from the weather and damage is occurring to high vehicles including buses... I have been constantly moaning and those responsible may be issued with notices in the worst places...

Lots of water issues due to a few heavy downpours and drains blocked, I am meeting with highways on the 16th to look at some of the worst issues ...

Delighted to attend the battling-on presentation for Queens award for voluntary work it's an amazing charity working with vulnerable young people...I have also attended the high sheriff cocktails and canapés which was interesting ???

I have been to the food bank and looking at how we can stop waste especially fresh food and working towards a solution which will help the whole of the Caradon network...

I'm now on the Farms panel and miscellaneous licensing, licensing act and central planning ... and delighted to say we will be getting our first design and innovation property to be built in Cornwall (Lynher Division) and can't wait to see it rise from the ground a truly amazing opportunity??

Saddened to hear of a three year old receiving a terrible injury to his hand falling off his bike in the millennium playing fields... please everyone be watchful of glass and rubbish in general... no one wants a repeat of this and I have sent my wishes to the family but realise it's early days...It's no single individual's responsibility to pick up rubbish that someone else can't be bothered to bin, but it becomes magnetic and before you know it we have a tip on our hands. I also realise it's just a few who let down the rest .. and often when told off you're met with abuse, so in this context let's bin it...rather than fall out about it????

CC Daw

## Pensilva Memory Café

Are you caring for someone with Dementia, or do you perhaps have concerns about your own memory? It can be lonely and worrying but you're not on your own. Many people around you are in the same boat. You don't have to feel isolated. More people than ever are becoming dementia aware, and most organisations need, and want, to be dementia friendly.

You may have seen posters for Memory Cafes and wondered what they are about. They are a great place for people with dementia and memory problems to socialise in an informal and friendly atmosphere. Memory Cafes are held in Liskeard, Callington, Launceston, Downterry, Looe, and many more places in the South West. Most are held monthly, some are more frequent.

Pensilva has its own Memory Cafe. It is a small friendly group who meet once a month for tea and cake and a bit of relaxing fun. We might have some music, a simple game or quiz, and a bit of reminiscing. You can join in if you want to, but nothing is compulsory. We hope you will just relax and not worry about anything for a couple of hours. There is no charge but we do appreciate a donation in the region of £1 each towards expenses.

It might be worth coming along to join us just to see what goes on. You might find it beneficial to yourself, or your partner, or a parent, or friend. You might even enjoy it. Why not give it a try? You'd be most welcome. There's nothing to lose.

We meet on the fourth Thursday of each month from 2pm - 4pm. We'd love to see you at St John's Church, next to the Millennium Centre, PL14 5NF.

For more information contact Carolyn or Pat - 01579 363461 or 01579 362698  
email carolynandgeoff@gmail.com or patdilworth@hotmail.co.uk

If you are a carer of anyone, of any age or condition (not just dementia), you will benefit enormously from the help of Kernow Carers Service. Freephone 0800 587 8191. Leaflets are available at the cafe.

## Cornwall Good Neighbours Service

Could you be a Friend?  
Or do you need Befriending?

**Doing the small things that make a big difference**

Many older people in Cornwall can have their lives changed through contact with befriending schemes. Loneliness and isolation are common among older people living alone.

Volunteers provide a range of services to people who require additional support to remain independent and active in their community. Anyone can become a volunteer and make an incredible difference to someone else's life. Even an hour a week will make a difference.

### Services provided by volunteers include:

- Home visits, sharing a cup of tea and a good conversation
- Reading to those who are visually impaired
- Assisting with correspondence
- Accompany people on short walks
- Play a game of cards or scrabble for example
- Accompany clients on shopping trips or shopping on their behalf

### There is no specialised requirement for volunteers, you just need to;

- Possess a willingness and desire to help
- Be committed to providing reliable, consistent support
- Identify how much time you are able to comfortably give
- Identify the kind of service you would like to offer
- Enjoy sharing your time with others and meeting new people

### The benefits to both volunteers and older people are numerous and rewarding;

- You meet new people
- People retain their independence and self-esteem
- Real difference to the life of someone else
- Volunteers experience a feeling of contributing to an invaluable service and of making a real difference to the life of someone else
- You learn new things about others and the area in which you live

Could you be a member of this fantastic team and help to improve someone's quality of life? If you would like more information, please contact:
