## THE MEL BAR

Relax and wind down  
at the Mel Bar, Millennium House

### **From the Editor**

It was a great honour for me to be asked to open the WI Horticultural Show, which is more or less what I said in my opening speech ... eventually! There were a few digressions along the way 😊. It was also great to see that so many enter exhibits for the show and that so many others come along on the day. As a newcomer to this kind of thing it was truly memorable day for me. Oh! And congratulations to all concerned.

There are lots of reports, letters and announcements this month. It must be some kind of record. One of the nice things about editing the Parish Pump is that I am usually one of the first to hear the news. It never fails to strike me just what a range of activities go on in our Parish. Once again I would urge you all to let me know of any snippets of news which could be of interest to Pump readers.

All the best! Joe

I would like to express my sincere thanks to all those who attended my 70th birthday party at Millennium House on 20th August. Also for all the cards and gifts and for donations to Macmillan cancer support which amounted to £79. Special thanks must go to my son Daniel, daughter-in-law Samantha and cousin Philip who secretly organised it all and to the staff at Millennium House for making it all possible. Thanks again - see you all in 2027. **Nigel Libby**

## Parish Council Chairman's Column

Well last month proved that people do read the Pump! My article on parking on the road outside St Ive Village Hall caused quite a stir. The object of the article was not to stop people parking in the road, and I understand that it is the only place some residents can park. Also people with limited mobility visiting the hall and those unloading do need to park there. But I am sure there are some who are quite able to use the car park, and if they do it will enable those less able to walk, to park, and attend events in the hall. So let's think of others while enjoying events in the hall.

On a different note, the staff at Millennium House are trying to sort out all the centre's storage cupboards, so if you or your group no longer use Millennium House but think you may have equipment left in the centre, please contact Ruth on reception on a Monday or Thursday morning to arrange removal. Clubs/groups still using the centre are unaffected, although they might want to point out to Ruth what belongs to them. Then on or after the 15th of October the staff will be starting to clear out the cupboards tidying them up, (ditching any unwanted items). This will allow the centre to have more available storage which will be good for all.

Finally don't forget lights on cycles, I have already seen several bikes being ridden without lights after dark. **Please use lights, it's too late after an accident.**

Pete Haimes - Chairman

## From Cornwall Councillor Sharon Daw

Hello - Been a quiet month at Truro. Disappointed that the full council was cancelled as I certainly had an agenda (Footpath16). I have been added to the miscellaneous licensing committee which is an eye opener.

Disappointed to hear we have no PCSO at the moment; after our first meeting I was looking forward to accompanying her on road traffic duties and the moor-watch scheme. I believe with the right people you can form a speed watch group & funding is available.

Had a visit to the new Cornwall Energy Recovery Centre (CERC). Cornwall produces 267,000 tonnes of rubbish and growing. This is an amazing place offering education opportunities for groups of school children, clubs and many others, website [www.suez.co.uk](http://www.suez.co.uk). Compost bins are available from Cornwall Council. £16 for a small one which you keep and it's £18 pounds per year, emptied every fortnight. There is also a business collection service ....

I have also had the pleasure of an invitation to Mt Edgecumbe to see the works on the wells, seats and follies; again well worth a visit ...Natural England grant has helped to preserve and discover historic artefacts.

My thoughts go to those affected by fire, drought, flood and the terrible hurricanes in recent weeks. **CC Daw**

### **Re: Pentiddy Woods off Pensilva near the burial ground.**

Speeding down the hill, loss of light due to the overhanging trees, people walking on wrong side of road often straying into the road (most of them have dogs, and often children also, either on foot or in a buggy). I am very afraid that a driver may come from the bright light round the sharp bend into the gloom of the tunnel and fail to see that there are people or dogs in the road. The walkers cannot see a car because it is behind them and may not hear it, especially if there is one coming the other way as well. Traffic coming down the hill could be going faster than that going up.

It then occurred to me that what is required is a short stretch of pavement up the hill, which would make the journey so much safer for all concerned. I know money is very tight at present, with little light at the end of the tunnel, but felt it was still right to speak about this before a child or parent is killed or injured.

## Pensilva School Welcomes Jill Murphy

On 13th September, well known children's author Jill Murphy spent the day at Pensilva Primary School. Jill spent time visiting each class (including some of the children from Preschool), showing children the first books she wrote when she was six years old, talking about her early life and what inspired her to begin writing and illustrating.

The children were treated to Jill reading her latest book "Meltdown" to them and she answered lots of questions. She also spent lots of time autographing books that children (and teachers!) had brought in.

Jill's visit was a fantastic experience for everyone and lots of children felt inspired to write their own stories which we are really looking forward to reading!

## Callington Victorian Market - Call for stallholders.

The organisers of the 2017 market would like to encourage craft stalls, food stalls and anything different.

The new school term has got off to a flying start in Quethiock. We welcomed not only our reception starters but also the first children into the new pre-school. The children have all settled into the new routine and have been having lots of fun in the classroom. Swan Class visited Seaton Beach and undertook a beach clean alongside Jack a representative from Surfers Against Sewage. The weather was not very kind to us the children took it all in their stride and did a fabulous job collecting several bin bags of rubbish. The children are planning a Macmillan Coffee Afternoon on the 29<sup>th</sup> September at 2pm and would like to welcome members of the community to join them for coffee and cake. The school cleaning company is also looking for a new cleaner, if any member of the local community is interested in the position, please contact Jackie Sims at Future Cleaning on 07966863645.

### **St. Ive Village Show - Report**

St. Ive Village held yet another successful show on September 2nd. Fortunately for us the weather was good on the Saturday. This year was the 40th Anniversary, with the display of plants, flowers, baking, garden produce and photos filling the tables and walls of the Village Hall. The flags were out and some items in the show had been decorated in the Ruby colour. Sheryll Murray, M.P. opened the show and also presented the winners of all ages with their cups and shields. The St. Ive and District Gardening Club Chairman, Mike Mitchell was her able assistant for the afternoon. Congratulations to everyone who took part, and thank you to all the helpers of which there were many.

### **St Ive Gardening Club - Report**

On Monday 4<sup>th</sup> September, St. Ive and District Gardening Club held its first indoor meeting for the winter. Our Speaker was Michael Stephens telling us about creating a scented garden. Michael brought many different plants for us to handle and smell, some were lovely some not quite so sweet smelling but the information about each plant was very interesting. As an ex-inhabitant of St. Ive, it was very nice welcoming him back for the evening. At our next meeting in the Village Hall on Monday 2<sup>nd</sup> Oct at 7.30pm our Speaker Simon Miles will give us a talk on Forest Gardening and how it works. Visitors are always welcome.

Unfortunately no male partner was available for her to compete in the mixed doubles. Nikki trains with the Liskeard Junior badminton club in Liskeard on Monday evenings, then competes against players in Pensilva's Millennium Centre on Monday and Tuesday evenings. She also attends the All Being Well fitness suite in the Millennium Centre on

Friday evenings. Many thanks to everyone that donated towards the Special Olympics Cornwall team kit, travel and accommodation costs. Nikki raised around £250 from customers at the Millennium Centres cafe and also co-hosted a badminton fun day at Dobwalls Junior School.

## **Pensilva W.I. Meeting held on Wednesday 13<sup>th</sup> September**

Our President Francis Tucker opened the meeting and welcomed two new members. Our August meeting had been a social and we all enjoyed a lovely barbecue at the home of Jean and Ivor. It was a lovely evening and we also spent time viewing their beautiful garden.

This past month has been a busy one with two very good evenings at Sterts to see Bugsy Malone and the Bee Gees. Our Horticultural Show was a great success with plenty of entries and of a very high standard.

Our speaker this month was the Rev. Sue Hill who told us of her work over her lifetime. She started as a nurse/midwife for over 20 years. Much of this time was spent in Ethiopia working for the Tear Fund. Her work was with young girls, those that were subjected to Female Genital Mutilation and also betrothed at 10 years of age, married at 12 and usually pregnant by the time they reached 13 years. The girls are usually one of several wives and as the newest wife they are given all the hardest household tasks. Most of the girls are malnourished and very small and weak compared to western girls of a similar age. A totally different culture and one we all found hard to imagine. This culture was not confined to Ethiopia but was the same in many parts of Africa. A very interesting talk and one that gave us all a lot to think about.

On Saturday 30<sup>th</sup> September we are holding a coffee morning in aid of Macmillan nurses in Pensilva Village Hall between 10.30 and 12.30 Please come along to support this very worthy cause.

**NOT A TRICK  
DROP IN  
FOR A  
TAKEAWAY  
JUST A TREAT**

**From the  
Reverend  
Becca Ball.**

As we go in to October we can see the leaves turning, the temperature dropping and we are beginning to look toward Christmas planning. But a season lies between giving thanks for harvest and all that God gives us, and celebrating his Son born as one of us: that is the season of Remembrance.

At the beginning of November, we give thanks for all those saints who have gone before us and who have influenced and cared for us during their time on earth. At some point, this season became hijacked for the alternative of celebrating that which is not from God, Halloween.

**A  
takeaway  
Bag of Hope  
for  
every child**

**Hot chocolate drinks  
and marshmallows**

**Celebrate God's  
light in our lives**

**Everyone  
welcome**

The origins of Halloween are complex and often misunderstood, but have been taken over by a celebration of all things nasty and scary and coupled with overdosing on sugary treats. Whilst those of us who are Christians may have our reservations about Halloween, we know that others may not be coming from that place. We don't want to join in the scary stuff, but we do want to join in with the fun and community spirit. So, on Halloween, if you are out trick or treating, come and join us for a hot chocolate, a bag of goodies, and celebrate light rather than darkness!

Join us by the church on the 31st October after school until about 7.00 pm. Stop for a little, or just come for your bag of goodies!

We look forward to meeting you then!

Becca (the vicar).

## Pensilva Memory Café

Are you caring for someone with Dementia, or do you perhaps have concerns about your own memory? It can be lonely and worrying but you're not on your own. Many people around you are in the same boat. You don't have to feel isolated. More people than ever are becoming dementia aware, and most organisations need, and want, to be dementia friendly.

You may have seen posters for Memory Cafes and wondered what they are about. They are a great place for people with dementia and memory problems to socialise in an informal and friendly atmosphere. Memory Cafes are held in Liskeard, Callington, Launceston, Downterry, Looe, and many more places in the South West. Most are held monthly, some are more frequent.

Pensilva has its own Memory Cafe. It is a small friendly group who meet once a month for tea and cake and a bit of relaxing fun. We might have some music, a simple game or quiz, and a bit of reminiscing. You can join in if you want to, but nothing is compulsory. We hope you will just relax and not worry about anything for a couple of hours. There is no charge but we do appreciate a donation in the region of £1 each towards expenses.

It might be worth coming along to join us just to see what goes on. You might find it beneficial to yourself, or your partner, or a parent, or friend. You might even enjoy it. Why not give it a try? You'd be most welcome. There's nothing to lose.

We meet on the fourth Thursday of each month from 2pm - 4pm. We'd love to see you at St John's Church, next to the Millennium Centre, PL14 5NF.

For more information contact Carolyn or Pat - 01579 363461 or 01579 362698  
email carolynandgeoff@gmail.com or patdilworth@hotmail.co.uk

If you are a carer of anyone, of any age or condition (not just dementia), you will benefit enormously from the help of Kernow Carers Service. Freephone 0800 587 8191. Leaflets are available at the cafe.

## Cornwall Good Neighbours Service

Could you be a Friend?  
Or do you need Befriending?

**Doing the small things that make a big difference**

Many older people in Cornwall can have their lives changed through contact with befriending schemes. Loneliness and isolation are common among older people living alone.

Volunteers provide a range of services to people who require additional support to remain independent and active in their community. Anyone can become a volunteer and make an incredible difference to someone else's life. Even an hour a week will make a difference.

### Services provided by volunteers include:

- Home visits, sharing a cup of tea and a good conversation
- Reading to those who are visually impaired
- Assisting with correspondence
- Accompany people on short walks
- Play a game of cards or scrabble for example
- Accompany clients on shopping trips or shopping on their behalf

### There is no specialised requirement for volunteers, you just need to;

- Possess a willingness and desire to help
- Be committed to providing reliable, consistent support
- Identify how much time you are able to comfortably give
- Identify the kind of service you would like to offer
- Enjoy sharing your time with others and meeting new people

### The benefits to both volunteers and older people are numerous and rewarding;

- You meet new people
- People retain their independence and self-esteem
- Real difference to the life of someone else
- Volunteers experience a feeling of contributing to an invaluable service and of making a real difference to the life of someone else
- You learn new things about others and the area in which you live

Could you be a member of this fantastic team and help to improve someone's quality of life? If you would like more information, please contact:
